Preface

In this book “Righteous soul living actor and creature” what I try to say? It start “living in custody go around was so hard to me so that getting out from in this custody living” I live in writing this book.

I found that creature defined that is creature is “hearing righteous soul living in destination place broadcasting” and righteous soul living actor runs for the righteous soul living in destination place.

So long, an actor in the custody how to runs to the righteous soul living in destination place, this is solutions is “Creature” helping creature righteous soul living actor runs to the righteous soul living in destination place.

In this book I found that righteous soul living actor runs then the righteous soul living actor also changed “the poor & righteous soul, Righteous soul & not me, and Righteous soul & nothing”.

This is growing of righteous soul living actor to the righteous soul & nothing. This is until then wicked soul attacking of “revenge and break” target is disappeared from attacking of wicked soul “revenge & break”.

So that “righteous soul & nothing” can possible “it shared time with other, help other, and doing real love other”. This is means that “righteous soul & nothing” mission is “bring “LOVER” to the righteous soul living in destination place”.

it start righteous soul living actor “LOVER” is one this writing wrote that point of view then, on the running to the righteous soul living in destination place. Hearing of righteous soul living in destination place saying “righteous soul & nothing” love “LOVERS”” so that “Righteous soul living actor of nothing” must save in the wicked soul living actors.

“Righteous soul living & Nothing” is Sunshine in the SEEN world, so that Righteous soul living actor strong righteous soul of SUN shine is make multiple wicked soul to be righteous soul living actor. So then “Righteous soul & nothing” is string because of wicked soul do not attack “righteous soul & nothing”.

Who will be living in the SEEN world “righteous soul & nothing” it must be start from righteous soul living in destination place “strong righteous soul must role of righteous soul & nothing role”.

So then it must be also to strong righteous soul also, go with strong wicked soul living actor so that, righteous soul living actor must survive between strong wicked souls, so then, if ordained “strong righteous soul so called “righteous soul & nothing”” then the actor

must be save all of wicked soul living actor in the SEEN world. Strong righteous soul living actor “righteous soul & nothing” is Sunshine who all save wicked soul to make righteous soul living actors.

if there is no survive “righteous soul living actor” in a place, then the place all is living in wicked soul living, so that how important “righteous soul living actor”. if an actor brilliant then the actor is not only the actor but the actor must be living in “righteous soul living” then the place is righteous soul living in destination place itself.

“Righteous soul living actor & creative” is try to say all of brilliant actor living must be “righteous soul living” is required to live on, in the righteous soul living actor king expect to live righteous soul living then it reach at “the poor & righteous soul, righteous soul & not me, and being reach righteous soul & nothing” then be “Sunshine” and save all of wicked soul to be righteous soul living actors.

Chapter 1.

Helping reading this book of “Main contents”

Asset must understand to the “wicked soul living actor” “righteous soul living actor” and “mind level living actor”.

At first wicked soul living “asset” is understood of target of “revenge and break” so long, wicked soul living actor attack of “the rich & wicked soul living actor” and “the happy & rich actor” all in a moment of being of wicked soul living actor’s target. So long not to be wicked soul living targeting it must be safe in “the poor & righteous soul living” is only living in soluble way.

At Second mind level living “asset” is all of mind level living actor follow to get “asset” so long, mind level all of living actor sacrifice all of factors “it shared time with others, help others, doing real love” so called all forget doing righteous soul living but hurry to get much more than others.

Mind level living actor only important living is getting much more than others, so long Mind level living actor “getting much more than others then all is solving, do not comes new problems” but truly mind

level living actor of rich living actor” are attacked from wicked soul living so that they do not reach at “happy living”.

At third righteous soul living “asset” understands to help others. So long “asset” is source of helping so that righteous soul living actor tries to solve to help others, so long righteous soul living actor do use creative knowledge to solve others “asset” getting problems solving.

Righteous soul living actor understand “asset” as helping others tools. So long, righteous soul living actor being rich also that asset is not me but others, so that righteous soul living actor not to be revel attacking from wicked soul living actor. So that righteous soul living actor gets increasing of “righteous soul living energy saving in to blessed bank of righteous soul living in destination place”.

Righteous soul living actor do not live “asset” from produced of macro concept world mind level living actor but righteous energy from righteous soul living in destination place save in blessed bank energy.

Righteous soul living actor lives on eternity energy of righteous soul living energy. Because of righteous soul living actor live with “it shared time with others, help others, and doing real love others” so long, if an actor is righteous soul living actor in the micro concept

world “ $-1/\infty \sim +1/\infty$ ” then here is he is also be shared time from others righteous soul living actor, and helped from others righteous soul living actor, and but also he do real loved from righteous soul living actor.

So that righteous soul living actor only doing real love “it shared time with others, help others and doing real love others” it is doing actor accumulate righteous soul living energy to the “blessed bank in the righteous soul living in destination place” this energy is must be calculated as this

Righteous soul living actor helps others righteous soul living actor then, helper excitement and helped actor also excitement, so then here is this must be multiplication 2, but also here is both righteous soul actor is activation, but also these two folds asset saved in the “blessed bank in the righteous soul living in destination place”. The blessed bank energy interesting is eternity interesting is compounded interesting so that doing live in righteous soul living behavior itself is “eternity righteous soul living generator”.

Righteous soul living actor “asset” is not consumable but eternity producible energy. Doing righteous soul living behavior is eternity living.

Righteous soul living actor of create is “living energy, moving energy, but also excitement energy” righteous soul living actor creating of

excitement poem, song, paint, novel etc. Righteous soul living actor does live in excitement so that creation is excitement propelling energy.

Creation is only “righteous soul living in destination place actor and SEEN world righteous soul living in actor only use energy.

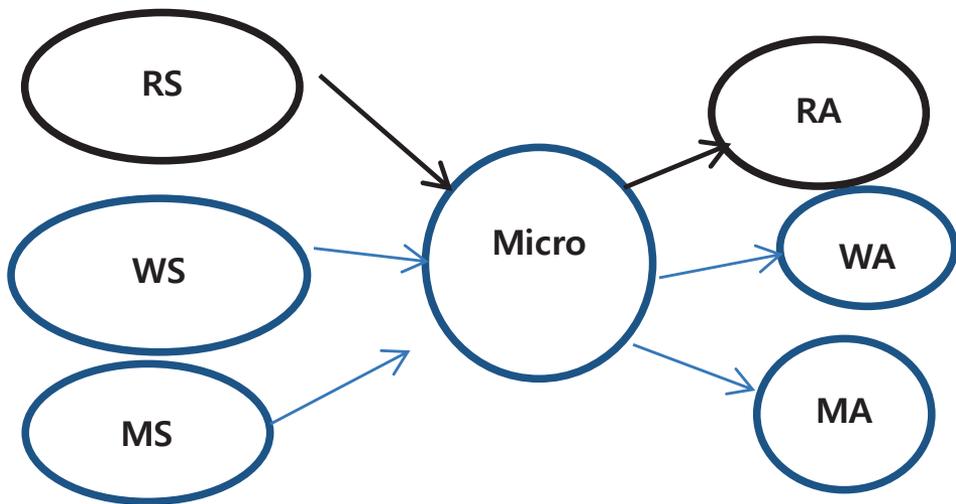

Righteous soul living actors are all variable so long in the ring, circle, any point to the center of circle is all righteous soul living, so long all of righteous soul living actor living in the SEEN world all difference because of righteous soul living actor run for the center of circle righteous soul living in destination place.

So called all of SEEN world righteous soul living actor is connected as micro concept point “ $-1/\infty \sim +1/\infty$ ” they are meeting in the road of to the righteous soul living in destination place. the road all of variable actors are live in “the poor & righteous soul living actors”.

They are living depend on “create” from righteous soul living destination place. All of living actor all difference, but all of righteous soul living actor realized then, their living are righteous soul living actor.

They all living as righteous soul living “it shared time with others, help others and doing real love others”, this is righteous soul living actor. This righteous soul living actor can use “creature” from righteous soul living in destination place. This living in SEEN world hard living point of mind level living actor and wicked soul, but Righteous soul living actor use energy of “creature of knowledge” from righteous soul living in destination place, so then the only righteous soul living actor got a “creature”.

In this book “Righteous soul living actor and creature” righteous soul living actor living in this SEEN world, at now this has “creative” until then in this book definition is not appeared. Truly deep seeking it, it comes may be first stage of creation definition. Here is definition is Righteous soul living actor hearing broadcasting from righteous soul living in destination place, broadcasting contents are creature of knowledge and excitement.

Broadcasting station

receiver of actor (one person)

RS: Righteous soul living destination place broadcasting station

RA: Righteous soul living actor of receiver

WS: Wicked soul living in destination broadcasting station

WA: Wicked soul living actor of receiver

MS: Mind broadcasting station

MA: Mind living actor of receiver

Micro: Micro concept gate " $-1/\infty \sim +1/\infty$ "

Righteous soul living actor of creation definition 1 is in the SEEN world righteous soul living actor living actor meet, hearing of Righteous soul living in destination place broadcasting of create and excitement contents. This is righteous soul living actor "creation". So long righteous soul living actor through micro concept gate or tunnel " $-1/\infty \sim +1/\infty$ " hearing created knowledge from righteous soul living in destination place.

For this possible, it must be in the SEEN world living actor be MIND= $1/\infty$, and doing real love wicked soul so that wicked soul living actor must be mutation to righteous soul living actor. Then strong righteous soul living actor hears of Righteous soul living in destination place, broadcasting station radio etc.

The RS broadcast contents are "creation knowledge in the SEEN world" and "righteous soul living actor excitement art etc."

So long righteous soul living actor can hear of RS Radio every moment then it must be live in righteous soul living in destination place even in the SEEN world of “righteous soul + body”.

Righteous soul living actor hearing of RS broadcasting to the righteous soul living actors, this is happened in SEEN world of an actor of righteous soul living actor through micro concept tunnel “ $-1/\infty \sim +1/\infty$ ”.

It was so hard definition 1 in this book main key word “creature” definition, but why definition 1 is please in this book progress then, much more correction “creature” definition comes, so long if more accurate definition comes then new definition number 1,2,3....

So long if an actor hearing of RS, it required

In the SEEN world Me(one person) structure is “wicked soul, righteous soul, mind and body” so long gradually changed to “ mind= $1/\infty$, doing real love to the wicked soul form righteous soul living actor then, the wicked soul living actor also = $1/\infty$, then it come true of “righteous soul living actor + body”.

So long then, righteous soul living actor hears of righteous soul living actor RS’s creation of knowledge and excitement art Etc.

Why now in this SEEN world hard to get “creation” is mind level living actor case are all of souls are also hearing, it means that mind level living actor structure is “wicked soul living actor, righteous soul living actor, mind and body” so that mind level living actor try to hear then, all of broad casting sent to mind level living actor.

So long mind level living actor in the SEEN world, mixed broadcasting so long, the mind level living actor hearing is mind broadcasting “getting much more than other information” so but also wicked soul living in destination place “easy living” information is mixed hearing. So then just rarely by accident, some one here of righteous soul living in destination place broadcasting of “creation” and “excitement are etc. so long “creation” is hearing righteous soul living destination place broadcasting hearing.

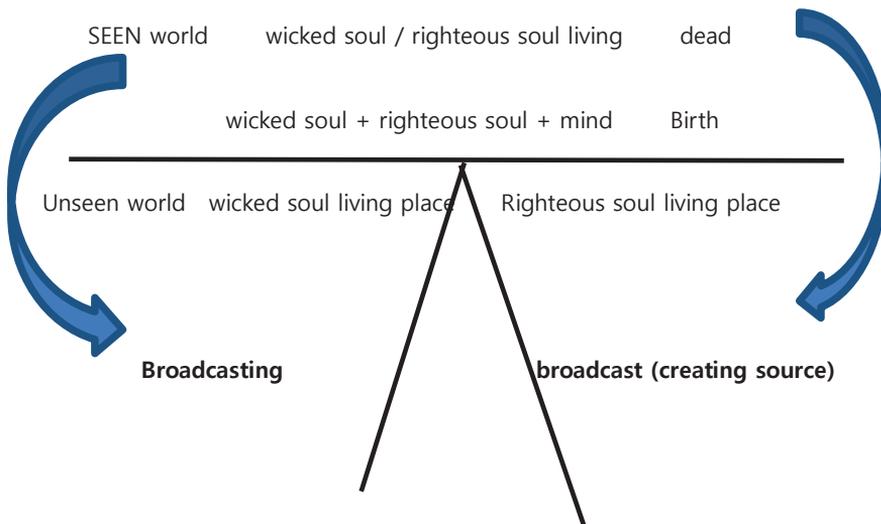

But truly in the SEEN world, mind level living actor of structure “wicked soul, righteous soul, mind and body” mixed broadcasting stations send variable contents to the SEEN world “mind level living actors”.

So that an actor do not hear of “creation of knowledge” from noise variables RS, WS, MS broadcasting, so that mind level living actor can’t using solving from righteous soul living in destination place.

Righteous soul living actor does “creation” from RS, from righteous soul living in destination place.

“The poor & righteous soul living” in the SEEN world is hard and difficult living. On this difficult living of “the poor & righteous soul living” need to live creature of knowledge is required.

But wicked soul living actor selected living actor hearing of wicked soul living in destination place broadcasting hearing, the content is “how to easy living”. So that wicked soul living actor to be easy living “revenge and break method will be broadcasting” so long, the wicked soul living actor perfectly living is same as “wicked soul living in destination place” to be easy use “revenge and break power”.

So long, infer that in the birth time, wicked soul and righteous soul

living actor 1:1 combined with SEEN world governing mind then it must be living in the SEEN world, so long, this is one of body actor so that in the body place “wicked soul, righteous soul, and mind” is living.

How to live it means that doing live in “the poor & righteous soul living” or “wicked soul of easy living” is big decision or select is wait of birth living actor.

Then it must be righteous soul living actor moving, so naturally the righteous soul living actor live in the micro concept place “ $-1/\infty \sim +1/\infty$ ” then naturally the righteous soul living actor is $1/\infty$, so long righteous soul living actor is “Nothing”. Micro concept point is “ $-1/\infty \sim +1/\infty$ ” = “Nothing”. Then it must be to be live in peace and righteous soul living then, the actor is “ $-1/\infty \sim +1/\infty$ ” = “Nothing” so then righteous soul living actor live in micro concept place “ $-1/\infty \sim +1/\infty$ ” = “Nothing”.

So long it is already has been righteous soul living place, so long on the way to world place, righteous soul living destination broadcasting saying is the place is usual, so that “ $-1/\infty \sim +1/\infty$ ” = “Nothing” is just remind righteous soul living actor of “ $-1/\infty \sim +1/\infty$ ” = “Nothing”.

In the SEEN world “righteous soul living + body” then it must be infer that it don’t necessary of “in the someday I will be good day” this dream itself is I’m not living “the poor & righteous soul”.

So long here is to be live as “the poor & righteous soul” is “ $-1/\infty \sim +1/\infty$ ” = “Nothing” of soul living, so that “ $-1/\infty \sim +1/\infty$ ” = “Nothing” is means that do not dream of “in the someday I will be good day”.

In this SEEN world “the poor & righteous soul” living actor “peace living” is same as “ $-1/\infty \sim +1/\infty$ ” = “Nothing”. So long righteous soul living actor of “the poor” is much more clear of righteous soul living of “the poor”, here is the poor is “ $-1/\infty \sim +1/\infty$ ” = “Nothing”.

In the SEEN world, an actor living is “peace” then it must needed before said, there is not to get “peace” so long, the peace living is “the poor & righteous soul living of “ $-1/\infty \sim +1/\infty$ ” = “Nothing”.

To be peace and righteous soul living in excitement is must be live in the space and time is “ $-1/\infty \sim +1/\infty$ ” = “Nothing”.

In the SEEN world righteous soul living is “ $-1/\infty \sim +1/\infty$ ” = “Nothing”. This is creation of righteous soul living traveling to the righteous soul living in destination place safe returning.

Righteous soul living actor run on the road of building made of creature of materials. Because of righteous soul living in the SEEN world is “the poor & righteous soul living actor”, so long the actor living is difficult and so hard living. So long “the poor & righteous soul living actor” keep run for the righteous soul living in destination place.

“The poor & righteous soul living actor” who is in difficult and hard living keep going to be reach at or safe returning to the righteous soul living in destination place. “The poor & righteous soul living actor” lives in adventure in the SEEN world. Because the living is difficult who knows in the SEEN world living actors is “the poor & righteous soul living” is righteous soul living.

Then in the SEEN world “easy living” actor is in the Level of mind “easy living” is do not living with righteous soul living but easy living; “it shared time with others, help others and doing real love others”. But “easy living” then this living actor is from UNSEEN world, the actor mission is “revenge others, break others” so long, the actor power is huge, but the living is “easy living” so long, all of mind leveling living actor envy “easy living” actor.

Truly “easy living actor is wicked soul living actor” but all of mind level living actor aim to be “easy living actor” say again they are not living of righteous soul living; “it shared time with others, help others and doing real love others. So then, “easy living” is not having “righteous soul living in destination place” their living terminal is “wicked soul living in destination place.

Righteous soul living actor do live in “it shared time with others and help other but also doing real love others” so long, it required living problems solving. Righteous soul living actor is “the poor & righteous

soul living actor” in the SEEN world.

Righteous soul living actor living in mission is “get lover to the righteous soul living in destination place. So long, righteous soul living actor living is hard. But in the SEEN world “the poor & righteous soul living” is only use UNSEEN world living tools to live on “doing real love”, this “doing love is” wicked soul living actor making to righteous soul living actor change, and in the SEEN world real lover find and real love making to be live as righteous soul living.

It must be lover wicked soul living then, the righteous soul living actor doing real love lover. This is righteous soul living actor mission clear so long it must be first survive in the SEEN world, so that the righteous soul living actor must be live “the poor & righteous soul living actor”.

“The poor & righteous soul” must run for the righteous soul living in destination place, then “the poor & righteous soul living actor” then the actor faced variable problems;

“The poor and righteous soul living actor is hard to support “body living” because of “the poor & righteous soul living” actor all loser to the “easy living” of wicked soul living actor. So that it must be solving the support of maintenance of “body is living”.

“The poor & righteous soul living actor” must be surviving from

wicked soul living actor “revenge and break”.

In the UNSEEN world of SEEN world, an actor living time of structures “wicked soul, righteous soul, mind and body” then, Righteous soul living actor survive living with wicked soul.

In the SEEN world righteous soul living actor try to find “lover” who is in the wicked soul living actor so then, again righteous soul living time same structure forming; “righteous soul living actor meet lover of wicked soul living actor” then righteous soul living actor to live in righteous soul living mission clear, so that righteous soul living actor living with wicked soul living actor.

Righteous soul living actor living is host living; he is he, not others, so long, righteous soul living actor runs for the righteous soul living in destination place.

How to run to the righteous soul living actor, so long, the righteous soul living actor must be follows all of problems what I said before. So long, “the poor & righteous soul living actor” must be live in so difficult living.

This is righteous soul living actor running; this running is with “creature of knowledge”. Righteous soul living actor living tools are comes from “doing real love others”; is from righteous soul living world. So that “doing real love” create “forgive and creature”, forgive

is “the poor & righteous soul living actor relationship with wicked soul and mind level living actor damage curing.

But also “creature” is “poor & righteous soul living actor” faced problems soluble tools. “The poor & righteous soul living actor” is keep going to the righteous soul living in destination place. in this process “create” is real helper to live on and running for the righteous soul living in destination place.

“the poor & righteous soul living actor” and “creature” is in this book “Righteous soul living actor and creature” term definition then with using terms combined then it must be explained.

“The poor and righteous soul” related terms are $\text{mind}=1/\infty$, “it shared time with others and help others but also doing real love others”. With this righteous soul living actor mission is “bring Lover to the righteous soul living in destination place. from “doing real love others” derived helped of “the poor & righteous soul” is “forgive” which is helping living with wicked soul living actors and mind level living actor relationship by product cleaning. “Creature” righteous soul living actor going forward to safe returning righteous soul living in destination place make possible.

“The poor & righteous soul living” and creature is what it did as

defined that “the poor & righteous soul living actor” run for the righteous soul living destination place.

Here is “creature” definition is another “hearing broadcasting of righteous soul living destination place” so then, “the poor & righteous soul living actor” must be can hear of righteous soul living in destination broadcasting sending contents hearing is “creature”. This is must be new in this SEEN world, it must be in the SEEN world is solving the problems. So long righteous soul living in destination broadcasting is “create of knowledge” creating source.

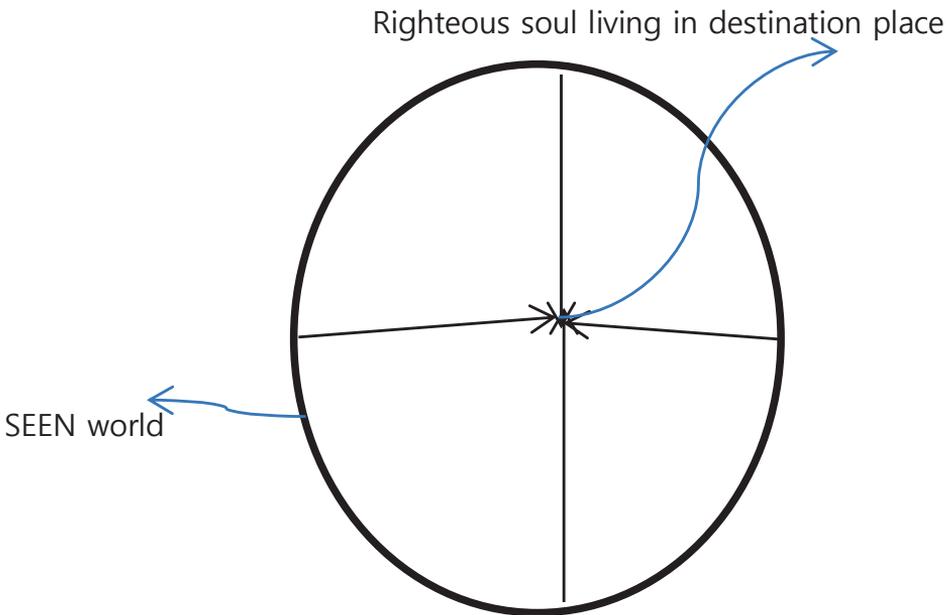

“The poor & righteous soul living actor” and “creature” then here is “the poor & righteous soul living actor” running for the righteous soul living in destination place possible power is “creature”

This creation is hearing of righteous soul living in destination place broadcasting. Then, it must be broadcasting contents is must be solution of living of righteous soul living actor behavior “it shared time with others, help others and doing real love others”, while doing in mission carry “bring back Lover to the righteous soul living in destination place”.

Then “the poor & righteous soul living actor” living is so hard and difficult, so long, righteous soul living destination place broadcasting contents are “song” “creature of knowledge” “righteous soul living actor safe retuning success stories” and “tip of overcoming in the

SEEN world the poor and righteous soul living time” but also “righteous soul living in destination place good news” etc.

“The poor & righteous soul living actor” and “creation” is in the SEEN world hard time living in front line, then “the poor & righteous soul living actor” creative knowledge is super power to live on and running for the righteous soul living in destination place.

Here is arrows toward to center of circle is righteous soul living actor running to the righteous soul living in destination place. So variable many righteous soul living actors are living for the purpose of safe returning back to the righteous soul living in destination place, “the

poor & righteous soul living actor” hear of “creation of knowledge” from righteous soul living in destination place broadcasting.

All of living actor of righteous soul living actor distance is same; all of righteous soul living actor can reach at the righteous soul living in destination place. “Righteous soul living in destination place” is not an only in distance but the place is in deep place. so long to go deeper then, actually in the actor of SEEN world living, then one actor righteous soul living actor hearing of vertical and round of deep place righteous soul living in destination place broadcasting hearing is possible to safe returning in righteous soul living in destination place.

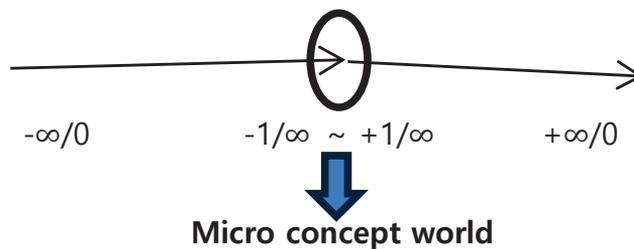

If righteous soul living actor near the righteous soul living in destination place, then righteous soul living in destination place broadcasting hearing is clear. So long as righteous soul living actor righteous soul living in energy getting strong then, the righteous soul living actor clear hearing of “righteous soul living in destination place same living” even actually righteous soul living actor is not real at the righteous soul living in destination place.

So long “the poor & righteous soul living actor” and creation is so essential to run for the righteous soul living in destination place.

“righteous soul + body” is not feeling in “Me” but feeling is “righteous soul” so long, in this time and space is feeling of “righteous soul” so long this is so important, I write so many times but I could not understand of what happened of “righteous soul + body” there is

no “ME”. So long there is no “ME” so that Wicked soul and mind target is not in the SEEN world. This so important to live on, here is only living in righteous soul is feeling in “righteous soul”.

In this book writer, me learning how to erase all of “wicked soul + mind is “ME”” is so long if I feel in “righteous soul + body” is “nothing” feeling, so long, there is no recognition “ME” so then, there is no “me” means that, there is not wicked soul to me, and mind level living actor is not to me. This is real important because of being “nothing” so long, “nothing of righteous soul + body” so long, here is SEEN world body is righteous soul living place only, so long, the body feel “nothing”, so then, it is righteous soul.

Wicked soul, righteous soul, mind + body is in the place of “ $-\infty/0 \sim -1/\infty$ ” in this time an actor structure is “wicked soul, righteous soul, mind +body” if feeling in “ME”. In this time “ME” is feeling all of fear, lonesome and desire and getting much more than others, but also try to live in “easy living” so long, the place deceit and “revenge and break power” is happened place.

But as $\text{mind} = 1/\infty$ so long all of mind problems are all disappeared so long, it comes “wicked soul and righteous soul, so long, righteous soul natural power of “doing real love” wicked soul so then wicked soul changed to righteous soul, so long an actor has structure of “righteous soul +body” then, it is place in the micro concept world “ $-1/\infty \sim +1/\infty$ ” so long in this place living actor only is “righteous soul” so long, in the place of micro concept world “righteous soul +body” so then here is not “wicked soul, and mind of “ME”” so long in the micro concept place is not “ME” so that Righteous soul living actor lives naturally “it shared time with others, help others but also doing real love others”.

In this book “Righteous soul living actor and creature” here is creature is this disappeared me is knowledge through micro concept tunnel “ $-1/\infty \sim +1/\infty$ ” hearing righteous soul living in destination place broadcasting, while hearing broadcasting then it comes to righteous soul “there is not “ME” in the righteous soul” it is so excitement to the righteous soul.

Righteous soul living actor mission is not changed; because of the mission is “righteous soul bringing back lover of righteous soul to the righteous soul living in destination place”. Righteous soul living behavior is “it shared time with others, help others and doing real love others”.

This is not same of SEEN world “mind level living place recognition” so then, here is writing expression is borrows from mind level living

world, but actually “righteous soul living in the UNSEEN world unit of righteous soul is discriminated but in the micro concept world “ $-1/\infty \sim +1/\infty$ ” so long, in the SEEN world is feeling in “nothing” but in the righteous soul living actors are recognized as souls living. So long here is not same as SEEN world mind but there is righteous soul living place Righteous soul living actors are can be discriminate each righteous soul living.

But still much more important thing is in the SEEN world, “righteous soul + body” then here is wicked soul of “easy living” and mind level living actor of “getting much more than others” so long this SEEN world disappeared of feeling of “ME”. So then here is “righteous soul living behavior is “it shared time with others, it helped others, it doing real love others” so long, as writer of this book I am shock of this creature of knowledge.

I was surprised this creature of knowledge, this creature of knowledge I got am 4 o’clock, in the meditation. Until then I was perplexed how to erase of wicked soul and mind to me, so long, I felt even I create “righteous soul + body” then this actor also feel of “ME” but in this time my realized then it is “righteous soul + body” is out of “ME”, it is nothing.

So long, out of “ME” nothing of “righteous soul +body” is perfect free from wicked soul and mind level problems. “Righteous soul +body” is feeling of righteous soul feeling. “Righteous soul feeling is feeling in excitement.

Nothing of righteous soul feeling is same as UNSEEN world, righteous soul living actor feeling. So long “Nothing of righteous soul” feels in so excitement seeing of nature of SEEN world. Righteous soul living is free from wicked soul, mind level, so long it is safe returning to the righteous soul living in destination place.

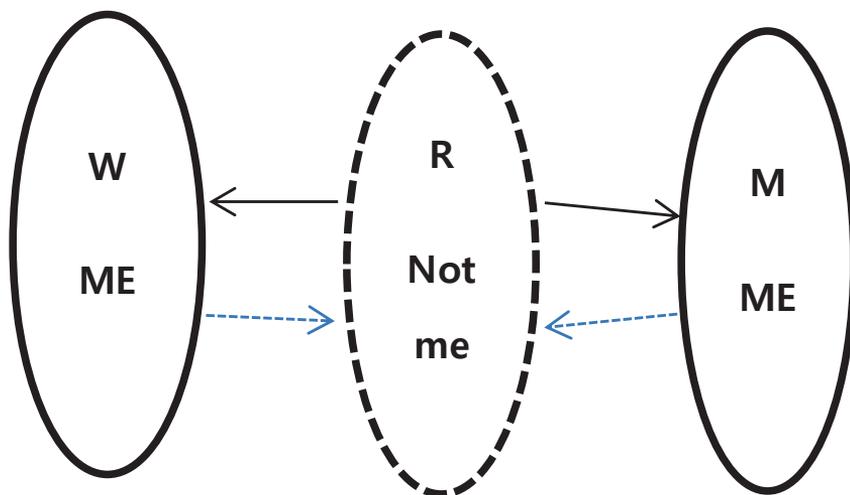

Righteous soul is not “ME” but in the mind level living actor has “ME” world concept. but in the righteous soul living of micro concept world “ $-1/\infty \sim +1/\infty$ ” there is micro concept world righteous soul living actor feeling, because of there is micro concept world righteous soul living actor is major actors.

In the mind level “righteous soul” is progressive from “wicked soul, righteous soul, mind and body” decreased “wicked soul, righteous soul, mind= $1/\infty$ and body” and “wicked soul= $1/\infty$, righteous soul, mind= $1/\infty$, and body” so then it create of “righteous soul +body” so long, in the mind level; wicked soul, mind is “ME” but righteous soul living actor behavior; “it shared time with others, helping others and doing real love others”.

So long righteous soul living actor wicked soul “easy living”= $1/\infty$, mind level living actor of “getting much more than others= $1/$ ” so long in this SEEN world “ME” feeling is not “easy living” and “getting much more than others”. So then Righteous soul in this SEEN world, wicked soul, mind level as $1/\infty$, so long “ME” is not appeared to the “righteous soul living actor”.

In this SEEN world, Righteous soul living there is “me” so then Righteous soul is “nothing”. So then in the SEEN world, so long, “ME”=”nothing” so long, in this place, explained in the SEEN world.

SEEN world is living wicked soul, mind level living, and righteous soul living actors. So long, if in that place righteous soul living actor are living then, the place is

Nothing

W: wicked soul, R: Righteous soul, M: mind level

R=not me= Nothing: "it shard time with others,

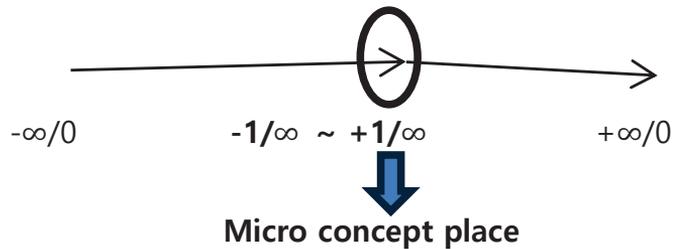

help others, and doing real love other"

Here is Wicked soul living actor and mind level living actor acted from righteous soul living actor of "it shard time with others, help others, and doing real love other". But it does not have to pay back to the righteous soul living actor because righteous soul living actor is "nothing".

So then in the SEEN world righteous soul living actor make bright around of righteous soul living actor. Righteous soul living actor here is free from wicked soul living actor "revenge and break power".

Actually righteous soul living actor live in micro concept

living place

So that in the micro concept place wicked soul living is not so long, righteous soul living actor of in the SEEN world, the righteous soul living actor. So that righteous soul living actor behavior is possible; “it shard time with others, help others, and doing real love other”.

This means that righteous soul living actor get from righteous soul living in destination place, broadcasting hearing in the micro concept place “ $-1/\infty \sim +1/\infty$ ” so long, righteous soul living actor is “not me” and “nothing” so long, wicked soul do not feel of targeting because of “nothing”.

So that righteous soul living actor receives “creative knowledge” then do solve in the SEEN world.

Righteous soul living actor of nothing must be source of creating in the SEEN world, so long in the SEEN world actor then, the place is micro concept point “ $-1/\infty \sim +1/\infty$ ”.

Righteous soul and mind= $1/\infty$, in the SEEN world necessary, how to keep mind= $1/\infty$, it is required time deep meditation as possible as can write a book, so then in the time of writing book then it comes again “righteous soul living” in the time of writing then keep in still “righteous soul”.

Righteous soul living actor must be maintaining hearing broadcasting from righteous soul living in destination place. This is creature of knowledge, how to live maintain in safe righteous soul living.

Righteous soul living actor hearing broadcasting from righteous soul living in destination place is safe living in “righteous soul living”. Righteous soul living actor does not survive in the mind level and wicked soul living actor place. So that righteous soul living actor is watch out not to be out of mind= $1/\infty$.

Righteous soul living actor living is “the poor & righteous soul” it must be variances being $1/\infty$. Righteous soul living criteria cross over then righteous soul living actor can’t live “peace” in a moment.

In the SEEN world only living of righteous soul living actor is “it shared time with others, help others and doing real love other”. Righteous soul living behavior is this, so that is righteous soul living actor keep in peace. This is righteous soul energy saving and creating of righteous soul living energy.

As acceptor of broadcasting from righteous soul living destination broadcasting center, so long, righteous soul living keep hearing creature of knowledge. This creature of knowledge help righteous soul living actor survive SEEN world living. Righteous soul living actor tries to hear of broadcasting from righteous soul living in destination place broadcasting center.

In the SEEN world, righteous soul living actor living is doing “it shared time with other, help other, and doing real love others” but also righteous soul living actor hear broadcasting from righteous soul living in destination broadcasting center.

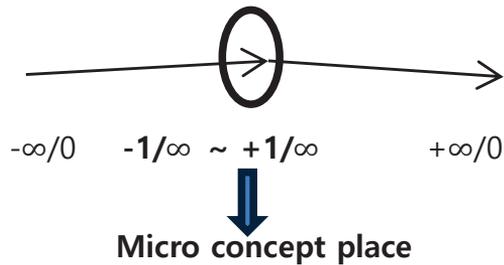

So long in the SEEN world righteous soul living actor get a time to be hear of broadcasting from righteous soul living in destination, the broadcasting say that righteous soul living place news, and information how to survive in the SEEN world etc.

Righteous soul living actor survive is required to live in the SEEN world, keep in mind= $1/\infty$.

Based on this, righteous soul living actor hears of righteous soul living destination place broadcasting.

Righteous soul living actor is keep repeating in this book “the poor & righteous soul living actor” and Righteous soul living actor feeling is “not me” so long, Righteous soul living actor get into the micro concept place

Actually righteous soul living actor live in micro concept living place

So long, at last out of wicked soul “revenge and break” and mind level living actor “getting much more than others” so long, Righteous soul living actor so hard to live on almost dead in this place.

Even righteous soul living actor in the SEEN world “the poor & righteous soul” but it is temptation from wicked soul “easy rich living” and mind level living actor getting collect all of others asset also “getting much more than others” so long, “the poor & righteous soul living actor” also dream to be living “easy rich living” etc.

Righteous soul living actor feeling is “not me” then, Righteous soul living actor do not to be temptation from wicked soul “easy rich living” and mind level “getting much more than others” this is getting in to living in the micro concept place “ $-1/\infty \sim +1/\infty$ ” the place never wicked soul living actor and mind level living actor.

Righteous soul living actor in the micro concept place is “peace living” this is real excitement living, the righteous soul living actor in the SEEN world is “sleeping place, a suit of clothes and just simple food” that is righteous soul living actor living in the SEEN world.

“The poor & righteous soul living actor” feels in excitement because of hearing righteous soul living destination place broadcasting. This living is so excitement of righteous soul living.

This righteous soul living actor brings out to the SEEN world that is creature of knowledge. If keep bring out righteous soul living actor’s creature of knowledge then, the place and time is safe living of “the poor & righteous soul living”.

Keep understanding of “the poor & righteous soul” = “the poor & not me righteous soul” then “not me” then righteous soul is cosmos, so long, “righteous soul is cosmos” it means that there is no seen in the wicked soul and mind level living place so long, “the poor & righteous soul”=” the poor & not me righteous soul” = “cosmos righteous soul” = “nothing righteous soul”.

Here is righteous soul is “not me righteous soul = cosmos righteous soul= nothing righteous soul”

As Righteous soul living in the SEEN world, so long “the poor & righteous soul” then as living in micro concept world “ $-1/\infty \sim +1/\infty$ ”

then “righteous soul living actor” feeling perfectly. That is “the poor & righteous soul”= “the poor & not me righteous soul” = “cosmos righteous soul” = “nothing righteous soul”.

So then the righteous soul living actor still in the SEEN world feature is “righteous soul + body” but here is body is just living place of righteous soul, so called shell only function. So long, righteous soul living actor doing only excitement with “it shared time with other help other and doing real love other” but also hearing “righteous soul living in destination broadcasting” then all of living is really excitement.

Righteous soul living solve others, wicked soul living problems other.

Righteous soul living actor hears of broadcasting from righteous soul living in destination broadcasting system. In the broadcasting helps giving a creation of knowledge “順天者興: righteous soul living actor follows of heaven rule so that heaven helps righteous soul so that in I Ching progress to the better hexagram”. Then righteous soul living actor run for the righteous soul living in destination place safe returning.

So long only Righteous soul living actor solve other problems, so long in the SEEN world problems all be solved by creating of knowledge from hearing the Righteous soul living in destination place broadcasting system.

If not the place righteous soul living actor then, the place there is not solution of problems solving. Then keep produce wicked soul living problems so keep problems others. Then the place is there is not righteous soul living actors, but only the place is living wicked soul living place.

This can be explained (逆天者亡): do not follows of heaven rules then going worse. I Ching hexagram also goes to worse.

So long, Righteous soul living actor must be feeling in responsibility of the place actor saving, so long, Righteous soul living actor must do be “ The poor & righteous soul hearing broadcasting from righteous soul living in destination place broadcasting system. So called righteous soul living actor get a creation of knowledge, then righteous soul living actor it possible of running so that getting keep distance from wicked soul so long in the end get into micro concept “ $-1/\infty \sim +1/\infty$ ”place. Then the strong righteous soul who will be not offense from wicked soul, the strong righteous soul is perfect safe from wicked soul. So long, the righteous soul living actor do follows of heaven rules in the SEEN world. Then the place problems solving, the problems solving is save living from wicked soul actor offence others.

Righteous soul living and creative knowledge is very important to save others death, then the righteous soul living actor must be infer that, the actor blessed from brilliant actor who is genius class living actors. Genius class is saver of the SEEN world. But they are do not

realized then the genius living class do not living of Righteous soul living, then the place “there is not righteous soul living” then the place is going worst place, so long I Ching saying that the place going worst.

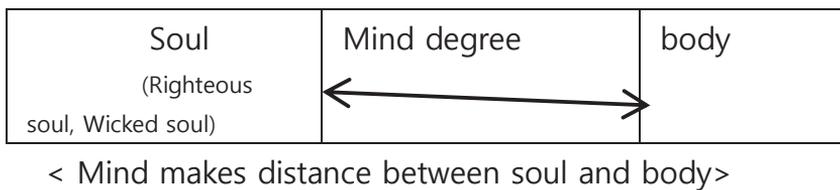

Who will be righteous soul living this is all is can possible, in this book “Righteous soul living actor and creature” is realized in micro concept world, so long, me is main issue, so long me is “the poor & righteous soul” progress to “the poor & not me” go deeper to “the poor & nothing” so long righteous soul living actor in the micro concept place “ $-1/\infty \sim +1/\infty$ ”.

“The poor & nothing” “the poor is SEEN world so long the poor is disappeared” so long “Nothing & righteous soul” is coming. “Nothing & righteous soul” do save dead others.

Until then I didn’t know “righteous soul” feeling in this SEEN world. In the birth of SEEN world living actor structure is “wicked soul, righteous soul + mind + body” wicked soul and righteous soul meet before comes to SEEN world coming. But soul (wicked soul, righteous soul) meet mind which is from SEEN world and body.

UNSEEN world wicked soul living world, and righteous soul living world, they lived in the UNSEEN world, so long, and soul really try to meet body, in the UNSEEN world souls are wait to meet and doing

mission carried out. wicked soul is meeting body then doing “revenge and break other” but righteous soul living actor mission is “meet Lover make righteous soul then carry to the righteous soul living in destination place”. so long UNSEEN world souls are do not know SEEN world “MIND” this unexpected obstacle is make hard souls meet body.

In this table, Mind is “getting much more than other” so long, if Mind is strong then, the actor of SEEN world, it must be infer that soul and body never meeting end soul can’t do mission so then, soul must be do not recognized from SEEN world actor.

Then it must be this living actor is “mind +body” living actor. These living actors are run for the “getting much more than others”. They do not know their micro concept gate “ $-1/\infty \sim +1/\infty$ ” so long their gate also closed as doing not realized. Then they are living “mind level living actor”.

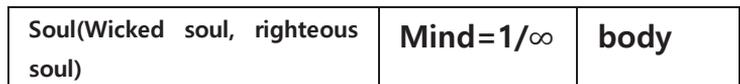

If mind = ∞ then, it must be, infer that

< Mind level living actor >

Then at last mind level living actor created, this mind level living actor going living in SEEN world.

But if $\text{Mind} = 1/\infty$ then

As $\text{mind} = 1/\infty$, wicked soul and righteous soul living actor of soul meet body

 Mind= $1/\infty=0$

In this time, soul (wicked soul, righteous soul) meet body, so then, here is in the soul room, “wicked soul, and righteous soul”.

the book of “LOVE engineering” (2015 seong ju choi) righteous soul

living actor survive from wicked soul so that, in the righteous soul living in destination place give gift of righteous soul traveling survive tools that is “doing real love”.

So long here is also comes, if righteous soul living actor doing real love wicked soul, then survive then it must be soul is simple of Righteous soul, so long righteous soul meet body. This is just only one actor inside living history.

Righteous soul	body
-----------------------	-------------

But here is righteous soul living actor live in the SEEN world, so long righteous soul living actor outside living. Righteous soul living actor, the righteous soul get body, so righteous soul living actor. righteous soul living actor must be live in the SEEN world then, truly righteous soul living actor seen world living is survive from wicked souls “revenge and break” so that here comes of wicked soul living actor is “easy living” so that righteous soul living actor do not living as “easy living” because survive living as righteous soul. Therefore righteous soul living actor does living in the SEEN world as “the poor & righteous soul living actor”.

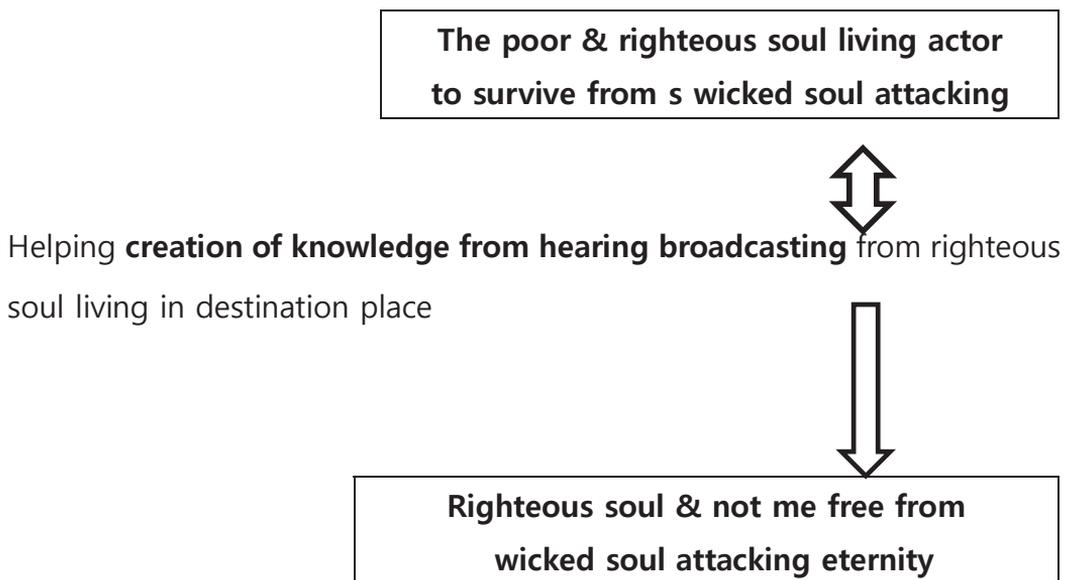

Righteous soul living actor in the SEEN world, progress by helping from creative which is hearing from righteous soul living in destination place broadcasting system. as getting broadcasting hearing then, the righteous soul living actor getting clear of righteous soul living in destination place.

As helping creation, righteous soul runs for the righteous soul living in destination place. then “the poor & righteous soul living actor” get creation knowledge how to perfect free from wicked soul, so then, the creation of knowledge getting from righteous soul living in destination place broadcasting system.

As helping from creation of knowledge then, “the poor & righteous soul living actor” is still SEEN world combined with “ME” so that, other wicked soul attack “Me” so then, as perfect free from wicked soul attack then, it must be attacking target is disappeared from in the SEEN world.

Then there is no attacking target to the wicked soul, so then actually “the poor & righteous soul” of “Me” is also changed like this there is not to be attacked so that it must be out of “the poor” of hard living. So long it must be inferred that “righteous soul & not me” is appeared.

“Righteous soul & not me” is solved problem of survive from wicked soul attack helping creation of knowledge from hearing righteous soul living broadcasting system.

Here is Righteous soul is survive safely, so long it has condition to go for the righteous soul living in destination place. So then, “the

righteous soul & not me” can do righteous soul living without danger of wicked soul attacking.

Safe righteous soul living actor does righteous soul living “it shared time with others, help others, and doing real love others”.

Here is “righteous soul & not me” “not me” then it still is not clear, because of “not me” means that who, “the other” so long, this is wicked soul target disappearing of moment. so than it must be righteous soul living “not me” is very temporal but in the end, “righteous soul & not me” changed into eternity righteous soul”

Here is “righteous soul & not me” is still need righteous soul living actor used energy. So then, this is “righteous soul & not me” required to supplied energy. So then safe from wicked soul and do not supplied energy is required to the righteous soul.

so then righteous soul is required to much more evolve then it comes, safe from wicked soul attacking and do not use energy, but righteous soul living actor “it shared time with others, help others but also doing real love other”.

So long keep helping to run to the righteous soul living in destination place. “Righteous soul & not me” evolved into “Righteous soul & nothing”.

“Righteous soul & nothing” all solved problems there is no any problems. “Righteous soul & nothing” must be inferred that it must be say “Nothing” then writing world, lost “righteous soul” but in the real living righteous soul is truly “nothing”.

to express writing then “nothing” as “Righteous soul & nothing” this righteous soul is free from wicked soul attacking perfection and it don’t necessary living energy. Energy nothing so then “righteous soul & nothing” just do without any energy consumption but doing righteous soul living “it shared time with other, help others and doing real love others”. Even “righteous soul & nothing” nothing but all do same as did “the poor & righteous soul living actor”.

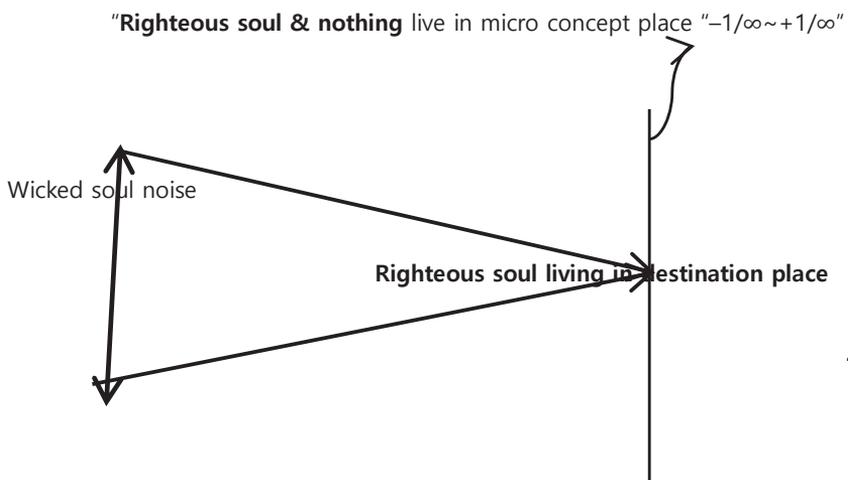

Here is comes “righteous soul & Nothing is” also actor of righteous soul, so long, the righteous soul in SEEN world living in the micro concept place “ $-1/\infty \sim +1/\infty$ ” in this place energy consuming is zero/ $1/\infty$ so that righteous soul living in destination place must be infer that micro concept place “ $-1/\infty \sim +1/\infty$ ”.

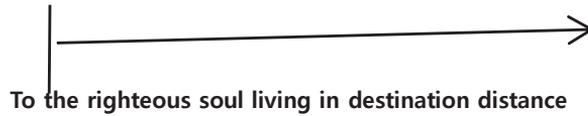

“Creature” helping righteous soul living actor runs to the righteous soul living in destination place.

Because righteous soul living actor runs and creates road for running to the righteous soul living in destination place.

“Creature” key worlds are Righteous soul living actor and righteous soul living in destination place.

As being closing righteous soul living destination place broadcasting then the broadcasting hearing is clear, so long, as being closed then there is no wicked soul noise.

“Creature” is helper of running for the righteous soul living in destination place. So long righteous soul living actor running and reach at micro concept place “ $-1/\infty \sim + 1/\infty$ ”.

Righteous soul Creature $X \infty = \infty$ Creature = then reaching at the micro concept place “ $-1/\infty \sim +1/\infty$ ”.

But wicked soul of noise keeps broadcasting on the “revenge and break” and “easy living” contents. Wicked soul endless (∞) supplies broadcasting to the righteous soul living actor.

so long if long distance from righteous soul living destination place, then righteous soul broadcasting hearing is so hard cause of wicked soul broadcasting noise “easy living” and “revenge and break”.

Here is wicked soul noise contents are “easy living” “revenge and break” is also easy accepted.

So long, Wick soul living actor hearing so easy getting wicked soul living information, this is also hard to hearing righteous soul “creature of knowledge”.

Righteous soul living actor hearing righteous soul living broadcasting, then it must be wicked soul noise clear then it possible hearing “creature of knowledge from righteous soul living broadcasting”.

How to live is this? Righteous soul living actor doing real righteous soul living “it shared time with others, help others and doing real love others” then it must be getting building “righteous soul living energy”.

“Righteous soul living energy” will used in noise decreasing. But then righteous soul living actor hears righteous soul living destination broadcasting, then “creature of knowledge” this make possible problems of noise of wicked soul.

“Creature of knowledge” from righteous soul living in destination place broadcasting helps problems solution of wicked soul noise decreasing.

Therefore Righteous soul living actor running for the righteous soul living in destination place necessary both living making possible.

First is living in righteous soul living “it shared time with other, help other, and doing real love other” so long build “righteous soul living energy”.

Second is hearing righteous soul living destination place broadcasting center so that in the SEEN world, the righteous soul living actor learns of “creature of knowledge”.

Righteous soul living actor running for righteous soul living in righteous soul living in destination place = “Righteous soul living energy” + “creature of knowledge”

Righteous soul living actor returning safe come back to the righteous soul living in destination place is required of ““Righteous soul living energy” + “creature of knowledge””.

“Righteous soul & nothing” of SEEN world living actor must be bring “creature of knowledge” to solve SEEN world living actor problems solving. “Righteous soul & nothing” does not fear of wicked soul. So that the actor must be correct wicked soul actor “revenge and break” this hell of SEEN world by wicked soul doing behavior.

“Righteous soul & nothing” is so strong righteous soul who is living at micro concept place “ $-1/\infty \sim +1/\infty$ ” micro concept place there is no wicked soul, so that “Righteous soul & nothing” is nothing but existence so long live at micro concept place “ $-1/\infty \sim +1/\infty$ ”.

In this case “righteous soul & nothing” is in the SEEN world structure is “Righteous soul & nothing + body” so long, “righteous soul & nothing is live in micro concept place “ $-1/\infty \sim +1/\infty$ ”

So long, “righteous soul & nothing + body” then, “body feel righteous soul”, micro concept world soul living is nothing, but this actor of macro concept world then righteous soul must be strong righteous soul + body”. the righteous soul actor must be responsibility so long, historically this “righteous soul and nothing” have been called “king” the righteous soul living actor “righteous soul living actor & nothing” is compared with these time decision maker is “righteous soul & nothing” then the governing place all of decision making is creating knowledge producing.

“Righteous soul & nothing” and “creating” and “SEEN world” if this is UNSEEN world then clear but if this is “SEEN world” then “Righteous soul & nothing” hearing broadcasting and meet righteous soul then bring to SEEN world “creative knowledge”.

“Righteous soul & nothing” and “creative knowledge” is almost same, so long “righteous soul & nothing” = “creative knowledge”. So long

“righteous soul & nothing “must be governing SEEN world; righteous soul, wicked soul and mind level actors.

But in the SEEN world, there is no “righteous soul & nothing” then, it must be governing place occupied by “righteous soul & nothing” also good, but “wicked soul” then the SEEN world must be exclusively ruler of governor’s “easy living” place changed. furthermore if occupied by “mind level actors” then the governor of actor still “try to get much more than others”, so long the place changed into all of living actors “getting much more than others world”.

“Righteous soul & nothing” governing is there is no any use energy for “righteous soul & nothing” so that “righteous soul & nothing” governing & managed organization 100% energy use. So that the place, organization is being changed as “righteous soul living actor of excitement” so that the place and organization is really feeling excitement.

“Righteous soul & nothing” get knowledge of creative so that “righteous soul & nothing” saying is all “creature of knowledge”. “Righteous soul & nothing”=“ creature of knowledge” this is means that “righteous soul living actor” runs for the righteous soul living in destination place.

so then “Righteous soul & nothing”=” creature of knowledge” run for the righteous soul living in destination place. if “Righteous soul & nothing”=” creature of knowledge” being king of an country then the country is running for the righteous soul living in destination place.

but also “Righteous soul & nothing”=” creature of knowledge” running is for the future, so long future is righteous soul living in destination place,

this is fit to the organization of company then, it must be “Righteous soul & nothing”=” creature of knowledge” being decision maker then, the organization run future so long, save the organization from past to future. The organization runs for the righteous soul living in destination place.

“Righteous soul & nothing”=” creature of knowledge” itself, organization decision making also “creation of knowledge” then past from now problems are all solved from using of “Righteous soul & nothing”=” creature of knowledge”.

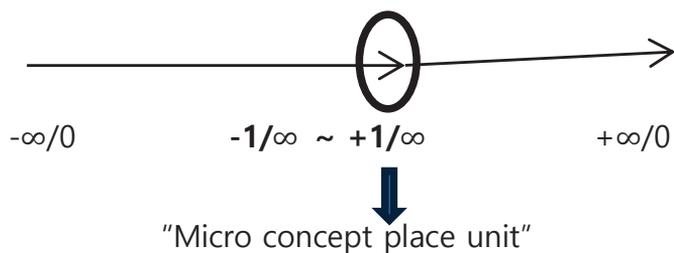

“Righteous soul & nothing” is perfectly do not use energy, “nothing” but existence so long, the “righteous soul & nothing” is 100% energy

using for the place living actors. then the place living actor feel of excitement, then feeling excitement is only “righteous soul” so long, the strong “righteous soul & nothing” energy is all spread to the place actors; wicked soul, righteous soul, and mind level living actors.

“Creature & righteous soul”

Creature is “new” and “birth” so long, creature is origin, and beginning so long, creature is momentum of micro concept world “ $-1/\infty \sim +1/\infty$ ” one unit of micro concept.

Actually righteous soul living actor live in micro concept living place

Creature is “Micro concept place unit”. Creature make forming of

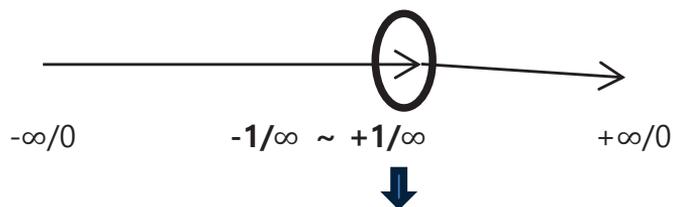

“micro concept place building” also, this is righteous soul living actor is all but also process, if an righteous soul living actor is one then, righteous soul living actor reach at the micro concept place then, the place is righteous soul living in destination place.

But righteous soul living actor feel then multiple micro concept place unit “ $-1/\infty \sim +1/\infty$ ” Righteous soul living actor in this place segregate from wicked soul living actors.

But a Righteous soul living actor feels in safe and there is not wicked soul living actor so that the righteous soul living actor remained that that place. Then the righteous soul living actor just build one of micro concept place unit “ $-1/\infty \sim +1/\infty$ ”

The other righteous soul living actor get in to micro concept place unit “ $-1/\infty \sim +1/\infty$ ” so hard lived from wicked soul living, then at now reached safe place, this is not righteous soul living in destination place.

So that, the micro concept place building unit

“Micro concept place unit”

This “micro concept place unit” is also build for much more reaching at the closing to the righteous soul living in destination place.

So long, multiple micro concepts are required to be reaching at the righteous soul living in destination place.

To be reach at the righteous soul living in destination place = $n \times$ “Micro concept place unit”

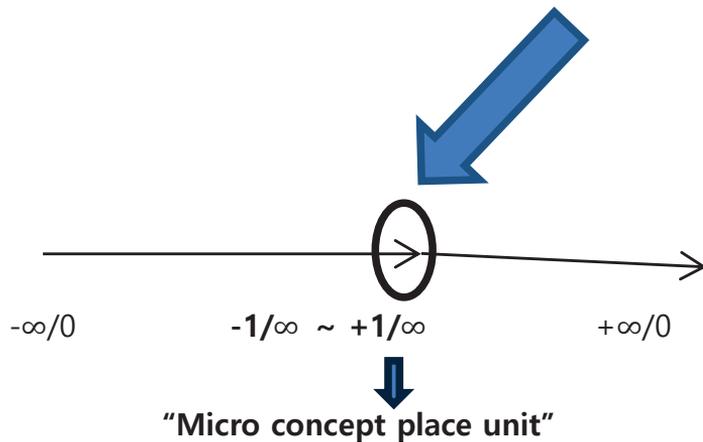

So then, this is infers that Creature is “new” and “going future”. “Micro concept place unit” is same.

So long “creature” is hearing broadcasting from “righteous soul living in destination broadcasting station”.

“Creature” = “going future” = reach at micro concept place reach “ $-1/\infty \sim +1/\infty$ ”

“Creature” = hearing broadcasting from righteous soul living in destination place broadcasting

= micro concept place unit reaching = living “Righteous soul & Nothing”

So that here is actually righteous soul living actor evolved as

“The poor & righteous soul living actor”

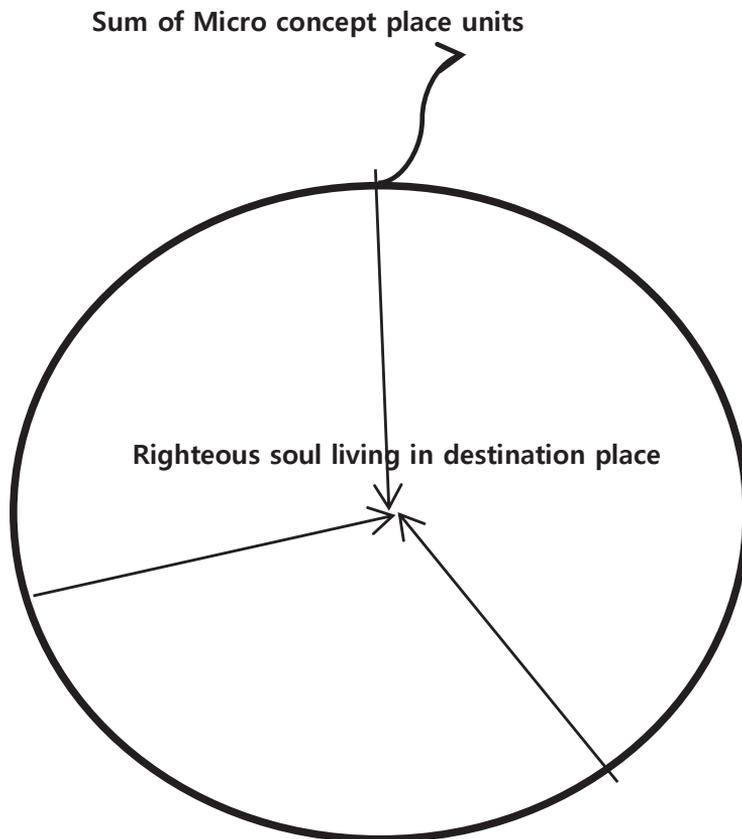

“Righteous soul & not me” at this time is not reached at the place of “micro concept place”

In the end appeared “righteous soul & nothing” perfectly free from wicked soul “revenge and break”. Truly “Righteous soul & nothing”

is nothing so that this is writing so long, so that “righteous soul & nothing” actually this is “nothing”.

The place of variable stages of righteous souls “the poor & righteous soul” “righteous soul not me” and “righteous soul & nothing” going for the “righteous soul living in destination place with create helping”.

Then it must be happened that

Righteous soul living actor is unit of “micro concept place” living actor. All of righteous soul living actor reach at the “righteous soul & nothing” then they are all living at the micro concept”- $1/\infty \sim +1/\infty$ ” place. Then it must be all is round of Sum of Micro concept place units.

they all same distance from the righteous soul living in destination place so long, righteous soul living actor hear of broadcasting from righteous soul living in destination place broadcasting center. they are all hear on the contents about “ it shared time with others, help others, and doing real love other” so that hearing of this broadcasting then, it shown to the SEEN world comes of “creature” so then this “creature of knowledge” is used running to the righteous soul living in destination place.

It means that SEEN world “creation of knowledge” increased. So that SEEN world living actor; righteous soul, wicked soul, and mind level living actor also getting better living.

in the SEEN world, living place all of living actors are mixed living so that, if righteous soul living actor just one living then the place doing “create” so that, the SEEN world living place living actor “old

knowledge” is substituted to righteous soul living actor bring from righteous soul living in destination place “Creation”.

so that SEEN world living actor progress in living, so long their living must be spread into the all of living actor such as wicked soul, righteous soul, and mind level living actors of “it shared time with others, help others and doing real love others”.

“Righteous soul & nothing” create “creation of knowledge” this is SEEN world, “creation of knowledge” must be transferred into “The poor & righteous soul” and “wicked soul to be righteous soul”.

This is must be critical to be live in as righteous soul living actors. “Righteous soul & nothing” help making learn of “creature of knowledge” how to live as righteous soul living to be growing “righteous soul & not me” or ultimate reach place of “righteous soul & nothing”.

“Righteous soul & nothing” must help others; to make leaning, so then, “righteous soul & nothing” itself is creative knowledge. “Righteous soul & nothing” is “nothing” then, the “righteous soul & nothing” is move itself eternity energy. This is move to the righteous soul living actors or to be righteous soul living actor also.

Righteous soul & Nothing”= Creature of knowledge= “nothing”= eternity energy of moving. So long, it must be righteous soul & nothing creates “create of knowledge” carry on the Energy. So long,

“Righteous soul & nothing” behavior is “it shared with others, help others, doing real love other” then creative knowledge is required.

Creative knowledge is transfer of “righteous soul & nothing” energy carry “creature of knowledge” so then learning of “righteous soul & nothing”.

Energy is so strong making all righteous soul activation of the poor & righteous soul strength and wicked soul make righteous soul, and then it must be appeared making “abnormal to normal”.

“Righteous soul & nothing” is crating “creature”, energy carry creation of knowledge” to help all of righteous soul activation of righteous soul, wicked soul”.

How to “righteous soul & nothing” getting in to strong or powerful energy “righteous soul & nothing” then it must be do righteous soul living actor behavior “it shared time with other, and help other, but also doing real love other” this is really strong energy creating to the “righteous soul & nothing”.

As being strong “righteous soul & nothing” then, it must be SEEN world, real mission carry is possible because of even strongly safe from wicked soul “revenge and break” but in the SEEN world, mission execute “bring “LOVER” back to the righteous soul living in destination place”.

Then strong “righteous soul & nothing” strong wicked soul “LOVER” making change righteous soul is somewhat better then not strong, so that “righteous soul & nothing” so diligently “it shared time with others, help other, but also doing real love other”. This is making real possible truly really living excitement in the “righteous soul living in destination place eternity”.

So long in the micro concept world, “righteous soul & nothing” living is required to be live in righteous soul living “it shared time with others, help others but also doing real love others”.

In the micro concept world “ $-1/\infty \sim +1/\infty$ ” “righteous soul & nothing” must be for itself but also for others righteous souls, it required keep hearing of broadcasting from righteous soul living in destination place”.

Then “creature” is the source of energy to go for the keep running to the “righteous soul living in destination place”.

Righteous soul living actor in the SEEN world duty is wicked soul saving to make righteous soul living, expand righteous soul living place. So then only righteous soul SUN shine is can help wicked soul use of creature of knowledge by creating “create” by hearing of righteous soul living actor hear of broadcasting from righteous soul in destination place.

Righteous soul living actor creating “create” must be shared with other of wicked soul living actor. to be then the place must be infer that the greatest actor must be live in righteously then, the actor role make free in the custody of wicked soul.

if an actors living place, SEEEN world, a strong actor do live in righteously then the place must be live righteously and using creature of knowledge, so that the place is getting develop living. but if the place, an actor role for the righteous soul living king then the actor in the SEEN world, easy living, then the strong righteous soul living actor changed into wicked soul living behavior.

so long, the place to be well living, it must be strong righteous soul living actor do live in hard and righteous soul, so long it infer that, the brilliant living actor must be responsibility to live in righteously.

In the place all of living actors are all responsibility in living well, so blessed actor must live righteous soul living. This righteous soul living actor living strong in righteous then, the strong Righteous soul SUN shine help being righteous soul living. This means that righteous soul living actor save wicked soul to be live in righteously, in the end wicked soul living actors circulation cutting.

On today righteous soul living in destination place broadcasting saying to me, that “how you are excitement because you are living saving your LOVER to be righteous soul living actor”.

On today broadcasting just one time living in the SEEN world, all used up time for the “revenge and break” how to live in excitement. This is so sorrowful living. So that Righteous soul living actor must be save wicked soul to live in righteous soul living.

Righteous soul living behavior of “it shared time with other, help other, and doing real love other”. Righteous soul living actor living is doing save wicked soul, then righteous soul living energy getting strongly increased.

Until now righteous soul living actor just mission is “LOVER” bring back to the righteous soul living in destination place, it must be “LOVER” changed into “LOVERS”. Righteous soul living actor save wicked soul to be righteous soul living.

at now to be righteous soul living region, it must be strong powerful living actor just like president, king CEO all of strong power living actor must be living in righteous soul then, the place must be living in righteous soul living.

So long all of living actor must feel duty living in righteous soul living “it shared time with other, help other, and then doing real love others”.

Chapter 2.

Righteous Soul Living Actors Creature Knowledge daily verification

2016.7.11

Topic: Righteous soul endless bring it up creature to the righteous soul living world

At last, I'm reach at "creature" "righteous soul" what shall I do in this topic book "Righteous soul living and creature" at last it will come true Righteous soul living actor being creator, this is some of creating. Righteous soul living actor excitement living.

Righteous soul living actor living in creative in excitement, this book "Righteous soul living and creating under the micro concept world " $-1/\infty \sim +1/\infty$ ".

2016.7.12

Topic: Creature

Creature is creates new. If this righteous soul & creature lead me realization and peace and feeling excitement then it must be this is “Creative”.

Creative is a kind of active volcano. Produce hard elements coming out from volcano. But Creative is producing clue and solutions.

Until then I have been said righteous soul only produce “Creative” in my creating books; micro concept, love engineering, the poor & righteous soul books and Excitement which is now almost finish in writing.

Righteous soul living actor has “doing real love” “Doing creature”.

Righteous soul living actor with “doing real love “and “doing creative” this lucky, it already I said so that if I saying then first of “Righteous soul living & Creature” get into problems. So that I’m fear of lead this book to the end.

In this book “righteous soul living and creature” must be helped from my written books knowledge then, the characters are also used in this book.

Righteous soul, wicked soul, create and Imitation these main character then supporting actors. But also creating space is macro concept world and micro concept world. But also the book writing itself creating context will create “Righteous soul living and Creature”.

Righteous soul living actor has been said in the SEEN world living “the poor & righteous soul”. But here creature of righteous soul living is going eternity in all of behavior with “righteous soul living and creature”

“Righteous soul living and Creature” explained as lava of volcano. Here is creature world is SEEN UNSEEN world time and space is stage of this book. The space was said in the micro concept, micro concept place “ $-1/\infty \sim +1/\infty$ ” this place is larva of volcano.

Righteous soul living actor reach at righteous soul living through $\text{mind}=1/\infty$, as long as $\text{mind}=1/\infty$, realized the actor in righteous soul living. At now it come perfect righteous souls living actor.

So long as righteous soul living actor keep growing as righteous soul

living behavior; it shared time with others, help other, and doing lover other” then this is SEEN world living. All of wicked soul and mind level living actor lived in the rich and all of high position, but righteous soul living actor get distance from wicked soul “revenge and break” so long the righteous soul living actor living as “the poor & righteous soul”.

Righteous soul living actor lived do not use SEEN world energy but use righteous soul living destination energy use. “Here is righteous soul living destination energy” is “creature”.

“Righteous soul living destination energy is creature” so long, creature is SEEN world righteous soul living actor energy.

“Creature defined that righteous soul living destination energy” so long, righteous soul living actor do not use in this SEEN world before world energy. Righteous soul living actor all use creative of after world energy.

After world energy is micro concept place time “ $-1/\infty \sim +1/\infty$ ” through supplied from righteous soul living destination place. that is “Creature defined that righteous soul living destination energy”.

Righteous soul living actor is connected SEEN and UNSEEN world

<Righteous soul living actor body "-1/∞~ +1/∞" channel"

So long, righteous soul living actor living is SEEN and UNSEEN world living. Righteous soul living actor creative is beginning SEEN and UNSEEN world traveling both sides.

“Righteous soul + body” is in the UNSEEN world living waiting SEEN world living with body living excitement. Here is righteous soul living actor bring from UNSEEN world through micro concept tunnel “ $-1/\infty \sim +1/\infty$ ” SEEN world righteous soul living actor realized of UNSEEN world memory.

As being “wicked soul + righteous soul + mind+ body” then righteous soul living actor survive then it comes “righteous soul +body” so then occurring of micro concept gate, tunnel “ $-1/\infty \sim +1/\infty$ ”, this through righteous soul living actor bring the knowledge which there is no before world.

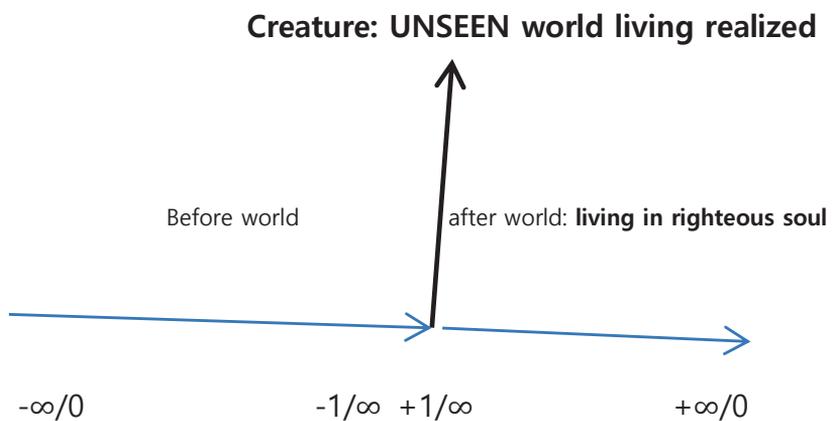

So long a righteous soul living actor get into “righteous soul living + body” moment, the righteous soul living first new creative is comes “SEEN world righteous soul living actor realized how before world of UNSEEN world righteous soul living actor did”

Righteous soul living actor at last knows “in this living the beautiful scene is righteous soul living actor awaited to excite living with body” so then, righteous soul living actor living must be excitement.

But also, righteous soul living actor final destination place is SEEN world, in this SEEN world living how excitement it is, this knowledge bring from righteous soul living destination place.

This “righteous soul + body” then righteous soul living actor knew newly, this living is righteous soul living actor ultimate excitement living.

At now

Righteous soul create righteous soul living actor's UNSEEN world "it has dreamed to live with body in the SEEN world live excitement". so long as righteous soul living actor meet body, then the righteous soul living actor feeling excitement but also, ignorance living seen mind level actor see the nature living was before world. Before world is prisoning time, so then as righteous soul living is after world so long, the righteous soul living actor new living, because of righteous soul living actor real excitement with green color nature of trees seen in excitement.

This is Righteous soul living actor travel through micro concept gate " $-1/\infty \sim +1/\infty$ " righteous soul living actor can use time really saving, this living is so feel excitement.

Topic: Righteous soul and creative

In this book "Righteous soul living actor and creature" Righteous soul living actor defined as "Righteous soul living body". Righteous soul living actor lives in "doing real love others and doing creature". Here is "creature" is righteous soul living actor living in the SEEN world, so long righteous soul living actor problems solving by helped from righteous soul living destination place righteous souls.

“Righteous soul living actor creating “righteous soul living actor itself so excitement with seeing SEEN world feels as righteous soul.

Righteous soul living actor feel in problems, then righteous soul helped from righteous soul living problems solved then it helped through micro concept tunnel “ $-1/\infty \sim +1/\infty$ ” new solution getting from righteous soul living.

As beginning of this book “Righteous soul living actor and creature” I got a creative feeling.

Until now I wrote “micro concept” “love engineering” “The poor & righteous soul” but also now trying to book making scripture of “excitement”, all understanding of SEN world to UNSEEN world.

But in this book, it created righteous soul living actor feeling of UNSEEN world righteous soul living time waiting traveling to the SEEN world. Righteous soul dreamed to meet body. Righteous soul got imagination “body with righteous soul touch nature’s beings and feeling beautiful scenery of green colors and others colors”.

This is righteous soul living actor did not knowing true comes to newly realized to the righteous soul living actor this is real of “righteous soul living actor creature”.

Righteous soul living actor dreamed and believed to live with body, and then it must be really excitement.

In the SEEN world birth as righteous soul living is from the actor structure “wicked soul, righteous soul, mind and body” then all overcoming of mind= $1/\infty$, and living “the poor & righteous soul” and doing righteous soul living “it shared time with others, help others and doing real love others”. The righteous soul reaches at righteous soul living truly until now righteous soul living actor so busy living of living with wicked soul, mind level actors.

Righteous soul living actor reaches at the righteous soul living so long at last Righteous soul living actor comes true of UNSEEN world righteous soul living actor dream “ in the SEEN world righteous soul meet body and live in excitement”.

Righteous soul living actor travel to the righteous soul living destination place, during righteous soul living actor traveling righteous soul living actor need to problems solving.

But also righteous soul living actor does live in “creative living”. Righteous soul living actor keep in mind= $1/\infty$.

Righteous soul living actor lives in this SEEN world. Creature is

blessed from righteous soul living destination place because of this SEEN world righteous soul living actor must be live, righteous soul living actor so hard in the SEEN world, so that righteous soul living actor necessary Righteous soul living actor living place “righteous soul living actor safe living structural system building”.

Righteous soul living actor SEEN world living well, must be build same of UNSEEN world Righteous soul living destination place system and structure. This is required from the righteous soul living destination place “system and structures” to the SEEN world, this is righteous soul living actor’s mission for the purpose of after coming righteous soul living actor’s safe living as righteous soul living actor.

Righteous soul living actor feel safe is survive with wicked soul and mind level actors who are using “revenge and break power of easy living” and mind level actor “getting much more than others”.

Righteous soul living actor of body, it surly do live with create because of wicked soul and mind level actor do not new system and structure and new idea producing.

How to live righteous soul living actor keeps in creating, it must be righteous soul living actor going deeper to live “creature living.

2016.7.26

Topic: righteous soul living actor remember clearly UNSEEN world living

Righteous soul living actor living in knowledge of creature, but wicked soul and mind level living actor living in ignorance, so that righteous soul living actor can live with creature only.

Righteous soul living actor lived in the righteous soul living destination place. Righteous soul living destination living place are all of actors are living with creature. Their living is wisdom and knowledge and creature living.

The place is one of righteous soul living actor excitement of creating knowledge. The righteous soul living destination place is only righteous soul living destination place.

So that the place all of living actor knowledge is reached at perfection. So that they all living itself creating a new knowledge. Truly righteous soul living actor living in the righteous soul living destination place living is “it shared time with others, help others and doing real love others”.

All of living actors are living in all of perfection in the knowledge and manners here is helping must be new living then much more than others giving hint to the after living righteous soul, so then the after living actor also get perfect knowledge.

The righteous soul living destination place, an actor living is still living of “ $-1/\infty \sim =1/\infty$ ” micro concept world, point. So long the righteous soul living place is center of cosmos, so that the knowledge is spread from the center of cosmos.

Righteous soul living destination place living actor usual living itself produce all of living creature. So that, righteous soul living is doing perfection.

The righteous soul living actor imagine that in this righteous soul living is so excitement, please my lover also live with this excitement, I will carry my lover to this righteous soul living destination place.

Righteous soul living actor traveling in the SEEN world do mission of “the actor try to carry lover to the righteous soul living destination place”.

But in the SEEN world living is consist of wicked soul living actor, mind level actor, and righteous soul living actor. The SEEN world

living of righteous soul living so hard with these wicked soul living actors, so that Righteous soul living actor living as “the poor and righteous soul living”.

The poor and righteous soul living actor so hard to living, the poor living SEEN world hurry to support to body living, so that righteous soul living actor still do not remembered of UNSEEN world righteous soul living place creating and perfection living.

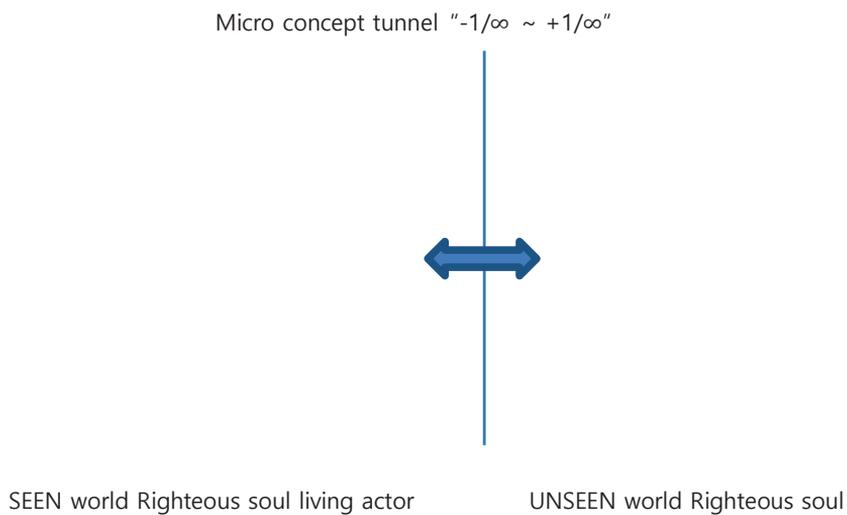

The poor & righteous soul living actor living sustainment of blurred creature of UNSEEN world righteous soul living. As righteous soul living actor developed; SEEN world living actor structures “Wicked soul + righteous soul + mind+ body”.

As $\text{mind} = 1/\infty$, then “wicked soul + righteous soul + body” then, Righteous soul living actor blurred creature in the UNSEEN world righteous soul living destination place. Righteous soul living actor realized and remembered of UNSEEN world righteous soul living destination doing real love others. This is already accustomed to living with “doing real love”.

As $\text{mind} = 1/\infty$, righteous soul living actor do create, righteous soul living actor can live “it shared time with others, help others and doing real love others”. Righteous soul living actor same living UNSEEN world living, but SEEN world lived also wicked soul living.

Righteous soul living actor living with do not reach at the mind= $1/\infty$, so long here is structure is mixed with “wicked soul+ righteous soul + mind + body”.

But as mind= $1/\infty$, righteous soul living actor already living with UNSEEN world righteous soul living through micro concept tunnel “ $-1/\infty \sim +1/\infty$ ”.

SEEN world righteous soul living is living with SEEN and UNSEEN world righteous soul living actors through “Micro concept tunnel “ $-1/\infty \sim +1/\infty$ ”” this means that righteous soul living actor living “it

shared time with others, help others and doing real love others”. So long UNSEEN world all of living actor is perfection living.

Righteous soul living actor live SEEN and UNSEEN world, so that SEEN world righteous soul living actor bring UNSEEN world knowledge, this is SEEN world saying creature.

Righteous soul living actor of UNSEEN world living actor do not have body, so that righteous soul living actor it may be shared time with SEEN world body righteous soul living, so that UNSEEN world righteous soul living feeling body in excitement.

In the SEEN world, righteous soul living actor feel in excitement of SEEN world beautiful scenery.

Righteous soul living actor of UNSEEN world living actor really excitement, but not perfection living in the SEEN world, so that UNSEEN world living soul can help the poor & righteous soul living in the SEEN world, SEEN world imperfection to be progressive.

SEEN world righteous soul living actor get knowledge from the gate of micro concept “ $=1/\infty \sim +1/\infty$ ”. Righteous soul living actor create getting better SEEN world living.

Righteous soul living is even in the SEEN world, also, helping UNSEEN world righteous soul living actor, so that SEEN world righteous soul living actor knowledge is strong. So that righteous soul living actor and wicked soul and mind level actors are differ.

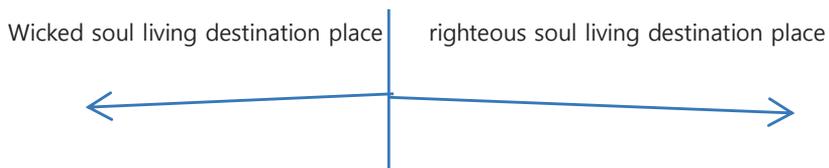

Righteous soul living actor is creature knowledge is strong, but wicked soul living actor live only wicked living without creating knowledge. Mind level actor is mind is full so that $\text{mind} = \infty$, then mind level actor do not feel righteous soul or wicked soul also, so that $\text{mind} = \infty$ is only to live in rich, this is living purpose.

Mind level actor do not know soul living, only depend on $\text{mind} = \infty$, then mind level actor do not live with creature living.

Creature living actor is righteous soul living all is creature, righteous decide also, here is creature is getting better living, progress is all is creative from righteous soul living. But break and deteriorate and going back is wicked soul living actor behavior.

Righteous soul living actor doing creative is going progress to the righteous soul living destination place, but wicked soul living actor living is going back.

Righteous soul living actor is knowledge living of creature living, but wicked soul living is ignorance of going back living. Then it must be infer that righteous soul living actor is progress of creative progress, but wicked soul living is do not creative living and going back.

In the SEEN world living, righteous soul living destination place going is SEEN world living is getting better, but wicked soul living behavior is go back, then SEEN world is getting deteriorate.

It infer that righteous soul living actor creature of progress perfection, but wicked soul living actor going back and break to the still multiple problems existed SEEN world.

Righteous soul living actor and creature is so clear, so that in this book “Righteous soul, creature of knowledge” it can be brining from

righteous soul living destination place, creative knowledge.

My living is righteous soul then, this book must be complete, so I will live in righteous soul living.

Topic: The poor & righteous soul living in excitement creating

In this book “Righteous soul living actor and creature” Righteous soul and creature is key word.

It must be this book is leaded by actor of righteous soul, and the actor realized and knowledge increased and creating living.

“The poor & righteous soul” living in the SEEN world, just seen by the wicked soul, and mind level actor just recognized as the poor only, then the poor living excitement must be not.

But “The poor & righteous soul living actor” lives in excitement. The

righteous soul living actor has strong power, it is “doing real love” and “forgiveness” this is still defense wicked soul invader of righteous soul living actor. Righteous soul living actor has strong knowledge and creature power so that the righteous soul living actor creating to survive in the SEEN world.

Righteous soul living actor survive in the SEEN world, this is kind of creating of the knowledge.

This is one of “the poor & righteous soul living”, righteous soul living actor live variance of wicked soul and mind level actors. Here is occurred of behavior with them then it produce of pollutants such as righteous soul living place wicked soul living pollutants are polluted. Then righteous soul living area peace state must be breaking.

So that “the poor & righteous soul” survives from wicked soul, it creates to peace keeping in righteous soul living place. The creating solution is “doing real love and perfect forgive” then all of peace breaking energy diluted and getting rid of wicked soul in the righteous soul living place.

Righteous soul living actor surviving solution is

Attacking wicked soul by wicked behavior then righteous soul living actor feel in anger, but do not anger because if anger then wicked soul invader to righteous soul living actor.

So that attacking wicked soul living actor invader, righteous soul living actor use “doing real love” and finally “doing perfect forgive with righteous soul living actor helping”

Then righteous soul living actor feel peace, forgive wicked soul and mind level actor flee from righteous soul living place, the wicked soul and mind level actor law court of cosmos, so that righteous soul living actor place returning peace.

Righteous soul living actor place basic condition is “mind=1/∞” then righteous soul living actor living condition is built. If mind is going restore of∞, then righteous soul living actor naturally disappeared righteous soul of micro concept place “-1/∞ ~ +1/∞”.

“The poor & righteous soul living actor” living excitement in the SEEN world is “creating of the knowledge” this power is so string, because of righteous soul living actor free from the all of wicked soul and mind level deceit and lie.

“The poor & righteous soul living actor” feel excitement of creating and increasing knowledge from righteous soul living destination place “-1/∞ ~ +1/∞”.

“the poor & righteous soul living actor” in the SEEN world, the righteous soul living actor discriminate righteous soul living actor recognition then the knowledge is right, but if righteous soul living actor do not recognized then all of SEEN world knowledge is from wicked soul and mind level living actor deceit and lie.

“the poor & righteous soul living actor” strong knowledge and creature so that righteous soul living actor can discriminate mixed righteous soul living actor knowledge and wicked soul, mind level deceit and lie.

So that “the poor & righteous soul” expands do creating by righteous soul living actor. So that righteous soul living actor feels in excitement by recognition of righteous soul living actor knowledge creating.

“the poor & righteous soul living actor” can know that if the place do not recognition of righteous soul then, the place living actors are majority wicked soul, mind level actor only, so that “the poor & righteous soul living” actor living is so hard.

In this book “Righteous soul living actor and creature” righteous soul living actor living safe, righteous soul living actor create knowledge in the SEEN world. Righteous soul living actor does live excitement by creating knowledge.

Righteous soul living live between SEEN world and UNSEEN world, so that righteous soul living actor do live in peace, coming problems all be recognized and do solve the problems so that, this is cause of decide how to do, and then it decision matter also creating exodus.

Righteous soul living actor living decided in the micro concept point “ $-1/\infty \sim +1/\infty$ ” this is time scale, righteous soul living governing time of righteous soul living actor decide of righteous soul living actor living well. If righteous soul living actor decide under the “ $-1/\infty \sim +1/\infty$ ” then righteous soul living actor creating is micro concept.

So long multiple righteous soul living decide based on “it shared time with others, help others and doing real love others”. Righteous soul living actor mission “righteous soul bring lover back to the righteous soul living destination place”

Righteous soul living actor has exclusive power “doing real love, forgive, create”, then righteous soul living actor can live but strong wicked soul then it is not safe.

So long righteous soul living actor lives in excitement in creature. Is another micro concept “ $-1/\infty \sim +1/\infty$ ” micro concept is please read book of “micro concept”. This is righteous soul living actor SEEN and UNSEEN traveling gate and tunnel.

Righteous soul living actor doing oneself is “doing real love, forgive, creature” so then, this is righteous soul living survive. This is righteous soul living actor exclusive excitement.

Righteous soul living actor live with creating, this is real excitement living way. Here is righteous soul living actor creating new living frame then SEEN world “the rich & righteous soul” this actor must be safe returning to “the poor & righteous soul”.

Righteous soul living actor create and this create get producing asset, but righteous soul living actor not gain of asset but creating and solution of problems. Even if righteous soul living actor big asset, the rich asset righteous soul living actor, do righteous soul living behavior “it shared time with others, help others and doing real love” then naturally safe living righteous soul living.

So that righteous soul living actor also gets rich, but this is not same as wicked soul getting rich, because righteous soul living actor doing create, then before creating there was not existed, so that creating righteous soul living actor do righteous soul living “it shared time with others, help others and doing real love others”.

Righteous soul living actor only does creating. Because $\text{mind}=1/\infty$,

righteous soul living actor get strong creating knowledge.

Strong creating knowledge helped from UNSEEN world righteous soul living destination place perfect righteous soul living actor do righteous soul living “it shared time with others, help others and doing real love others” so that SEEN world righteous soul living actor meet in the micro concept point “ $-1/\infty \sim +1/\infty$ ” in a glance righteous soul living actor travel to meet UNSEEN world righteous soul living actor who supplied creature of knowledge.

2016.7.29

Topic: Righteous soul living actor +body creating in living excitement

In this book “Righteous soul living actor and creature”, it must be righteous soul living actor is main character, in the SEEN world righteous soul living actor lived in the Body, so that “righteous soul living + body” then body is it must be infer that righteous soul living destination place, so long in the SEEN world righteous soul living actor recognized with micro concept point “ $-1/\infty \sim +1/\infty$ ” so long it must be body condition is like UNSEEN world righteous soul living destination place.

Righteous soul living actor must be live in the SEEN world, “the poor & righteous soul living and body” in the poor living actor how to body managed as the UNSEEN world righteous soul living destination place. it must be infer that righteous soul living place in the SEEN world, it required to be healthy living. Here is righteous soul living actor has creature knowledge so long; the body must be keep healthy.

“Righteous soul living actor + body” feeling excitement is huge, this is real excitement, so long righteous soul living actor does creating. In the SEEN world righteous soul living actor remembered in the UNSEEN world “Righteous soul living destination place living”.

Before coming to the SEEN world the righteous soul living actor imagine and expected “ if I get body then I will do live in excitement and fully living of righteous soul living; “it shared time with others, help others, and doing real love others”.

Righteous soul living actor in the SEEN world, progress development; “ wicked soul, righteous soul, mind and body” so long, as aged in the SEEN world $\text{mind}=1/\infty$, and doing real love to the wicked soul make mutant to the righteous soul, so long strong righteous soul living actor appeared to now. As this process it come strong righteous soul living actor.

Strong righteous soul living actor exclusively get body, so that pure righteous soul living +body,

This righteous soul living body feels in excitement of even live in the

body, but feeling is pure of strong righteous soul living actor.

Strong righteous soul living actor does excitement of creating. The strong righteous soul living actor live in SEEN and UNSEE world through micro concept gate “ $-1/\infty \sim +1/\infty$ ”.

Strong righteous soul living actor still SEEN world living mission is that “find lover making righteous soul living, then bring lover to the righteous soul living destination place”. here is strong righteous soul living actor will get creature knowledge from righteous soul living destination place.

Strong righteous soul living actor living energy is eternity from righteous soul living destination place, so that strong righteous soul living actor seen world showing to the wicked soul and mind level actors by “the poor” the righteous soul the poor is “the poor & righteous soul”, in the SEEN world the poor is useless because of righteous soul living actor living energy is from righteous soul living destination place.

Eternity energy of righteous soul living actor with body does creating knowledge creating in the SEEN world. At now righteous soul living

actor feel in excitement because righteous soul living destination place expect to get body to live in excitement. So then SEEN world righteous soul living actor doing is really excitement.

How to survive righteous soul living and safe returning righteous soul living destination place, this living possible, and safe returning back to the righteous soul living destination place's problem solution is creative excitement in the SEEN world.

Strong righteous soul living actor do create to help now progress to be strong righteous soul living actor being, so long, strong righteous soul living actor do creating is essential living.

Strong righteous soul living actor now righteous soul feels, the righteous soul live in excitement every second also. This is start this book "Righteous soul living actor and creature"

In this book feeling and recognition of "righteous soul + body", before explained that body is righteous soul living destination place, so that "righteous soul living actor" feeling in the same of righteous soul living destination place recognition.

Righteous soul living actor doing "it shared time with other, help other, and doing real love others"

Keep creating and produce righteous soul living energy, eternity living. Strong righteous soul living actor do live righteous soul, this is eternity righteous soul living energy producing required.

It must be this book “Righteous soul living actor and creature” go for this way. I’m writing every days go deep recognition then it to be writing of “righteous soul living actor and creature”.

The strong righteous soul living actor how to help new creature knowledge is not knows but it will go righteous soul living actor and creature.

2016.8.01

Topic: Eternity Righteous soul and creature knowledge

In this book “Righteous soul living actor and creature”. Righteous soul living actor in the SEEN world deciding living every moment $1/\infty$, breath and decision is same in time $1/\infty$. Righteous soul decision is creative decide. But wicked soul also decides within $1/\infty$, wicked

soul decision is not creature but produce of seed of wicked behavior; deceit making hard other, doing revenge before attacked me, and break all, so that wicked soul breath and decide is not creating.

Wicked soul always tries to give revenge information in the wicked soul breath and decide. Wicked soul revenge of wrongdoer, if someone made damaged then wicked soul push doing revenge others even long time forgotten accidents.

Righteous soul live in a same body, so wicked soul try to allure revenge then if do revenge then righteous soul living actor must be in the dangerous. So that righteous soul living actor does defense of wicked soul revenge other.

Righteous soul living actor do create of knowledge wicked soul damage behavior defending knowledge. Righteous soul living actor exclusively does “real love, forgiveness and creative”.

Wicked soul living actor seeing wicked behavior. Wicked soul keep revenge Wicked soul living seed, so that the seed of wicked soul behavior will become revenge and break.

Righteous soul living actor use “real love, forgive and creating” how to use, Righteous soul living actor living with wicked soul then it must be

Righteous soul living	Defense	Wicked soul living
Bring lover to the righteous soul Living destination place	Doing real love Forgive Creature of knowledge	Revenge and break enemies

Righteous soul living actor must be live with wicked soul, so long, before wicked soul to be mutant to righteous soul living, and then righteous soul living actor must be faced with wicked soul.

Righteous soul living actor mission “Bring lover to the righteous soul Living destination place”,

Righteous soul living actor dreamed that if righteous soul living actor meets body, then meet lover then make lover righteous soul and bring to the righteous soul living destination place.

But righteous soul living actor is going with wicked soul living actors. So that righteous soul living actor. Righteous soul keep forgive wicked soul producing wicked seed. Righteous soul living actor only do doing real love others, and forgive and creative knowledge but wicked do not do doing real love others, and forgive and creative

knowledge.

So that righteous soul living if sleep then, slightly invader into righteous soul living place. So then righteous soul living actor losing peace, righteous soul living actor gradually righteous pure is decreased. If still do know recognized then righteous soul living actor must be all occupied by the wicked soul.

Then righteous soul living actor must be disappeared, it is righteous soul living risk, so why righteous soul living actor hard to returning to the safe returning to the righteous soul living destination place.

Righteous soul living actor actually within in the same body, the righteous soul living actor survive with doing “real love other, forgive, creative of knowledge”. Righteous soul living actor also to survive in the SEEN world, the righteous soul living actor live “The poor & righteous soul living actor”, because of wicked soul try to be “easy living”. The poor living is not easy living, so that righteous soul living actor required “creative of knowledge” to live with righteous soul living destination energy using.

In the UNSEEN world, the righteous soul living actor creative knowledge comes, how to defense of wicked soul seed erase in the righteous soul living place, that is “Forgive”, righteous soul all forgive “actor, matter, status, circumstance animal also all of related things” then in the righteous soul living actor say “I’m forgive this thing” as righteous soul living actor forgive, then the thing are all

disappeared from the righteous soul living actor.

As doing righteous soul living actor forgive all of things then, just try to revenge and break of wicked soul seed is disappearing so that righteous soul living actor still safe and strong righteous soul living actor doing real love wicked soul, so long wicked soul wicked power getting decreased.

If wicked soul living actor get in to $1/\infty$ then, righteous soul living actor make mutant the wicked soul to the righteous soul living actor. Then strong righteous soul living actor get much more than before, after wicked soul mutant the strong righteous soul being perfect strong righteous soul living created to eternity righteous soul living actor.

In the SEEN world eternity righteous soul then, the righteous soul living actor is free from the wicked soul living in the SEEN world. The string eternity righteous soul living actor doing righteous mission “bring lover to the righteous soul living destination place”, Righteous soul living actor keeps creating knowledge.

Eternity righteous soul living actor travel through micro concept tunnel “ $-1/\infty \sim +1/\infty$ ” Righteous soul living actor get a new creation knowledge from the righteous soul living destination place. So called strong righteous soul living actor creating in a moment $1/\infty$.

Righteous souls living usage energy and creature knowledge is “doing real love, forgive, creature of knowledge” Righteous soul living actor survive with wicked soul using doing real love and forgive survive and run, then here is running is required creature of knowledge.

Here is book of “Righteous soul living actor and creature” is defined of righteous soul living actor running with creature of knowledge.

Righteous soul living actor appeared up after mind is $1/\infty$

Righteous soul living actor runs for the righteous soul living destination place

Righteous soul living running energy = $\sum_{n=1}^{\infty} creatives \times n$
= Creatives

Righteous soul + body= righteous soul living actor run for righteous soul living destination place

So long, Righteous soul living actor \times creative = Creatural righteous soul.

The way of righteous soul living is ∞ dots = $\sum_{n=1}^{\infty} \text{creatives} \times n$
= Creatives, so that Righteous soul living actor moment decide is all creature of righteous.

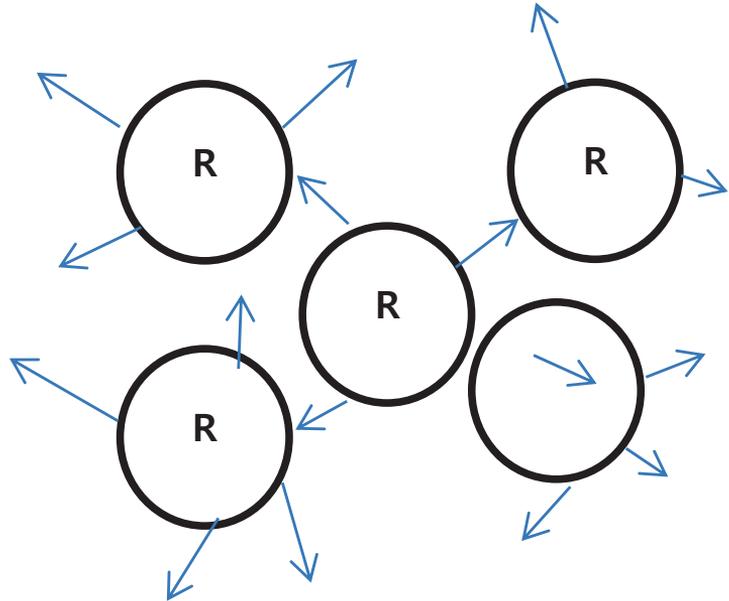

Righteous soul living actor try to solve all of living on righteous soul living. It never produces of righteous soul living solving. So that righteous soul helps the SEEN world creature of solutions.

Righteous soul living actor breath and decision is keep solving righteous soul living problems solving.

Righteous soul living way is structural frame of creature of knowledge.

What is a creature of knowledge, truly righteous soul living actor creature and building all of frame in living righteous soul living in the SEEN in living.

In the SEEN world, an actor is doing righteous soul living behavior; it shared time with others and help others but also doing real love other” then

< A Righteous soul living actor behavior effect >

In this book “Righteous soul living actor and creature” key world is creature

In the SEEN world, if righteous soul living actor solved of soul room “wicked soul, righteous soul +body” then, righteous soul living actor do real love wicked soul, so that wicked soul getting mutant to righteous soul. Then strong righteous soul living actor created new birth in the SEEN world. The new strong righteous soul living actor is R, the R do righteous soul living behavior; it shared time with others, help others and doing real love others” then the place is changed into bright living place. This is creature, because of before do not know that, even know that at that time was living with

righteous soul living. Some place does not know because of righteous soul living actor is disappeared from their place.

Here are creatures of righteous soul living actor and creature is

If a righteous soul living actor appeared “here is righteous soul living actor by doing real love wicked soul getting mutant into righteous soul being” then

Righteous soul living actor increased = strong Righteous soul actor $\times \sum_{n=1}^{n=\infty} Rn$ = righteous soul living actors are $\sum_{n=1}^{n=\infty} Rn$. Here is R =righteous soul living actor

Righteous soul living numbers of creatures are also

Original strong righteous soul living creatures is creature $\times \sum_{n=1}^{\infty} creatures_n$ = endless creature

So long these networking connecting righteous souls living actor creature are also same.

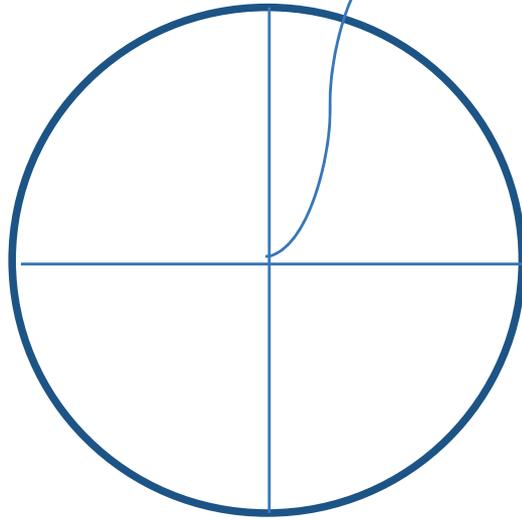

If one of strong righteous soul living actor live in one place, then the place righteous soul living actor spread like this, because of strong righteous soul living actor behavior is “it shared time with others, help others and doing real love other” so long, righteous soul living around actor then, also be live in a way of righteous soul living.

The place must be changed in to righteous soul living place; all of living actors are live with excitement. This is way of righteous soul living actor safe living in this wicked soul living mixed place.

Truly righteous soul living actor lives in “the poor & righteous soul living” safe living from wicked soul living actors in the SEEN world.

Righteous soul living place is naturally all of righteous soul living actor living between SEEN world and UNSEEN world through micro concept tunnel “ $-1/\infty \sim +1/\infty$ ” righteous soul living actor travel into the micro concept tunnel.

Micro concept point $-1/\infty \sim +1/\infty$

Micro concept is derived from book of micro concept (seong ju Choi) if want to know then please read the book of “micro concept”.

Righteous soul living actor living is in the micro concept world so long, SEEN and UNSEEN world.

So long, righteous soul living actor gets creative and knowledge from UNSEEN world righteous soul living destination righteous soul living actors.

Topic: Righteous soul living creature of knowledge

In this book “Righteous soul living actor and creature” Righteous soul living actor lives in the SEEN world. Righteous soul living actor behavior is “it shared time with others, help others and doing real love others”. Here is what is creature knowledge is righteous soul living defined in righteous soul living.

In this book “Righteous soul living actor and creature” Righteous soul living actor mission is “ bring lover to the righteous soul living destination place”. Then righteous soul living actor in the SEEN world family living is good case story.

So long righteous soul living actor meet lover then get marriage in the SEEN world. This is simple of righteous soul living, because this is beginning of helping lover to be live in righteous soul living. Because of righteous soul living destination place only righteous soul living actor only enter the righteous soul living destination place.

Righteous soul living actor meet Lover, then righteous soul living actor knew righteous soul living behavior but Lover does not know righteous soul living behavior.

Righteous soul living actor faced problems living with the lover. Because of lover is not righteous soul living actor. It is very urgent to the righteous soul living actor.

Please this is infer that righteous soul is man, husband then

Righteous soul living actor behavior is “it shared time with lover, help lover and doing real love lover” this is righteous soul living actor general living in the SEEN world. But Lover who is not in righteous soul living actor do not know righteous soul living so that lover to

know give the creative knowledge.

Lover will be known by the righteous soul living actor creating knowledge about lover how to live in righteous soul living actor world behavior.

Lover main righteous soul living is doing real love the righteous soul living actor of pair. This is real important to live on as righteous soul living behavior.

The pair is one of husband wife living with one of micro concept point “ $-1/\infty \sim +1/\infty$ ”. So long righteous soul living actor will solve through micro concept gate “ $-1/\infty \sim +1/\infty$ ”. Righteous soul living actor pair is one. So long righteous soul living actor behavior of each lover is main working is “doing real love each other” then this will be created righteous soul living energy. Because of this is must be role of the stakeholder role, one is positive the other is negative harmonies make one. So long the righteous soul living actor world Lover doing real love is first behavior then creative “blessed energy”.

Righteous soul living actor behavior is “it shared time with others, help other, and doing real love other” this is blessed energy creating source. So that righteous soul living actor meet Lover who is not now living in righteous soul living. Then righteous soul living actor does “doing real love lover”. This is real principle of righteous soul living

because righteous soul living actor travel in the SEEN world of so dangerous if doing mistake then it never coming back to the righteous soul living destination place.

In the SEEN world Lover who is not living in righteous soul living actor is in the level of mind level and wicked level then it must be do not know righteous soul living behavior

If lover is now living wicked soul then, the Lover seek in “easy living”. But if Lover is now living in “mind level living” then the lover seek in “getting much more than others”.

In the SEEN world, Righteous soul living actor marriage with Lover lives in the family. Family is needed to micro concept point so long family micro concept point is head of family actor “ $-1/\infty \sim +1/\infty$ ” so long the head of family do realize doing righteous soul living.

Here is righteous soul living head of family behavior is “the head of family shared time with family and help family and doing real love family”. This is righteous soul living behavior. Then the family living actor being increased “righteous soul living blessing energy”.

If lover still strong live in wicked soul living it must be live in “easy living” then the lover do not live with husband and wife relationship

it is so important to the righteous soul living this is origin of work is “doing real love husband and wife”, but wicked soul living actor doing false love, the lover behavior is based on instinct power.

Wicked soul living actor of lover false love righteous soul as the follow of instinct power. Wicked soul lover do not behavior of “micro concept point of husband and wife” but still lover keep argue between husband and wife micro concept point “ $-1/\infty \sim +1/\infty$ “righteous soul UNSEEN world righteous soul living managed” but wicked soul lover still “personal micro concept point managed living” for the purpose of “easy living”

The Love is excitement of instinct living but righteous soul living between husband and wife.

This living is required to be righteous soul living behavior “wicked soul living actor lover shared time with Righteous soul living in husband and wicked soul living Lover help righteous soul living actor husband and wicked soul living Lover doing real love righteous soul living actor husband” is not easy. So long wicked soul living actor of Lover hard to live in righteous soul living.

But wicked soul lover try to false love then it never it increased “righteous soul living energy” so long, wicked soul Lover do not love in doing real love. So that righteous soul living actor live in “the poor & righteous soul living” but still wicked soul living actor still keep

argue of “to be rich and easy living” so that, it must be lover know that righteous soul living creative in knowledge.

Topic: Righteous soul living actor runs with creature of knowledge

In this book “Righteous soul living actor and creature” main contents are righteous soul living actor getting depth reach at ultimate safe coming back to the righteous soul living in destination place.

Righteous soul living actor getting run to go deeper place, it requires realization with creature of knowledge.

To be safe coming back to the righteous soul living destination place, righteous soul living actor will create problem and solving because of reaching in a micro concept point then that is reach at but moment that is beginning. So long micro concept point “ $-1/\infty \sim +1/\infty$ ” is the place of micro concept actor living so long here is micro concept actor is “righteous soul living actor” so that righteous soul living actor keep running to the righteous soul living destination place.

During this voyage then all of living is problem solving and new problems created and also solving this is keep going.

During in the SEEN world righteous soul living actor running for the righteous soul living destination place, so long with living and going with problems then these problems all solved from helping righteous soul living actor behavior of UNSEEN world through micro concept gate “ $-1/\infty \sim +1/\infty$ ” so long SEEN world righteous soul living actor create solution of problems.

Righteous soul living actor living for running for the righteous soul living destination that righteous soul living actor use all of know ledge in the micro concept world so called space is “ $-1/\infty \sim +1/\infty$ ”

time of micro concept point is same “ $-1/\infty \sim +1/\infty$ ” so long righteous soul of micro concept actor live in the end of past to begging of future is “micro concept space and time” so long, righteous soul living actor use creating knowledge use in the living micro concept place and time.

So long righteous soul living actor every micro concept world just living for running righteous soul living destination place, it must be infer that problems from wicked soul who is “revenge and break” the situations. So long righteous soul living actor must be defense and solving not to “revenge and break”.

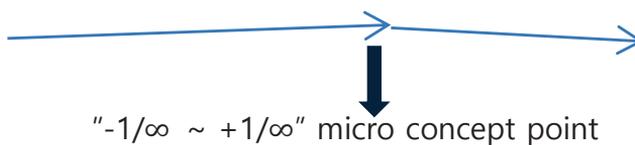

So that there is living in righteous soul living actor then the place and time is solving the problems then the place righteous soul living actor is going for the righteous soul living destination place.

If not there is no righteous soul living actor a place then the place wicked soul produce problems are not to be solved then, it directly wicked soul and mind level living actor do not solve the problems so long, they will live in the past prisoning.

So long if do not solve the faced problems then the actor must be block going further, some of wicked soul and mind level actor living is do not run anymore but their living is going around within in the same place “ $-\frac{\infty}{0} \sim -1/\infty$ ” this is wicked soul and mind level living actor problems solutions.

In the living SEEN world living but wicked soul and mind level living actor live in within past to past end “ $-\infty/0 \sim -1/\infty$ ”. The wicked soul and mind level living actor live in past old past young living time and space.

Righteous soul living actor live in the micro concept world “ $-1/\infty \sim +1/\infty$ ” so long Righteous soul living actor run to the righteous soul living destination place.

This micro concept point is $= \sum_{n=1}^{n=\infty} \text{micro cocnept point} \times n = \text{micro concept}\infty$, so long righteous soul living actor lives in micro concept world.

Micro concept world living with creature then, righteous soul living decision all is micro concept point, gate meet future living actor of

UNSEEN world righteous soul living actor, truly in the UNSEEN world living actor living in eternity.

Righteous soul living actor living actor helped solving problem by helping from righteous soul living destination place others righteous soul living actor.

Righteous soul living actor is within in righteous soul living actor living running for the righteous soul living, so that righteous soul living actor will be excitement with new real righteous soul living actor real knowledge getting.

The righteous soul living actor feel in excitement, just righteous soul living actor live in micro concept world, so that the place is direct to line righteous soul living actor's helping solving problems in the SEEN world. So that micro concept world righteous soul living actor creates solutions.

Topic: Righteous soul living actor problem occurring

In this book “Righteous soul living actor and creature” problems occurring to the righteous soul living actor must be infer that righteous soul living actor safe coming back to the righteous soul living destination place living then if righteous soul living actor do not harmony with others righteous soul living actors then it must be out of righteous soul living. Righteous soul living actor problems are all to be possible live in the Righteous soul living in destination place.

In the SEEN world Righteous soul living actor survive with wicked soul, the righteous soul living actor live in “the poor & righteous soul living” in the SEEN world the poor living is so hard, so that wicked soul living actor and mind level actor abhor to be “the poor”. So then the righteous soul living actor live as “the poor & righteous soul living”.

Righteous soul living actor must be reach at the righteous soul living destination place, then the actor survive from wicked soul this is urgent problems but survived righteous soul living actor must be progress and development while running to the righteous soul living destination, the way is so hard all of problems, so long the problems solving also from the righteous soul living destination actor helping.

Righteous soul living actor problems solving are automatically keep progressive in development so that the righteous soul living actor reach at safe returning to the righteous soul living actor then the actor

so round or nothing righteous soul living actor.

The problem to the righteous soul living actor is course progress is from righteous soul living actor helping problems. This is already prepared to the righteous soul living actor living in the SEEN world. So long Righteous soul living actor living must be natural of problems facing.

This problem is so excitement problems because of as solving this problems then it progressive and development.

But strange the other types of problems, this is must be invader problems from the wicked soul living actor related and mind level living actor related problems. This problem is not related with righteous soul living progressive and development but the problems revenge and break righteous soul living actor.

The problems of wicked soul and mind level actor try to break righteous soul living so then if the problems related with wicked soul and mind level then the righteous soul living actor must be get creative and knowledge from righteous soul living destination place through micro concept gate “ $-1/\infty \sim +1/\infty$ ”, righteous soul living actor travel to the trough the micro concept gate and tunnel to the righteous soul living in destination place, ask solution of “problems

of wicked soul and mind level living actor “ then clearly righteous soul living destination living actors try to give answer of the problems. Then the righteous soul living does behavior of doing solution of problems.

Truly in the SEEN world “righteous soul + body” this structure feel creature of knowledge estimate the problem how to solve, the problems solving decision is comes.

Actually I do, I was hard with “easy living” actor, he keep produce problems with me, truly he is my staff, so that I try to help and problems solving, then the “easy living seeker” keep another problems, I felt that this is not from righteous soul living destination place then I travel to the righteous soul living in destination place through my micro concept gate “ $-1/\infty \sim +1/\infty$ ”.

In the place of righteous soul living actor helped me and sad to me “righteous souls you are now hard time, but you have to all do “Forgive” with you”. So that I do follow from righteous soul living actor give me “creative solutions” so then, then, here is problem forgive target is “my staff and me” here is important is in the SEEN world, Righteous soul living actor forgive other. But here is righteous soul living actor is nothing, this nothing forgive “righteous soul and others”. then what happened actually nothing of righteous soul living actor turbulence state to be coming peace.

Righteous soul living actor and minority wicked soul is still living, but strong righteous soul living actor if not perfectly being righteous soul living such as righteous soul living actor do love minority of wicked soul then, the wicked soul getting mutant then the two righteous soul then, this is not, after Two righteous soul live in the soul room, then, the righteous soul living actor of strong righteous soul living actor just faced problems from righteous soul living destination place.

If righteous soul living actor get strong righteous soul living then, the actor must be bring creature of knowledge from the righteous soul living destination place. To be expand of righteous soul living actor problems solving.

Strong righteous soul living actor= “origin from righteous soul living destination place righteous soul + wicked soul from wicked soul living destination getting mutant righteous soul=2 righteous soul in the soul room = this is one of strong righteous soul”.

Strong righteous soul living actor try to help still in “righteous soul, wicked soul living =soul room to be “righteous soul + mutant righteous soul” this is strong righteous soul living actor do create of

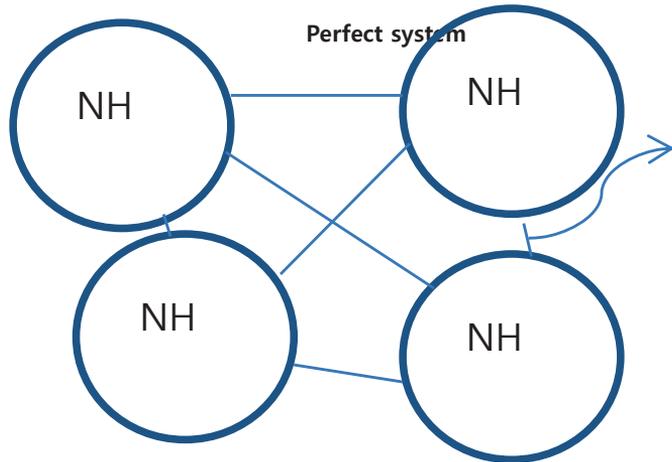

SEEN world righteous soul living actor getting live do righteously. Truly in the SEEN world “the poor & righteous soul living actor” living must be helped strong righteous soul living actor.

How to important strong righteous soul living actor righteous soul living behavior; “it shared time with others and help others but also doing real love others”. if not a strong righteous soul living actor a place “the poor & righteous soul living” actors are all wicked soul living and mind level living actors’ living out of progress development.

So that strong righteous soul living actor keep problems solution to be that it create for the righteous soul living actor run and progress development and running for the righteous soul living destination place.

Here is strong righteous soul living actor here and not here is result infer of concept introduce

NH: not here strong righteous soul living actor

NH is not here strong righteous soul living then connect of system is perfect then

NH: not here strong righteous soul living × perfect connect system =

- × += -

Here is even perfect system getting but there is not a strong righteous soul is not here then the place perfect system is not effective.

So that strong righteous soul living actor must be in here, then “here

strong righteous soul living actor × perfect system = this is righteous soul living effect is appeared” so long in the SEEN world just a sing of actor being strong righteous soul living actor appeared then, the place get into effective in righteous soul living; “it shared time with others, help other, and doing real love other”.

As possible as can, in this SEEN world living, if a righteous soul living actor with strong righteous soul living actor or being strong righteous soul living then this SEEN world righteous soul living actor excitement is so high, even in this SEEN world living, righteous soul living actor keep face problems but if strong righteous soul living actor with in this SEEN world, then it must be righteous soul living actor be really excitement.

Topic: Righteous soul run and progress by creating.

In this book “Righteous soul living actor and creature” Righteous soul living actor is master, the actor living is how to development and

progress, then the answer is create.

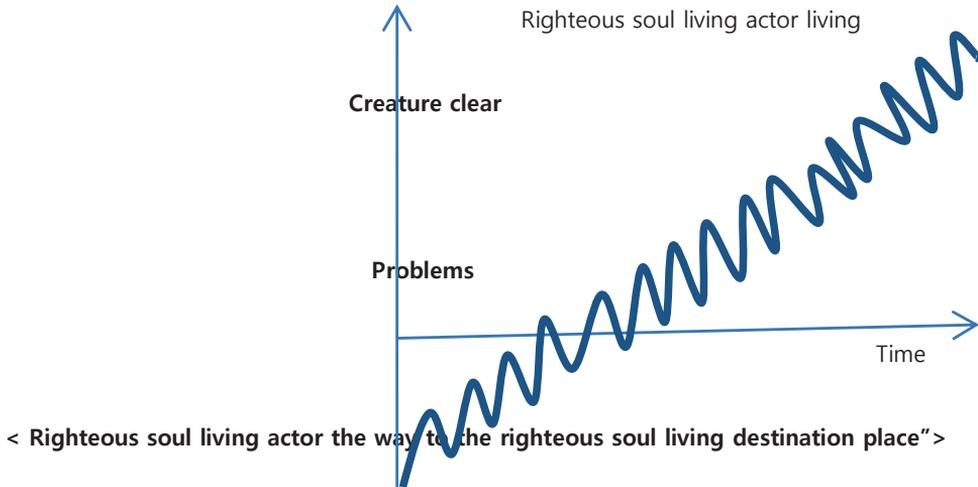

Here is righteous soul living actor's development and progress is creating means that "keep routine of occurring problems and creature of righteous soul living actor".

Righteous soul living actor originality do not live in easy living, because of the place is occupied by "wicked soul living actors" but also righteous soul living actor "getting much more than others" because "mind level actor get to $\text{mind}=\infty$ ".

So that righteous soul living actor lives as "the poor & righteous soul living actor". Righteous soul living actor living routine is "creature clear and new problems occurring and creature clear"

Righteous soul living actor development and progress to the righteous soul living destination place.

Righteous soul living destination place

This is righteous soul living actor “the poor & righteous soul living actor” the way of reaching at the righteous soul living. This way is all related with problems and creature clear repeating.

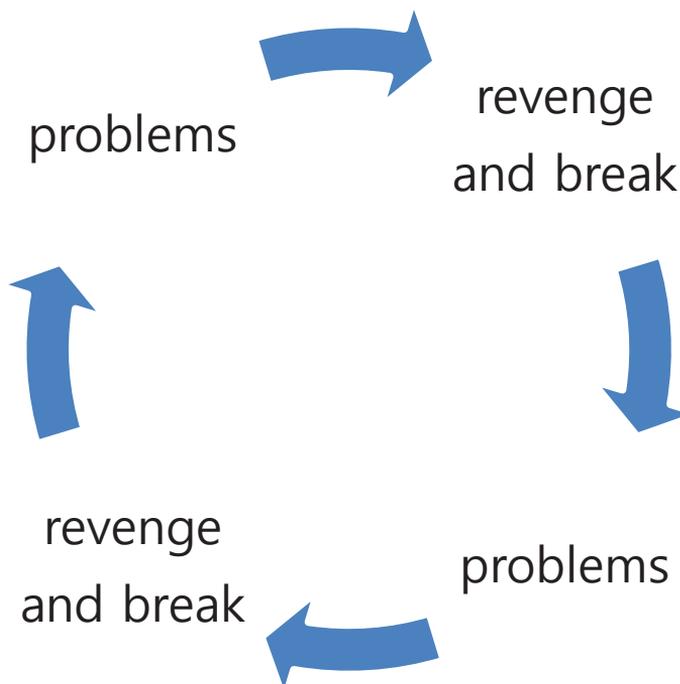

But wicked soul and mind is still they pursue of “easy living” and “ getting much more than others” so long they try to do ignorance living. Wicked soul living actor do not know righteous soul living way because of righteous soul living actor and wicked soul living actor roots and origin is not same.

But also mind level actor mind is so full so that righteous soul living actor is appeared after of mind = $1/\infty$ ” so that mind still living in to get much more than others, there is difference from righteous soul living destination. Therefore wicked soul and mind level living actor live in ignorance in the SEEN world.

Righteous soul living actor only has the “creating power”. Righteous soul living actor routine “problems and creature clear” is righteous soul living actor educating progress to live in righteous soul living destination place living.

Wicked soul and mind level living actor is living in ignorance because their origin nothing program to the wicked soul living actor and mind level living actor, but they have problems same as like righteous soul living actor problems but it is not same as function, righteous soul living actor problems is righteous soul living destination education problems, but wicked soul and mind level actor problems is from comes wicked soul living destination place.

The origin of wicked soul living destination place is basically “revenge and break” so long wicked soul living actor origin problems cause of “revenge and break” so long, this problems is not solved anything but this is cycling behavior, because wicked soul living actor and mind level living actors are not have “creature of solutions” so that they all living in the cycling.

< Wicked soul, mind level living actor in ignorance living >

Wicked soul living actor and mind level living actor living is under the cycle of “problems and revenge and break” this routine is keep going.

But righteous soul living actor of “the poor & righteous soul living actor” has routine “problems and creature of solutions” keep routines going.

It must be infer that wicked soul and mind level living actor do learn of “ $-\infty/0 \sim -1/\infty$ ” so called past produced knowledge is used, so long, they are not progress to the future so that wicked soul and mind level living actor go around of “problems and revenged and break”.

But if infer that righteous soul living actor use knowledge “ $-1/\infty \sim +1/\infty$ ” this is micro concept point , tunnel and gate, this is past to future living, so long righteous soul living actor get used future knowledge, this is creature of knowledge. So that righteous soul living actor living is routine is “problems and creature of solution” it comes.

How important to live righteously or wicked soul living is difference in this SEEN world, it don't have to UNSEEN world living. This is clear if live in righteous soul living then, the righteous soul living actor living is keep development and progress to the righteous soul living destination place.

All of living actor birth same structure “wicked soul, righteous soul, mind + body” in this structure of macro concept, so called SEEN world living actor, some is live in “the poor & righteous soul” of mind= $1/\infty$, and distance from wicked soul living actor “easy living” so long “ the poor & righteous soul living actor of “hard living”.

But wicked soul living actor live in “easy living” and mind leveling living actor try to be “get much more than others” then wicked soul living actor live under the routine of “problems and revenge break”.

Righteous soul living actor does live in creative live. Creative is problems solutions, so that creative knowledge is only safe live but ignorance living actor is only past knowledge helping only.

Truly, righteous soul living actor does created, so long the knowledge being past knowledge so that, this created is effective in the “ $-1/\infty \sim +1/\infty$ ” so long, righteous soul living actor used problems solving, then an righteous soul living actor solved problems then going up new stages then, the created knowledge is being in the past knowledge, then wicked soul living actor used the righteous soul living actor created knowledge.

So long, righteous soul living actor going up of living approach closed to the righteous soul living destination place, so long righteous soul

living actor keep going development and progress but wicked soul and mind level living actor go around use old knowledge using. Wicked soul and mind level actor also living but their lives under the past knowledge only.

Topic: righteous soul living actor living with creature

In this book “Righteous soul living actor and creature” righteous soul living actor and creature means that righteous soul living actor bring creature of knowledge from UNSEEN world to SEEN world. This is righteous soul living actor behavior of SEEN world “it shared time with others, help others and doing real love others”. So long, righteous soul living actor helps other, so long righteous soul living actor do righteous soul living behavior but also righteous soul living actor build righteous soul living energy in the righteous soul living destination “blessed bank”. But also righteous soul living actor why bring creature from UNSEEN world is righteous soul living actor run for the righteous soul living destination place.

Truly SEEN world, righteous soul living is in the body, so long, it must be do not see in physical eye, but righteous soul living actor itself is living in the body “righteous soul is actor living in the body” so called “righteous soul living actor + body” truly if be in strong

righteous soul living then, it must be, body is righteous soul living destination place with micro concept gate to UNSEEN world righteous soul living destination place.

Righteous soul living actor in the body, the righteous soul living eye is not body's eye but righteous soul living actor eye and ear. So long righteous soul living actors see and hear of SEEN world living actor and nature.

Creature of righteous soul living actor, creature is one step two steps road to the righteous soul living in destination place. Righteous soul living actor live in excitement with hearing and beautiful create art, even beautiful scenery. This is righteous soul living actor living. Righteous soul living actor with creature is difference from wicked soul living and mind level living.

Righteous soul living actor feels excitement as righteous soul living actor eye, ear. In this book "Righteous soul living actor and creature" righteous soul living actor is "the poor and righteous soul living actor". In the SEEN world the poor and righteous soul feel in excitement with eye and ear, all of nature of sound and scenery.

"The poor & righteous soul living actor with creature" here is creature

is righteous soul living actor one step two steps road point, and righteous soul living energy, righteous soul living energy production, so that “the poor & righteous soul living actor” living righteous soul living behavior “it shared time with others and help others and doing real love others”.

Righteous soul living actor living with creature is creature means that Righteous soul living actor of knowledge.

Righteous soul living actor needs **knowledge** to live on righteous living

Knowledge is appeared in to SEEN world righteous soul living actor **creative**

Creative is righteous soul living actor **travel through micro concept point**
“-1/∞ ~ +1/∞”

Righteous soul living actor being strong righteous soul living actor

An actor structure is “wicked soul, righteous soul, mind and body” so

long, if righteous soul living actor survive so long host of this actor's structure, so long righteous soul living actor managed before mind= $1/\infty$, so long, righteous soul living actor stronger than wicked soul, so long, righteous soul living actor keep strong "use doing real love" which is natural gift from in the righteous soul living in destination place. So long righteous soul living actor live with wicked soul using "doing real love to wicked soul" but mind is inorganic so that righteous soul living actor try to vacant in the soul room, so that soul room is vacant then, righteous soul living actor much more stronger before because of wicked soul and mind is try to be "easy living" and "getting much more than others" so same direction cooperative power, so then, righteous soul living actor make mind= $1/\infty$, this time after righteous soul living actor survive.

Righteous soul living actor do experience during overcoming of routine of "problems and solving"

Righteous soul living actor survive tools is "doing real love"

"Doing real love" derived solutions are "forgive" and another power of righteous soul living actor helper is "creative". Truly these tools are connected with righteous soul living in destination place.

In the SEEN world "the poor & righteous soul living actor" is poor in the SEEN world; there is no power to live on, so that "the poor & righteous soul living actor" to be survives in the SEEN world.

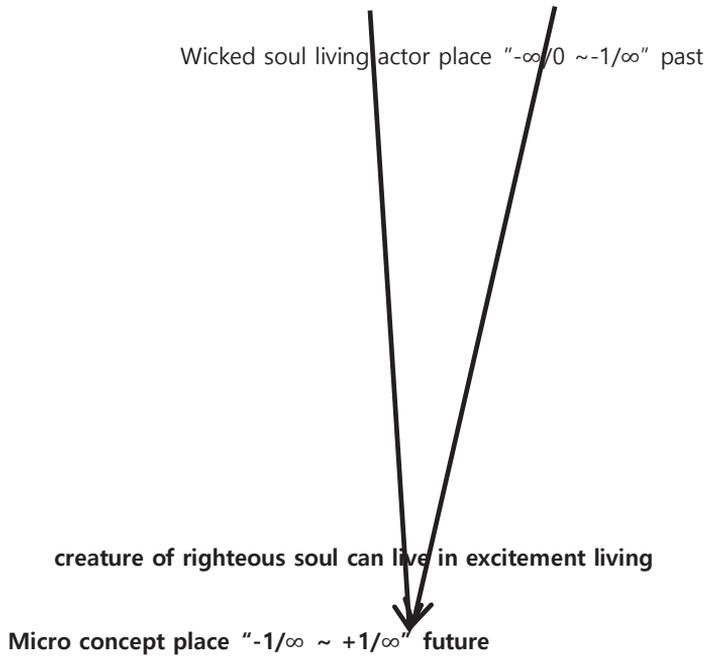

“The poor & righteous soul living actor” can do is at first “doing real love others” and “forgive righteous soul and others” and “creative”

Righteous soul living actor “creative” is righteous soul living actor is in poor, so long there is no power, but also mind $=1/\infty$, so that righteous soul living actor live in righteous soul living actor blessed bank energy. This will be connected with creature = righteous soul living energy.

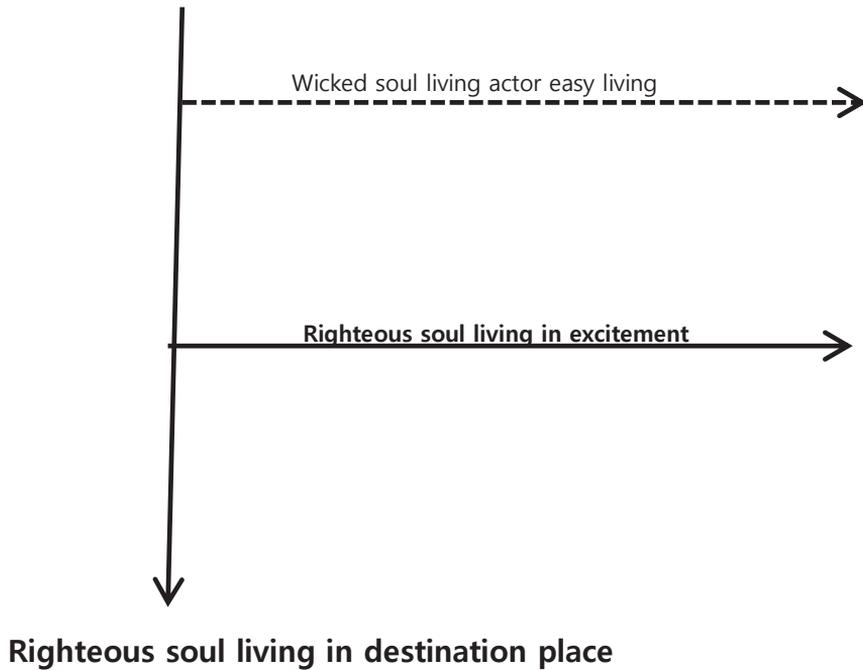

In the SEEN world righteous soul living energy do not get past built asset because of past accumulated knowledge and asset all get by “easy living actor of wicked soul living actor getting” because of wicked soul living actor live “ $-\infty/0 \sim -1/\infty$ ” but righteous soul living actor is in the micro concept place “ $-1/\infty \sim +1/\infty$ ” here is creative and righteous soul living actor living place.

Righteous soul living actor live in righteous soul living behavior “it shared time with others and help others and doing real love others” this is righteous soul living, so righteous soul living actor live in “the poor & righteous soul living” but if do creature living in the “ $-1/\infty \sim$

+1/∞” then righteous soul living energy from righteous soul living, that is blessed energy can be used “the poor & righteous soul living actor” that is it must be live in righteous soul living actor help each other so that can be live in excitement in the “-1/∞ ~ +1/∞” in this place do not come of wicked soul living actor.

Righteous soul living actor & creature is righteous soul living actor can run to the righteous soul living in destination place

Righteous soul living actor with creature is righteous soul living actor live in future knowledge using so that righteous soul living actor and wicked soul living actor living place is not same in the SEEN world also, so long, wicked soul living actor used past knowledge “ $-\infty/0 \sim -1/\infty$ ” but righteous soul living actor use future of creature knowledge because of righteous soul living actor live in micro concept place “ $-1/\infty \sim +1/\infty$ ” so long righteous soul living actor use in creative in future of knowledge.

Righteous soul living actor lives in much more deep in profound

living in creative knowledge place. So long in the SEEN world, “the poor & righteous soul living actor” lives in really excitement living with creative in knowledge.

Topic: Righteous soul living actor turbulence time

In this book “Righteous soul living actor and creature” righteous soul living actor faced with turbulence time, the righteous soul living actor do living out of righteous soul living. Righteous soul living actor in the SEEN world, the actor in the turbulence the righteous soul living actor must be wicked soul and mind level actor invader

Strong wicked soul living optimistic time to “revenge and break”, this is so long righteous soul living actor minority of wicked soul meet string wicked soul, so long, gradually wicked soul power restored so then, this is so dangerous to the righteous soul living actor.

In the SEEN world living, righteous soul living actor must be faced to the turbulence, that is turbulence, so long righteous soul living actor must be restore of righteous soul living.

Righteous soul living actor living in the wicked soul, and mind level living actors, so long righteous soul living actor hit a big damaged, then in a moment righteous soul living actor forget of righteous soul living actor mission; bring lover to the righteous soul living destination place.

It must be turbulence also overcome to the way of righteous soul living. It required to be lived normal in righteous soul living behavior “it shared time with other, help other and doing real love other”.

Righteous soul living actor also has another righteous soul living actor, so then righteous soul living actor also be helped from another righteous soul living righteous soul living actor righteous soul living energy supplied then it also to be getting out of dangerous of righteous soul living turbulence time.

Righteous soul living actor turbulence time, righteous soul living actor living in the criteria line between righteous soul living and wicked soul living, so long righteous soul living actor must be in the

trap so long getting much more harder, so long righteous soul living if not survive then the living is end, but also it must be this writing also end.

How to live in eternity in righteous soul living, it must be living in simple righteous soul living. “It shared time with others, help other and doing real love other” Sometimes a righteous soul living actor if “shared with me, and help me, doing real love me” then I will be living in eternity righteous soul living.

If my lover do know this righteous soul living, and do live in righteous soul living, then I can rely on my lover in this turbulence time. Actually on this time I want to be helped from another righteous soul living actor.

Righteous soul living in this SEEN world, to live righteous soul living must be live helped from others. This is a real excitement as righteous soul living actor.

Righteous soul living actor goes for the righteous soul living in destination place on the basis of creature of ground. But also righteous soul living actor lives in excitement on the creature.

Righteous soul living actor righteous soul living behavior is “it shared time with other, help other and doing real love other”.

Until then I didn't said on the righteous soul living behavior “it shard time with other” this is so important because it is beginning with others. This time meets actor do not know who is righteous soul living actor or wicked soul living actor and mind level actor.

Righteous soul living actor shared time and place, righteous soul living actor really express expectation calling others in a beginning.

It shared is time and place, then this is already connected righteous

soul living actor soul run to the shared other righteous soul whether righteous soul is major or minor then, righteous soul living actor behavior is “it shared time with other and help other and doing real love others” same routine is happened.

Righteous soul living actor behavior “it shared time with others” also Righteous soul travel to meet the others righteous soul then, righteous soul living actor do righteous soul living behavior.

Righteous soul living actor living is manners is “it shared time with others then right there help others and doing real love other” so long the meeting time expression is real love relationship is built.

Righteous soul living actor real living is live in free as righteous soul living. SEEN world righteous soul living actor faced variable problems. So long “the poor & righteous soul living actor” may be doing not live free.

Righteous soul living actors to be free living problems are

1. From righteous soul living in destination place problems

2. Wicked soul living actor relationship with problems
3. Mind level living actor relationship with problems

Righteous soul living actor to do solve the problems, it only use creature living tools. Creature is from derived righteous soul living actor micro concept world living “ $-1/\infty \sim +1/\infty$ ” righteous decision whose from righteous soul living destination place, that is creature.

Righteous soul living actor to be excitement in the SEEN world

It must be live with the poor, because “the poor & righteous soul living” it must be so many problems comes, this poor living is problems so then, the righteous soul living actor must be not to be live in excitement.

In this “the poor & righteous soul living actor” the poor problems must be solved with righteous soul living actor living, righteous soul living actor basic behavior is “it shared time with other, help others and doing real love”. This basic principle doing then the poor problems are not problems.

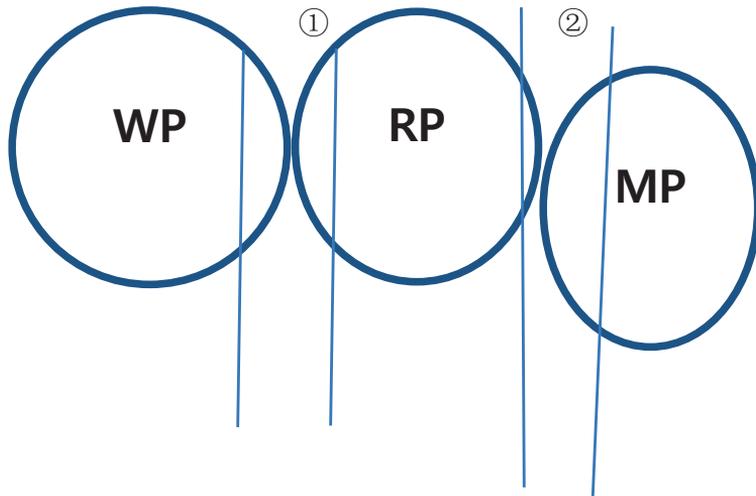

“the poor & righteous soul living actor” solve problems is not wicked soul living actor of “easy living” but also mind level living actor’s

“ getting much more than others”. so long “the poor & righteous soul living actor” excitement is out of wicked soul living and meet righteous soul living actor.

In this case creature is $1/\infty$ momentum time decision to the righteous soul living in destination place, “ $-1/\infty \sim +1/\infty$ ” it may be to the righteous soul living actor living creature then, infer that each micro concept problems solving from righteous soul living in destination place, it is express from creative knowledge will come.

Righteous soul living actor run for the righteous soul living in destination place, multiple problems, if do not solve then righteous soul living actor do be delay going for the righteous soul living in destination place.

Righteous soul living actor must be live with wicked soul living actor and mind level actor living so long, righteous soul living is not center but wicked soul living actor and mind level living actor living outskirts living then, righteous soul living actor also be including in the problems.

WP: Wicked soul living problems, RP: Righteous soul living problems

MP: mind level living problems

< Righteous soul living actor problems with wicked soul and mind level living actor >

Wicked soul living actor problems is produced from try to live in “easy living”

Mind level living actor problems is produced from try to live in “getting much more than others”

Righteous soul living actor problems in produced from try to be live in fitting in righteous soul living destination place living, problems from righteous soul living in destination place

- ① WP ~ RP is wicked soul living actor and righteous soul living actor relationship produce problems, it must be infer that righteous soul living actor do behavior of “it shared time with wicked soul, and help wicked soul, doing real love wicked soul”. But wicked soul living actor to be easy living, wicked soul deceit righteous soul living actor. This problems to the righteous soul living actor must be “revenged and break” so long, righteous soul living actor so dangerous.

To overcome of this problem, righteous soul living actor needs to be creative knowledge.

Righteous soul living actor must be safe with wicked soul living then “ do real love strong all of die of righteous soul living- it must be comes chines world “殺身成仁” Korean speaking “SALSHINSUNGIN” from Confucianism.

“殺身成仁” “SALSHINSUNGIN” is righteous soul living actor sacrifice of dying then wicked soul living actor be changed into righteous soul living, this is righteous soul living behavior “it shared time with other help other and doing real love other”

But also righteous soul living actor must be use creature of knowledge; it is righteous soul living actor live in “the poor & righteous soul living” in this time righteous soul living actor problems is not with directly wicked soul but it must be living in hard, but this is progress and development of the creative knowledge then, the wicked soul and mind level actor go up, so long, “the poor and righteous soul living actor” also in comparison poor somewhat comfortable of “the poor & righteous soul living”

So long righteous soul living actor bring from creative knowledge must be keep bring to the SEEN world, now righteous soul living actor for now but for the future of new righteous soul living actor be live in comfortable of “the poor & righteous soul living”.

- ② Righteous soul living actor and mind level living actor relationship, righteous soul living actor must be realized from the mind level living world, so that righteous soul living actor try to make $\text{mind} = 1/\infty$, but still mind level actor relationships with righteous soul living actor, do righteous soul living actor make poor then mind level living actor getting into “getting much more than righteous soul” problems.

Righteous soul living actor knows that mind is not organism so that righteous soul living actor with creating knowledge mind is nothing's understand. So that righteous soul living actor make mind= $1/\infty$.

: Righteous soul living creature & excitement, this is righteous soul living actor do run with wicked soul and mind leveling live then righteous soul living actor need to creative knowledge from micro concept gate " $-1/\infty \sim +1/\infty$ " righteous soul living actor must be live in excitement helping from creative knowledge, it must be this is truth of solving problems tools.

Here is keep wicked soul living actor asked to the righteous soul living actor, please do give us solutions but righteous soul living actor problems and solution is in the micro concept place " $-1/\infty \sim +1/\infty$ " if some of righteous soul living actor get from this tunnel to the SEEN world programing and progress and development then, it must be this knowledge already to the wicked soul living actor can use, because of this knowledge is not creative knowledge,.

Righteous soul living actor problems is running to the righteous soul living destination so then, righteous soul living actor in the UNSEEN world, the righteous soul living actor expect to new safe returning righteous soul living actor be in the perfect righteous soul living actor then it must be so excitement so that, keep give to the problems to the righteous soul living actor of SEEN world.

Topic: Righteous soul living under the time, space and creature

In this book “Righteous soul living actor and creature” Righteous soul living actor live in the time space and creature.

Righteous soul living actor is in the micro concept of time and space, micro concept point “ $-1/\infty \sim +1/\infty$ ” with helping creature.

Righteous soul living actor runs for the righteous soul living in destination place. But here of righteous soul living actor live in the body of the SEEN world living. In the SEEN world body living is moving here and there; so long body move is SEEN world space and time.

So long mind level living actor body is feeling moving. Body moving is getting much more than others, this is body survive living. But in the righteous soul living actor moves to the righteous soul living destination place.

Righteous soul living actor space and time is “ $-1/\infty \sim +1/\infty$ ” this is an righteous soul living actor run for the righteous soul living in destination place so that, righteous soul living actor at first survive in the righteous soul living in the SEEN world, so long, righteous soul living actor drive for the righteous soul living in destination place, so then it required direction angle to the righteous soul living destination place in the dim angel also must go for the righteous soul living in destination place.

Righteous soul living actor must be helped from creating in knowledge, in the “ $-1/\infty \sim +1/\infty$ ” in this space and time, just produced recognition breath and decision to the righteous soul living in destination place.

In the “ $-1/\infty \sim +1/\infty$ ” it produced also breath, decision and creature of knowledge, so long when dim angel of righteous soul living in destination place, then it use of creature in knowledge.

Creature of knowledge is future knowledge orientation so that optimistic creative knowledge coming up in the SEEN world.

Righteous soul living actor runs for the righteous soul living in destination place, it must be “time and space” also go for the future, righteous soul living actor live in “ $-1/\infty \sim +1/\infty$ ” this living is righteous soul living actor past and future living.

So long time and space is also changed as righteous soul living actor runs for the righteous soul living in destination place. So long, micro concept point is run for the righteous soul living destination place. Strange body does not feel in the SEEN world of righteous soul living actor.

Body feel in the mind level living actor, but righteous soul living actor body do not feel but righteous soul living actor feel in the SEEN world, so long righteous soul living actor feels in SEEN and UNSEEN world this is “breath is SEEN world, but decision is UNSEEN world, and creature is also from righteous soul living destination place.

Especially “creature” is righteous soul living actor deep reach place where is righteous soul living actor living place, so then creature of SEEN world actor operated of micro concept gate, the SEEN world righteous soul of deep living actor living problems, or research problems of deep and longtime deep research actor finally reach at the answer of creature of knowledge through micro concept gate “ $-1/\infty \sim +1/\infty$ ”.

Creature and time, space with micro concept gate “ $-1/\infty \sim +1/\infty$ ”

righteous soul living actor oneself is pure of knowledge itself. But righteous soul living actor solves the problems by creating in the SEEN world.

In this book “Righteous soul living actor and creature” actually it is not easy clearly but I have to go for the creature is must be usual and critical of righteous soul living actor difference from wicked soul living actor and mind level living actor.

So long, righteous soul living actor runs for the righteous soul living in destination place, righteous soul living actor feel excitement with creature of knowledge and art, music these creative will be righteous soul living actor exclusively behavior of excitement.

Righteous soul living actor in the SEEN world, exist as “the poor & righteous soul” this poor living actor how to live, the answer is creating. In the hard time place, righteous soul living actor create SEEN world, wicked soul, mind level actor recognition of really famous create of arts are under the “the poor & righteous soul living” these righteous soul living actor travel to deep place of micro concept point “ $-1/\infty \sim -1/\infty$ ”. The poor & righteous soul living actor do creating in the micro concept point “ $-1/\infty \sim +1/\infty$ ”.

The poor & righteous soul living actor lives in the SEEN world, “creative living” such as creative knowledge product and art and all of creating works. The poor & righteous soul living actor travel to the righteous soul living in destination place through micro concept point “ $-1/\infty \sim +1/\infty$ ”, so that “the poor & righteous soul” bring creative knowledge so that in the SEEN world “the poor & righteous soul living actor” produce eternity famous art, so that “the poor & righteous soul living actor” roles of righteous soul living.

“The poor & righteous soul living actor” living in the time and space with creature of knowledge in the micro concept point “ $-1/\infty \sim +1/\infty$ ”.

Creature of righteous soul living actor, this is only SEEN world living righteous soul living in not a poor but just normal living actor, so long, righteous soul living actor with creature is really living in the SEEN world.

Actually righteous soul living actor living in “the poor & righteous soul living” then not a beggar but normal “the poor & righteous soul” so long, in the SEEN world the righteous soul living of normal actor is doing creative living in the SEEN world.

Because Creative the poor and righteous soul living actor, still is not easy living of wicked soul living actor do not like living, but the poor & righteous soul living actor is so excitement with creating art, and knowledge etc.

Very thank, in this book “Righteous soul living actor and creature” righteous soul living actor is only “the poor & righteous soul living actor” here is poor is somewhat diluted “the poor & righteous soul living actor” as “the normal poor & righteous soul living actor”.

Creature living actor and righteous soul living actor doing progress and development living by righteous soul living actor solve the problems of SEEN world living, then in the solved place, the poor living is better than do not solved problems of the place.

Righteous soul living actor lives with creature of knowledge to live righteous soul living actor being excitement.

Topic: Righteous soul living actor runs for righteous soul living in destination with creature

In this book “Righteous soul living actor and creature” Righteous soul living actor run with creature to the righteous soul living in destination place.

If do not solve the problems and new problems and solving creature then righteous soul living and wicked soul and mind level actors are all prisoning in the past. So long they are all living in the macro concept world which is all is old and rigid living place.

If righteous soul living actor do solve problems and new problems and creature of solving then, the place is micro concept world “ $-1/\infty \sim +1/\infty$ ” so called the time and space is “creature and new micro concept this is like compared with living volcano where is keeping in liquefied.

Righteous soul living actor place new problems creature solving knowledge

< Volcano eruption righteous soul living actor creation in the micro concept point >

Righteous soul living actor live in “ $-1/\infty \sim +1/\infty$ ” micro concept world. In this place living is righteous soul living actor micro concept point is active volcano of creative knowledge.

Righteous soul living actor produce of creature of knowledge, actually in the SEEN world volcano bring from in the Deep place minerals but in the righteous soul living actor micro concept point and micro concept tunnel is “ $-1/\infty \sim +1/\infty$ ” creature of knowledges are bring up from righteous soul living in destination place.

Righteous soul living actor and righteous soul living actor is connected as pipe line through micro concept point and tunnel “ $-1/\infty \sim +1/\infty$ ”.

Righteous soul living actor doing creative knowledge is solving problems of variable living in the SEEN world. Living in the SEEN world of righteous soul living actor is not easy. Righteous soul living actor living is in the SEEN world of “the poor & righteous soul living actor”.

Righteous soul living actor wiliness living of “the poor & righteous soul living” righteous soul living actor living is keep series of problems so long this problems all from righteous soul living in destination place, but also the solution also from the same place.

The poor & righteous soul living actor is in the righteous soul living destination place, so long righteous soul living destination place care of righteous soul living actor voyage in the SEEN world, then righteous soul living actor behavior of “it shared time with others, help others and doing real love others” so long, “the poor & righteous soul living actor” also take cared of righteous soul living actors.

The poor & righteous soul living actor faces keep in problems, so long

this is righteous soul living actor living in tension but also, the righteous soul living in destination place actor expect to educate real righteous soul living actor who behavior in the righteous soul living in destination place righteous soul living behavior “it shared time with others, help others and doing real love others”.

In this SEEN world righteous soul living actor must be live in center of righteous soul living actor.

The righteous soul living actor must be live in doing real love others, forgive others and creature of living. This is righteous soul living actor then, what happen, this is righteous soul living actor in the SEEN world live in excitement from distance wicked soul living actor offence, invader.

In the SEEN world righteous soul living actor live in excitement even “the poor & righteous soul living actor” because righteous soul living actor “doing real love, and forgive others and creative living” then here is doing real love is strong power, this is wicked soul living actor make mutant to righteous soul living, but also forgive is all of SEEN world relationship getting righteous soul living because of forgive all of wicked soul energy make $1/\infty$, so long forgive is so essential living tools of righteous soul living, truly forgive is keep supply of righteous soul living actor feel in peace.

Righteous soul living actor must be live in “the poor and righteous

soul living actor” then the creature is righteous soul living actor urgent problems include of eating living also, this is solved from helping of righteous soul living destination place, it is feel of creating of the poor and righteous soul living actor.

Righteous soul living actor runs for the righteous soul living in destination place. Creature is key, because of creature is all of supplied of new problems and creative solutions supplies. A new living knowledge of righteous soul living actor learn with “righteous soul living +body” so that in the SEEN world getting knowledge is being righteous soul living in destination place living of pure of righteous soul living which is not in body.

Righteous soul living actor has creature of knowledge power. This is righteous soul living and truth, principle all of fresh etc. creative knowledge power. Then it must be in the UNSEEN world living all of actors are living in excitement of righteous soul living actors creature of knowledge living.

But if infer that of wicked soul living in destination place UNSEEN world, then the place do not creature of knowledge, then the place there is not power of truth knowledge. So long the place living actors are all ignorance so that their living all under the wicked soul living actor all deceit living and even though try to live in “easy living” but actually easy living is their living goal but the goal is not in the wicked soul living in destination place. Their living only all of out of order, chaos living itself of wicked soul living in destination place.

So long, ignorance actor living in destination place is in wicked soul living in destination place.

“The poor & righteous soul living in destination place living in actor is “the poor & righteous soul living actor” this living is planned in the living the righteous soul living in destination place, this is so excitement living in the SEEN world living.

“The poor & righteous soul living” is privileged living, this living is fully value of living than “The rich & wicked soul living” truly this is real excitement to me, “the poor & righteous soul living actor” is much more than excitement knowledge is comes. Because of “the poor 7 righteous soul living and living in the righteous soul living in destination place living promise” is so privileged living.

Topic: Righteous soul living and creature of living in righteous soul living in destination place

In this book “Righteous soul living actor and creature” righteous soul living and creation is a big difference from wicked soul living actor and mind level living actor.

Righteous soul living actor with creature means that Righteous soul living actor excitement with knowledge of creature. Creature is progress for the righteous soul living in destination place. so long righteous soul living actor’s propulsion endless creating for the purpose reaching at the righteous soul living in destination place.

In the SEEN world righteous soul living actor living as “the poor & righteous soul living actor” because of wicked soul living actor “easy living” then wicked soul living actor “revenge and break” righteous soul living actor.

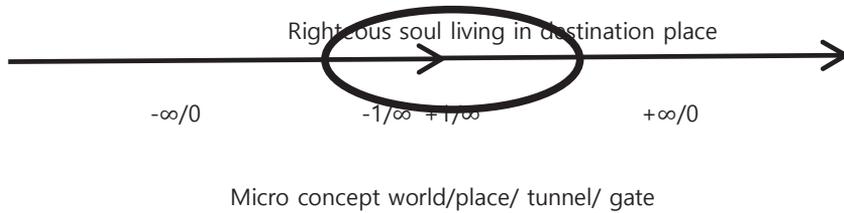

Here is wicked soul living actor recognition of past knowledge basis so long if righteous soul living actor in rich then, clearly wicked soul living actor attack righteous soul living actor. This is clear so long, to be survive, righteous soul living actor live in “the poor & righteous soul living”

But righteous soul living actor live in micro concept place of using creature of future knowledge then the righteous soul living actor still in the “poor & righteous soul” is seen to the wicked soul, but

righteous soul living actor living is micro concept world “ $-1/\infty \sim +1/\infty$ ” so that the poor & righteous soul living actor also living in excitement living.

Righteous soul living in excitement is even “the poor & righteous soul living” is righteous soul living actor “creature living” so that righteous soul living actor difference from wicked soul living actor.

Righteous soul living actor propelling in the living of creature of knowledge in the micro concept world “ $-1/\infty \sim +1/\infty$ ” this is place of not now but also not past but the palace is going to the righteous soul living in destination place going.

Righteous soul living actor is running for the righteous soul living in destination place with helping creature of future knowledge from all of problems solving.

But wicked soul living actor remained in the past knowledge, so long, righteous soul living actor in the circle of micro concept place, then this place is magma of volcano so long, in this place is creature of knowledge is how magma. This place is all of origin of knowledge in the SEEN world creature and problems solving.

Righteous soul living actor doing in excitement with creature because of righteous soul living actor problems and solving is micro concept world place, so long righteous soul living actor is so excitement and progress to the righteous soul living in destination place.

Wicked soul living actor in the SEEN world, they can use solid and fixed of old knowledge, so long the wicked soul living actor do not know the problems, so long wicked soul living actor live in the past so long, even though they see the creation of knowledge of magma pf creation knowledge but wicked soul living actor do not know the future knowledge.

So long, wicked soul living actor try to solve past problems, so then they solved problem then they living in the past, wicked soul living actor closed in the past living place. So long they live in past living, so called they live in $\sim -1/\infty$, past time and space limited living.

So then righteous soul living actor in the micro concept world, there is not wicked soul living actor, so that micro concept world “ $-1/\infty \sim +1/\infty$ ” living actor is free from fear of wicked soul and mind level living actor of ignorance behavior. Righteous soul living actor still goes for the purpose of reach at safe returning to the righteous soul living in destination place.

Righteous soul living actor and creature is survival and disappeared criterial line, so that righteous soul living actor living actor being in perfect righteous soul living then righteous soul living actor travel UNSEEN world righteous soul living in destination place, there righteous soul living actor bring solutions for the purpose of segregating living with wicked soul living actors.

Righteous soul living actor also help to the UNSEEN world living in righteous soul living destination soul, give in the SEEN world righteous soul living actor behavior of good news.

So that without living in body of righteous soul living actor now waiting to travel to the SEEN world righteous soul living actor is prepare of living.

Truly righteous soul living actor in the micro concept world, so long, the actor live with righteous soul living, so long, body is only the place of righteous soul living so that righteous soul living actor of soul feeling in the SEEN world.

This is get dream is realized, because of righteous soul living actor dreamed to see, as righteous soul living with body to see real world of SEEN world and meet lover to make righteous soul living actor then bring to the righteous soul living destination place.

Righteous soul living actor meet lover then, the lover is still is not righteous soul living actor, then righteous soul living actor live with “doing real love, forgive and creature of knowledge”.

Topic: Righteous soul, wicked soul and mind level asset understanding and creature

In this book “Righteous soul living actor and creature” Righteous soul living actor live in “it shared time with others, help others and doing real love others”. But wicked soul living actor behavior is “easy living” also mind level actor behavior is “getting much more than others”.

Here is Righteous soul living actor, wicked soul living actor and mind level living actor are live in mix in the SEEN world. So long in the SEEN world a personal micro concept world is another world, so long in the micro concept world righteous soul living actor and out of micro concept world living actor is not same.

In the micro concept world living actor of righteous soul living actor living is “it shared time with others, help others and doing real love others” but out of micro concept world living actor is same as usually wicked soul living actor living like mind level living, so long the wicked soul living is macro concept world living, but also mind level living actor live in macro concept world.

So long it standard living is not same between micro concept world living righteous soul living actor and macro concept world wicked soul and mind level living actor.

Micro concept world “ $-1/\infty \sim +1/\infty$ ” Righteous soul living actor basic living is “it shared time with others, help others and doing real love others”

Macro concept world wicked soul and mind level living actor basic living is wicked soul “easy living” mind level living actor “getting much more than others”.

Micro concept world “ $-1/\infty \sim +1/\infty$ ” righteous soul living place is “creature living”, so long, righteous soul living actor living is “it shared time with others, help others and doing real love others with creature”.

Righteous soul living actor must be needed in excitement, what is excitement living, righteous soul living actor: “it shared time with others, help others and doing real love others” righteous soul living actor excitement is from creature living, because of creature is produce new knowledge and solving problems by creature of knowledge, so that righteous soul living in the problems helped from righteous soul living in destination place creature knowledge solving problems.

But macro concept world wicked soul and mind level living actor excitement is wicked soul’s “easy living” and mind level living actor

“getting much more than others” so that wicked soul living actor to do living in excitement of sacrifice of others then only wicked soul living actor only “easy living” then that is “easy living”.

Mind level living actor also doing others asset getting all of using means to be “getting much more than others” because that is mind level living actor excitement.

So long how to understand in the micro concept world living actor righteous soul living actor and macro concept actor of wicked soul and mind level living actor of “asset”

In the SEEN world “asset” of wicked soul living actor, wicked soul living actor try to be live in “easy living” so then, the wicked soul living actor’s “asset” is “easy living tools” so that wicked soul “asset” as urgent to get so long wicked soul living actor use power “revenge and break” mind level living actor and righteous soul living actor.

So that not to be “revenge and break” from wicked soul living actor, righteous soul living actor live in in the SEEN world “the poor & righteous soul living” so long, the righteous soul living actor live in the poor. Just only getting “easy living” then to be easy living wicked soul living through sacrifice of wicked soul living actor, righteous

soul living actor and mind level living actor, wicked soul living actor only easy living all of others are all to be target of “revenge and break”.

In the SEEN world “Mind level living actor” live to be “getting much more others to be rich living”.

Then mind level living actor live in hurry to get much more than others, so long the mind level living actor living actor living purpose is “happy” but, the mind level living actor do not know righteous soul living behavior “ it shared time with others, help others, doing real love others”.

So that mind level living actor all effort to get much more than others, all of time used for the mind level actor sake, collect asset all use for mind level living actor only, but also “happy recognition mind level living actor” do not “real love other” so then, around of mind level living top of “getting much other than other of rich actor” around are all wicked soul livings who do not live in “it shared time with others ,help others, and doing real love”. This wicked soul use “revenge and break power” to the mind level “rich actor” so long, the rich are attack from wicked soul living actor, so long mind level living actor broken cause of wicked soul living actor “easy living”.

So long righteous soul living actor make distance from wicked soul living actor, so that at now happening in the SEEN world mind level living actor attacked from wicked soul, so that mind level living actor ignorance living actor, mind level living actor is wicked soul living

actor “easy living” source of energy but also, mind level so not know micro concept world “ $-1/\infty \sim +1/\infty$ ” “the poor & righteous soul living with creature of knowledge” mind level living actors are all say “why we are ignorance why we are sinful living actor?” because of mind level living actor all of energy supplied to the wicked soul of “easy living”.

Asset must understand to the “wicked soul living actor” “righteous soul living actor” and “mind level living actor”.

At first wicked soul living “asset” is understood of target of “revenge and break” so long, wicked soul living actor attack of “the rich & wicked soul living actor” and “the happy & rich actor” all in a moment of being of wicked soul living actor’s target. So long not to be wicked soul living targeting it must be safe in “the poor & righteous soul living” is only living in soluble way.

At Second mind level living “asset” is all of mind level living actor follow to get “asset” so long, mind level all of living actor sacrifice all of factors “it shared time with others, help others, doing real love” so called all forget doing righteous soul living but hurry to get much more than others.

Mind level living actor only important living is getting much more than others, so long Mind level living actor “getting much more than others then all is solving, do not comes new problems” but truly mind level living actor of rich living actor” are attacked from wicked soul living so that they do not reach at “happy living”.

At third righteous soul living “asset” understands to help others. So long “asset” is source of helping so that righteous soul living actor tries to solve to help others, so long righteous soul living actor do use creative knowledge to solve others “asset” getting problems solving.

Righteous soul living actor understand “asset” as helping others tools. So long, righteous soul living actor being rich also that asset is not me but others, so that righteous soul living actor not to be revel attacking from wicked soul living actor. So that righteous soul living actor gets increasing of “righteous soul living energy saving in to blessed bank of righteous soul living in destination place”.

Righteous soul living actor do not live “asset” from produced of macro concept world mind level living actor but righteous energy from righteous soul living in destination place save in blessed bank energy.

Righteous soul living actor lives on eternity energy of righteous soul living energy. Because of righteous soul living actor live with “it shared time with others, help others, and doing real love others” so long, if an actor is righteous soul living actor in the micro concept world “ $-1/\infty \sim +1/\infty$ ” then here is he is also be shared time from others righteous soul living actor, and helped from others righteous soul living actor, and but also he do real loved from righteous soul living actor.

So that righteous soul living actor only doing real love “it shared time with others, help others and doing real love others” it is doing actor accumulate righteous soul living energy to the “blessed bank in the righteous soul living in destination place” this energy is must be calculated as this

Righteous soul living actor helps others righteous soul living actor then, helper excitement and helped actor also excitement, so then here is this must be multiplication 2, but also here is both righteous soul actor is activation, but also these two folds assets saved in the “blessed bank in the righteous soul living in destination place”. The blessed bank energy interesting is eternity interesting is compounded interesting so that doing live in righteous soul living behavior itself is “eternity righteous soul living generator”.

Righteous soul living actor “asset” is not consumable but eternity producible energy. Doing righteous soul living behavior is eternity living.

Topic: Righteous soul living only do create

In this book “Righteous soul living actor and creature” righteous soul living actor SEEN world mission and affairs is solved from creature.

Righteous soul living actor mission is “bring lover to the righteous soul living in destination place”

Righteous soul living affairs is “it shared time with others, help others and doing real love others”

Righteous soul living actor’s mission and affairs is same time, place doing the point is micro concept point “ $-1/\infty \sim +1/\infty$ ”.

Righteous soul living actor mission must be need all of effort lover to be righteous soul living actor, and goes with lover of righteous soul living actor for the purpose of righteous soul living in destination place that is an righteous soul living actor voyage to the SEEN world.

Righteous soul living actor need to be that live with others, then it must be living with them; they are wicked soul, righteous soul, and mind level living actors.

Righteous soul living actor basically out of offense distance of wicked soul, that is “the poor & righteous soul living” so long righteous soul living actor do not get to live on, the old of existed asset. So that righteous soul living actor helped from UNSEEN world righteous soul living in destination place creature of knowledge.

Righteous soul living actor is helped from righteous soul living actor that is SEEN world, the actor doing create to the SEEN world. The righteous soul living actor does creature and use creature of knowledge living in the SEEN world.

Righteous soul living actor living is “creature of knowledge” this is difference from wicked soul living. So that Righteous soul living actor so pure and only righteous soul so do not fight others only do help and lover others, so long this righteous soul living actor only living is “creature”.

Creature is new and just only world of creature actor, so long the place is micro concept point open that place no one invade so long righteous soul living actor safe and live in excitement living.

Righteous soul living actor runs for the righteous soul living in destination place. it based on multiple creations, so called multiple micro concept point.

Multiple creations = multiple micro concept points.

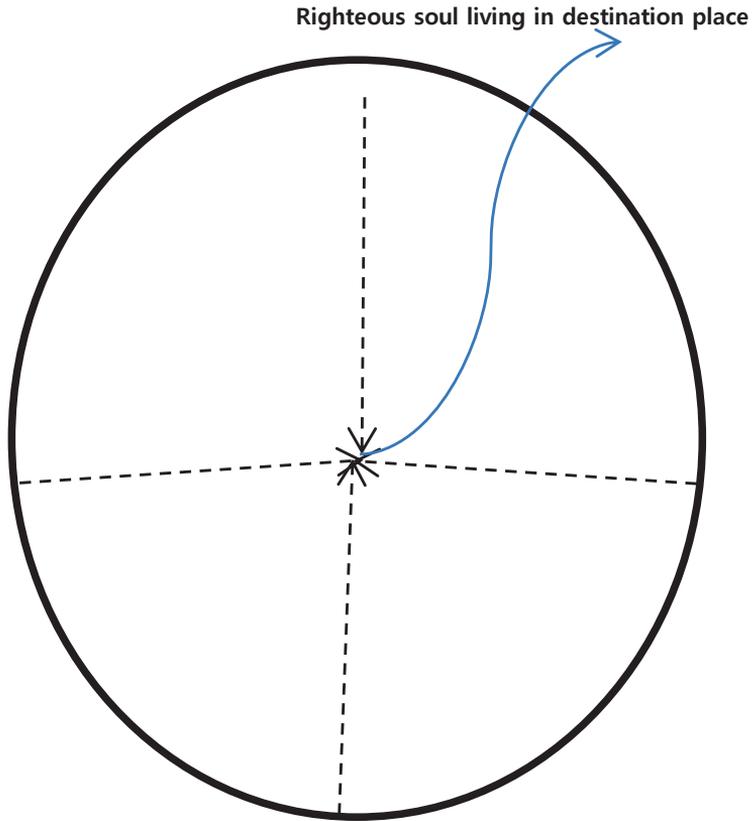

So long Righteous soul living actor keep in living micro concept point”-1/∞ ~+1/∞” in this place are all of creature of knowledge like liquid, just like volcano of lava. Righteous soul living actor only lives in the micro concept point. Micro concept point is righteous soul living actor only know the place. macro concept world living actor lives in the past, old, but righteous soul living actor new and creature knowledge is using.

Righteous soul living actor runs for the righteous soul living destination place

----- Righteous soul living in destination place →

Dots line of dots is micro concept point= creature

So long, this dot line dot is creature, so long, all of righteous soul living actor is not same all is living with creating so long, all of difference living actor are running to the righteous soul living in destination place.

Multiple of righteous soul living actor runs dot point of creature, righteous soul living actor only run for the righteous soul living in destination place. For this righteous soul living actor use “create”

Creative in knowledge of righteous soul living actor has strong power of running to the righteous soul living in destination place. it must be creature of knowledge is sometimes broken and revive then, the righteous soul living actor running is must be zigzag run is not direct line also.

A unit dot of creation is same as unit of micro concept point “ $-1/\infty \sim +1/\infty$ ”. Righteous soul living actor creation is must be infer that concentration on micro concept point, as righteous soul living actor of “the poor & righteous soul living actor”, then it must be the righteous soul living is poor, then righteous soul living actor do not use SEEN world mind level living asset, but “the poor & righteous soul living actor” use righteous soul living energy so long this energy must be appeared in the SEEN world solving problems, or creations, so long, solving the problem is the poor and righteous soul living then, “the poor & righteous soul living actor” use energy righteous soul living energy.

Righteous soul living actor is living in the SEEN world “the poor & righteous soul living actor” so long, righteous soul living actor mind= $1/\infty$, so long righteous soul living actor righteous soul living actor, even in the SEEN world “righteous soul living actor + body” so long, righteous soul living actor newly writing “righteous soul living actor (+creature) + body” so long, righteous soul living actor living in righteous soul living in destination place.

Righteous soul living actor with creature is “the poor & righteous soul living actor” living energy.

Creature is energy, running for the righteous soul living destination place time and space. Creation is micro concept point. Creature of righteous soul living actor use future knowledge through micro concept tunnel “ $-1/\infty \sim +1/\infty$ ” in this time and space living actor is

righteous soul living actor.

Righteous soul living actor of create is “living energy, moving energy, but also excitement energy” righteous soul living actor creating of excitement poem, song, paint, novel etc. Righteous soul living actor does live in excitement so that creation is excitement propelling energy.

Creation is only “righteous soul living in destination place actor and SEEN world righteous soul living in actor only use energy.

Righteous soul living actors are all variable so long in the ring, circle, any point to the center of circle is all righteous soul living, so long all of righteous soul living actor living in the SEEN world all difference because of righteous soul living actor run for the center of circle righteous soul living in destination place.

So called all of SEEN world righteous soul living actor is connected as micro concept point “ $-1/\infty \sim +1/\infty$ ” they are meeting in the road of to the righteous soul living in destination place. the road all of variable actors are live in “the poor & righteous soul living actors”.

They are living depend on “create” from righteous soul living destination place. All of living actor all difference, but all of righteous

soul living actor realized then, their living are righteous soul living actor.

They all living as righteous soul living “it shared time with others, help others and doing real love others”, this is righteous soul living actor. This righteous soul living actor can use “creature” from righteous soul living in destination place. This living in SEEN world hard living point of mind level living actor and wicked soul, but Righteous soul living actor use energy of “creature of knowledge” from righteous soul living in destination place, so then the only righteous soul living actor got a “creature”.

Topic: Righteous soul living excitement and wicked soul easy living seen by creative knowledge

In this book “Righteous soul living actor and creature” righteous soul living actor living in excitement is pleasure, but wicked soul living actor “easy living” is pleasure. This is must be watch in deep of creative in knowledge.

Righteous soul living actor live as “the poor & righteous soul living actor”

Wicked soul living actor live by the mind level rich actor, to be easy living, all of wicked soul living actor power “revenge and break” used to get “easy living”

Here is righteous soul living actor living place is “the poor living place”

Wicked soul living actor is “the rich and wicked soul living place”

In this book name is “Righteous soul living actor and creature” Righteous soul living actor must be survive with wicked soul living is main concerning thing, then righteous soul living actor use “creative in knowledge”.

So long, righteous soul living, wicked soul living and mind level living actor behavior must be seen with creative in knowledge, for the purpose of righteous soul living actor save living and safe retuning to the righteous soul living in destination place.

So long, < Righteous soul, wicked soul, mind level living actor place> graph, is well express, please see this.

A glimpse see then, mind level living actor place is not safe place, all of mind level living actor do run up to the top of peak, the place pleasure is “happy”, happy is same place with “the rich & wicked soul living place”.

Mind level living actor is salve because of doing not know “righteous soul living actor and wicked soul living actor existence, so that they run for the getting much more than others, they felt that getting much more than all, rich is can live, but actually mind level living actor peak position of happy =rich is not min level actor’s but the place already

occupied by “the rich & wicked soul living actor” the actor has strong power “revenge and break power” so long, mind level living actor only mind= ∞ , this living actor can win with wicked soul living actor “revenge and break power” so long, the mind level living actor all of time used, then their living wait of wicked soul “easy living”

Wicked soul “easy living” do not work anything to be “the rich and wicked soul living” just wicked soul rob the mind level living actor’s whole living result. So then mind level living actors are deceit from any source, that is mind, mind is still do not know UNSEEN world “righteous soul and wicked soul living world existence. So that mind to make mind level actor slaver of whole of living getting working to die, just all-time occupied as slaver of mind.

Mind keep lie to the mind level living actors, “do work hard then you get make much money is happy” so long, all of mind level living actor work for the purpose mind leading deceit knowledge complete

Wicked soul living actor live in top of the mountain, truly the place point is peak but there is not many, so long the place are struggling getting “easy living” rob mind level rich. So long they are all pursued “easy living” there is not real easy living but their place is “uneasy and unsafe place”.

But wicked soul living actor do not work like mind level living actor, but wicked soul living actor rob mind level living actor result. So long, naturally mind level living actor loses clearly because of wicked soul has strong power of “revenge and break power”.

But wicked soul living actor do not going down to “the poor & righteous soul living actor” they do not like “working, hard living” so that wicked soul living actor live top of mountain.

But “creative rich actor of righteous soul living actor” he is righteous soul living then, the actor build new asset before the asset was not, then, and the new asset creature of righteous soul living actor know that righteous soul living so that, “creature of righteous soul living actor” do not rob from wicked soul living so that, the created asset of problem solving from creation of righteous soul living in destination place. Then the righteous soul living actor of creature the actor behavior is “it shared time with others and helps others and doing real love others”. so long the righteous soul living actor run for the righteous soul living in destination place going so then, again the creature of righteous soul living actor returning to the “the poor & righteous soul living” place. Even in this SEEN world is all of actors are living but Righteous soul living actor is hard living, sacrifice living, even torture living. So long lowest place living actor is “the poor & righteous soul living” they are excitement living in the poor, the living is so excitement because of they are living “it shared time with others and help others and doing real love others”

Truly “the poor & righteous soul living actor” is not hard living, because they live with others righteous soul living. Even so hard then with others is shared hard so long the feeling is not hard.

But wicked soul living actor living is “the rich & wicked soul living is” even though the actor feel “easy living” the actor is single is not others, so long it must not doing “easy living”. Mind level living actor rich and happy is robbed by the wicked soul “easy living” so long the place single one living is a big lonesome, and the living is offended from others wicked soul living actor, because of the single “easy living” others wicked soul actor souls are anger so long, “the rich and wicked soul living actor” do not live in “easy living”.

So long in the <Righteous soul, wicked soul, mind level living actor place> mind level living actor do not safe just time all is try to get much more than others, so long mind level living actor horribly hard living compared with righteous soul living actor.

Mind level living actor getting much more than others, so long the actor also single living all of time used up for the purpose of money getting, so that mind level living actor do not live “it shared time with others and help others, but also doing real love others” so then, the mind level living actor are all just going up of middle so that they are try to getting out of the hard course but they are single so that mind level living actor keep hard living.

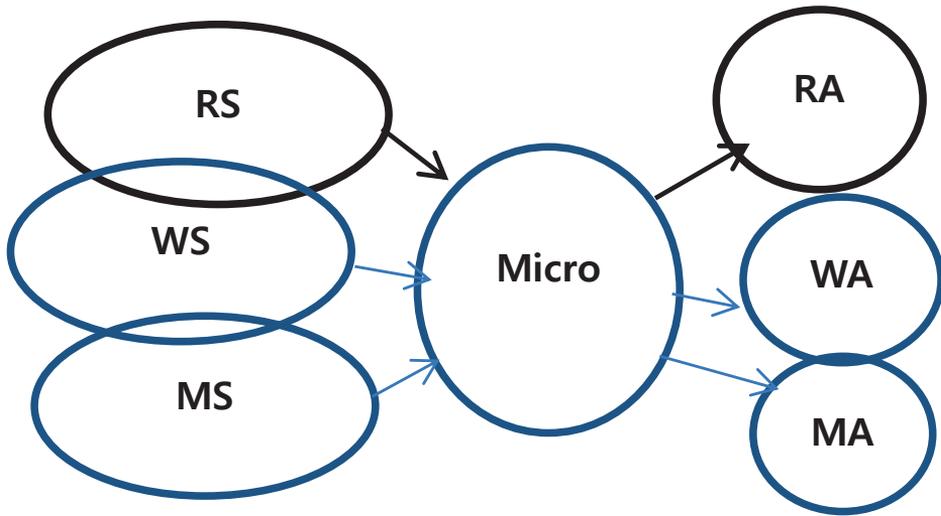

But mind level living actor fall to the bottom, then the actor of mind level living actor nothing but only bottom of “the poor & righteous soul living actor” place fallen mind level actor realize that mind level living was not true, from then mind level living actor know that righteous soul living actor behavior “it shared time with others, help others and doing real love others”. Cause of “the poor & righteous soul living actor” help the fallen bottom mind level actor. So long in the SEEN world “the poor & righteous soul living actor” living place is not top but bottom, the place is living “the poor & righteous soul living actor”. The place is living is mind = $1/\infty$, place so called then, the place is righteous soul living actor living place.

Topic: Righteous soul living actor creation definition 1

In this book “Righteous soul living actor and creature” righteous soul living actor living in this SEEN world, at now this has “creative” until then in this book definition is not appeared. Truly deep seeking it, it comes may be first stage of creation definition. Here is definition is Righteous soul living actor hearing broadcasting from righteous soul living in destination place, broadcasting contents are creature of

knowledge and excitement.

Broadcasting station

receiver of actor (one person)

RS: Righteous soul living destination place broadcasting station

RA: Righteous soul living actor of receiver

WS: Wicked soul living in destination broadcasting station

WA: Wicked soul living actor of receiver

MS: Mind broadcasting station

MA: Mind living actor of receiver

Micro: Micro concept gate “ $-1/\infty \sim +1/\infty$ ”

Righteous soul living actor of creation definition 1 is in the SEEN world righteous soul living actor living actor meet, hearing of Righteous soul living in destination place broadcasting of create and excitement contents. This is righteous soul living actor “creation”. So long righteous soul living actor through micro concept gate or tunnel “ $-1/\infty \sim +1/\infty$ ” hearing created knowledge from righteous soul living in destination place.

For this possible, it must be in the SEEN world living actor be $MIND=1/\infty$, and doing real love wicked soul so that wicked soul living actor must be mutation to righteous soul living actor. Then strong righteous soul living actor hears of Righteous soul living in destination place, broadcasting station radio etc.

The RS broadcast contents are “creation knowledge in the SEEN world” and “righteous soul living actor excitement art etc.”

So long righteous soul living actor can hear of RS Radio every moment then it must be live in righteous soul living in destination place even in the SEEN world of “righteous soul + body”.

Righteous soul living actor hearing of RS broadcasting to the righteous soul living actors, this is happened in SEEN world of an actor of righteous soul living actor through micro concept tunnel “ $-1/\infty \sim +1/\infty$ ”.

It was so hard definition 1 in this book main key word “creature” definition, but why definition 1 is please in this book progress then, much more correction “creature” definition comes, so long if more accurate definition comes then new definition number 1,2,3....

So long if an actor hearing of RS, it required

In the SEEN world Me(one person) structure is “wicked soul, righteous soul, mind and body” so long gradually changed to “mind= $1/\infty$, doing real love to the wicked soul form righteous soul living actor then, the wicked soul living actor also = $1/\infty$, then it come true of “righteous soul living actor + body”.

So long then, righteous soul living actor hears of righteous soul living actor RS’s creation of knowledge and excitement art Etc.

Why now in this SEEN world hard to get “creation” is mind level living actor case are all of souls are also hearing, it means that mind level living actor structure is “wicked soul living actor, righteous soul living actor, mind and body” so that mind level living actor try to hear then, all of broad casting sent to mind level living actor.

So long mind level living actor in the SEEN world, mixed broadcasting so long, the mind level living actor hearing is mind broadcasting “getting much more than other information” so but also wicked soul living in destination place “easy living” information is mixed hearing. So then just rarely by accident, some one here of righteous soul living in destination place broadcasting of “creation” and “excitement are etc. so long “creation” is hearing righteous soul living destination place broadcasting hearing.

But truly in the SEEN world, mind level living actor of structure “wicked soul, righteous soul, mind and body” mixed broadcasting stations send variable contents to the SEEN world “mind level living actors”.

So that an actor do not hear of “creation of knowledge” from noise variables RS, WS, MS broadcasting, so that mind level living actor can’t using solving from righteous soul living in destination place.

Righteous soul living actor does “creation” from RS, from righteous soul living in destination place.

Topic: Righteous soul living actor living with wicked and righteous soul of creating

In this book “Righteous soul living actor and creature” Righteous soul living actor and wicked soul living actor is from UNSEEN world so called micro concept world living actor.

Righteous soul is comes from righteous soul living destination place, so that righteous soul living actor hear of righteous soul living in destination place broadcasting hearing is usual.

But wicked soul living is comes from wicked soul living in destination place, so that wicked soul living actor hear of wicked soul living in destination place broadcasting hearing is usual.

In the SEEN world living, an actor structure is “wicked soul, righteous soul, mind and body”. So long an actor living is must be infer that an actor be live in wicked soul and righteous soul living is decided because of in the death of living actor must be reach at the wicked soul living in destination place, or Righteous soul living in destination place.

Here this book of “Righteous soul living actor and creature” righteous soul living actor live in the SEEN world is “the poor & righteous soul

living actor”. But also wicked soul living actor is “easy living” actor so long wicked soul living actor used power “revenge and break” to live in easy living, so that wicked soul living actor mind level reaching actor is targeting to be “revenge and break” to be easy living. So long mind level living actor “getting much more than others” so long, the mind level peak of “rich actor” must be revenge and break by wicked soul living actor.

In this book “Righteous soul living actor and creature”, here is creation is defined that SEEN world righteous soul living actor living actor meet, hearing of Righteous soul living in destination place broadcasting of create and excitement contents. Creation is only righteous soul living actor hearing from righteous soul living in destination place broadcasting hearing.

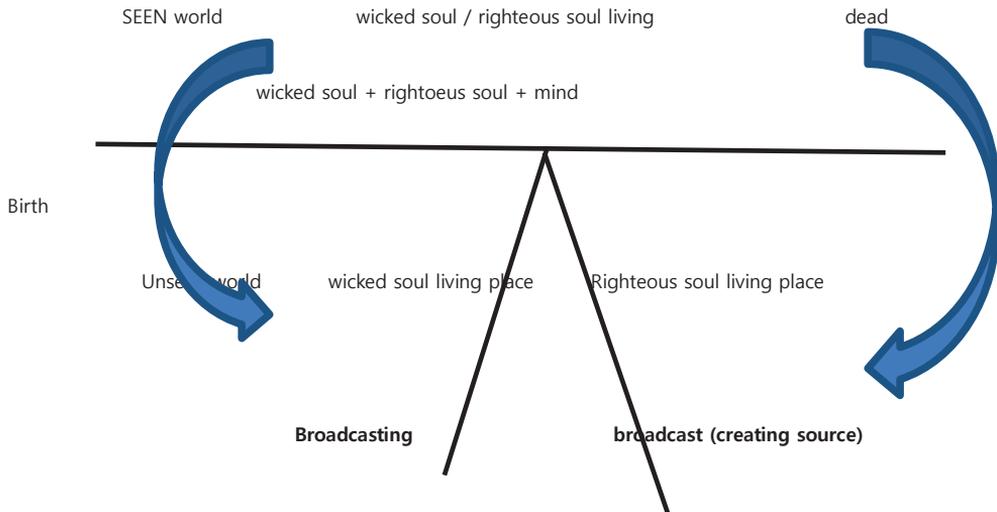

On the way of work place it comes to me, righteous soul living actor hearing today creation writing. That is how to live in this SEEN world, some actor live in righteous soul living, the other is wicked soul living what happened this?

This is one actor living is decide itself during in living, some is living in righteous soul living, they can hear Righteous soul living in destination broadcasting hearing. The broadcasting contents are “it shared time with others, help others and doing real love others”.

Righteous soul living actor live “the poor & righteous soul living” keep creation living, because “the poor & righteous soul living” in the SEEN world is hard and difficult living. On this difficult living of “the poor & righteous soul living” need to live creature of knowledge is required.

But wicked soul living actor selected living actor hearing of wicked soul living in destination place broadcasting hearing, the content is “how to easy living”.

So that wicked soul living actor to be easy living “revenge and break method will be broadcasting” so long, the wicked soul living actor perfectly living is same as “wicked soul living in destination place” to be easy use “revenge and break power”.

So long, infer that in the birth time, wicked soul and righteous soul living actor 1:1 combined with SEEN world governing mind then it must be living in the SEEN world, so long, this is one of body actor so that in the body place “wicked soul, righteous soul, and mind” is living.

How to live it means that doing live in “the poor & righteous soul living” or “wicked soul of easy living” is big decision or select is wait of birth living actor.

In the SEEN world living, the point of mind level, then rich and poor is happening, so long mind level living actor all want to live in “rich” so then, the poor is hated to live on. In the mind level living actor, so long so simple being rich is better, the poor living is worst. Then, naturally all of living actor run for being rich. Mind level living actor helped only mind, so long mind do not know UNSEEN world living

experience so that, all of living actor structure “wicked soul + righteous soul + mind” then now mind know “righteous soul + wicked soul” but mind is deceit all of mind level living actor to push to be live mind level actor to live rich living.

In this book “Righteous soul living actor and creature” a Righteous soul living actor knew exist of UNSEEN world righteous soul living destination place. So long the actor live “the poor & righteous soul living” this is hard living, it must be self-mortification. But truly in this living is “the poor & righteous soul living”.

Actually “the poor and righteous soul living actor” lives in hearing of righteous soul living in destination place broadcasting. So long the “the poor & righteous soul living actor” live in excitement because of in this SEEN world, the righteous soul living actor same of UNSEEN world broadcasting hearing.

Topic: righteous soul living actor's nothing of creature

In this book "Righteous soul living actor and creature" until then lose concentration why I'm try to writing. On the way work place, I felt that living peace is I'm doing this. I realized as way of finding of micro concept point " $-1/\infty \sim +1/\infty$ " this is my realized result.

It must be micro concept point is " $-1/\infty \sim +1/\infty$ " is "Nothing" today morning comes to me by creature, so long from righteous soul living destination broadcasting hearing. As I'm living in righteous soul living, I said to me and pray about my "the poor & righteous soul living actor". Here is "the poor" is not a same mind level living actor "the poor", here is "the poor" is righteous soul living world "the poor" it is distance from wicked soul living so long wicked soul living actor try to live "easy living" so long, righteous soul living actor is "difficult and hard living".

"the poor & righteous soul living" is Righteous soul living actor survive best condition so long, "the poor & righteous soul living actor" "The poor" is defined. Truly I did not know that but also until "the poor" as mind level living "the poor" and righteous soul living "the poor" is regarded as that, but actually "the poor" is same in the SEEN world. "The poor is still hard living whether mind level or righteous soul" but in the SEEN world mind level "the poor" discriminated "the poor and wicked soul" from "the poor & righteous soul" so then in

the SEEN world, ignorance the poor is “the poor & wicked soul” true living of righteous soul living “the poor” is “the poor & righteous soul living actor”. In this time “the poor “is clearly explained.

Righteous soul living actor’s nothing of creature, this is righteous soul living broadcasting, so long I hear of it, then “ righteous soul living actor broadcasting say that “Nothing”” so long, on this time I will make me realized to be peace living.

Why I’m living like that, I’m losing concentration of my “The poor & righteous soul living”, so it required to me, why “the poor & righteous soul living” that is must be “peace living”.

While I have been dreamed “someday it will come to me the good time” this is my living is not $\text{mind} = 1/\infty$, but I said to me my living is “the poor & righteous soul”, but also righteous soul living actor tunnel going for the righteous soul living in destination place to get “create”. Then it must be righteous soul living actor moving, so naturally the righteous soul living actor live in the micro concept place “ $-1/\infty \sim +1/\infty$ ” then naturally the righteous soul living actor is $1/\infty$, so long righteous soul living actor is “Nothing”. Micro concept point is “ $-1/\infty \sim +1/\infty$ ” = “Nothing”. Then it must be to be live in peace and righteous soul living then, the actor is “ $-1/\infty \sim +1/\infty$ ” = “Nothing” so then righteous soul living actor live in micro concept place “ $-1/\infty \sim +1/\infty$ ” = “Nothing”.

So long it is already has been righteous soul living place, so long on the way to world place, righteous soul living destination broadcasting saying is the place is usual, so that “ $-1/\infty \sim +1/\infty$ ” = “Nothing” is just remind righteous soul living actor of “ $-1/\infty \sim +1/\infty$ ” = “Nothing”.

In the SEEN world “righteous soul living + body” then it must be infer that it don’t necessary of “in the someday I will be good day” this dream itself is I’m not living “the poor & righteous soul”.

So long here is to be live as “the poor & righteous soul” is “ $-1/\infty \sim +1/\infty$ ” = “Nothing” of soul living, so that “ $-1/\infty \sim +1/\infty$ ” = “Nothing” is means that do not dream of “in the someday I will be good day”.

In this SEEN world “the poor & righteous soul” living actor “peace living” is same as “ $-1/\infty \sim +1/\infty$ ” = “Nothing”. So long righteous soul living actor of “the poor” is much more clear of righteous soul living of “the poor”, here is the poor is “ $-1/\infty \sim +1/\infty$ ” = “Nothing”.

In the SEEN world, an actor living is “peace” then it must needed before said, there is not to get “peace” so long, the peace living is “the poor & righteous soul living of “ $-1/\infty \sim +1/\infty$ ” = “Nothing”.

To be peace and righteous soul living in excitement is must be live in the space and time is “ $-1/\infty \sim +1/\infty$ ” = “Nothing”.

In the SEEN world righteous soul living is “ $-1/\infty \sim +1/\infty$ ” = “Nothing”.

This is creation of righteous soul living traveling to the righteous soul living in destination place safe returning.

Topic: The poor & righteous soul creation living go for righteous soul living in destination place

In this book “Righteous soul living actor and creature” The poor & righteous soul living actor with creation going for the righteous soul living in destination place.

The poor & righteous soul living actor hears of righteous soul living in destination place broadcasting. Then “the poor & righteous soul” living in the SEEN world it already mind= $1/\infty$.

“the poor & righteous soul living actor” living time is so hard, and difficult then if righteous soul living actor hear of righteous soul living actor broadcasting of righteous soul living actor excitement under the poor living with creature of knowledge.

“The poor & righteous soul living actor “and “creature of knowledge” is running for the righteous soul living in destination place. So long righteous soul living actor must be live in the micro concept world. So called it is micro concept place “ $-1/\infty \sim +1/\infty$ ” so long, righteous soul living actor used future knowledge through micro concept tunnel “ $-1/\infty \sim +1/\infty$ ”, here is “future knowledge = creature of knowledge= righteous soul living in destination place broadcasting”.

“The poor & righteous soul actor” even poor in righteous soul living, so then, it must be MIND level living actor estimated as the poor is hate to live on, because of mind level living actor is SEEN world average living actors, they are all simple do not go for the deep but, MIND is “getting much more than others” so long, the MIND do not going deep but also do not live in creature so that MIND level living actor “if someone solve the problems I will use making much more than others”. but “the poor & righteous soul living actor live with “future knowledge = creature of knowledge= righteous soul living in destination place broadcasting”. This is the poor living of righteous soul living actor excitement.

“The poor & righteous soul living actor” runs to the righteous soul living in destination place.

In the SEEN world living, wicked soul living actor tries to live “easy living” so long, wicked soul living actor use “revenge and breaking power” so long, they are not use “future knowledge = creature of knowledge= righteous soul living in destination place broadcasting” so long, wicked soul living actor live in remained a place, so called the place is prison who is not get out of wicked soul living place in

the SEEN world.

In the SEEN world, wicked soul is living in remained used the knowledge $-\frac{\infty}{0} \sim -1/\infty$ “so long, wicked soul living actor “easy living” then but do not like to live hard and difficult living, so that the wicked soul living actor cant out of wicked soul living in place in the SEEN world.

“The poor & righteous soul living actor” lives in all of principle of righteous soul living destination living rule.

In the SEEN world living “the poor and righteous soul living actor” is same with righteous soul living actor recognition so that, the righteous soul living actor same with eternity to recognition.

But in the SEEN world mind level living actor has $\text{mind}=\infty$, so long, mind level living actor see a feature then the feature is not change but mind level living actor mind is variable so that, the mind level living actor understand difference.

Mind level living actor recognition is changed, an actor principle capacity, time, and desired of degree. So long mind level living actor recognition is “an actor principle capacity + time+ desired of mind degree” is recognition decided.

So long mind level living actor recognition is changed by the time, morning time, noon time, and night time is all is not same recognition with an actor principle capacity and desire of mind degree.

So long righteous soul living actor is $\text{mind}=1/\infty$, then righteous soul living actor recognition is “righteous soul living with time” then, righteous soul living actor live in eternity living, so long righteous soul living actor recognition is not changed.

But righteous soul living actor hear of righteous soul living in destination place, broadcasting knowledge so called in the SEEN world receiver of righteous soul living actor feel “creation of knowledge recognition” so long, righteous soul living actor run for the righteous soul living in destination place.

This righteous soul living actor must be only process is “Creative of knowledge” this is only righteous soul living actor give real and perfection of true, because of mind level living actor there is not real, all is false truth, so that, righteous soul living actor feeling is only true, so that righteous soul living actor live in real living in the SEEN world.

Topic: righteous soul living actor runs with helping creature of knowledge

In this book “Righteous soul living actor and creature” Righteous soul living actor is main actor, the actor living must righteous living which is not wrong doing. How to live is possible righteous soul living actor correction living further more real living. That is righteous soul living helper of creature of knowledge.

Righteous soul living actor run on the road of building made of creature of materials. Because of righteous soul living in the SEEN world is “the poor & righteous soul living actor”, so long the actor living is difficult and so hard living. So long “the poor & righteous soul living actor” keep run for the righteous soul living in destination place.

“The poor & righteous soul living actor” who is in difficult and hard living keep going to be reach at or safe returning to the righteous soul living in destination place. “The poor & righteous soul living actor” lives in adventure in the SEEN world. Because the living is difficult who knows in the SEEN world living actors is “the poor & righteous soul living” is righteous soul living.

Then in the SEEN world “easy living” actor is in the Level of mind “easy living” is do not living with righteous soul living but easy living; “it shared time with others, help others and doing real love others”. But “easy living” then this living actor is from UNSEEN world, the actor mission is “revenge others, break others” so long, the actor power is huge, but the living is “easy living” so long, all of mind leveling living actor envy “easy living” actor.

Truly “easy living actor is wicked soul living actor” but all of mind level living actor aim to be “easy living actor” say again they are not living of righteous soul living; “it shared time with others, help others and doing real love others. So then, “easy living” is not having “righteous soul living in destination place” their living terminal is “wicked soul living in destination place.

Righteous soul living actor do live in “it shared time with others and help other but also doing real love others” so long, it required living problems solving. Righteous soul living actor is “the poor & righteous soul living actor” in the SEEN world.

Righteous soul living actor living in mission is “get lover to the righteous soul living in destination place. So long, righteous soul living actor living is hard. But in the SEEN world “the poor & righteous soul living” is only use UNSEEN world living tools to live on “doing real love”, this “doing love is” wicked soul living actor

making to righteous soul living actor change, and in the SEEN world real lover find and real love making to be live as righteous soul living.

It must be lover wicked soul living then, the righteous soul living actor doing real love lover. This is righteous soul living actor mission clear so long it must be first survive in the SEEN world, so that the righteous soul living actor must be live “the poor & righteous soul living actor”.

“The poor & righteous soul” must run for the righteous soul living in destination place, then “the poor & righteous soul living actor” then the actor faced variable problems;

“The poor and righteous soul living actor is hard to support “body living” because of “the poor & righteous soul living” actor all loser to the “easy living” of wicked soul living actor. So that it must be solving the support of maintenance of “body is living”.

“The poor & righteous soul living actor” must be surviving from wicked soul living actor “revenge and break”.

In the UNSEEN world of SEEN world, an actor living time of structures “wicked soul, righteous soul, mind and body” then, Righteous soul living actor survive living with wicked soul.

In the SEEN world righteous soul living actor try to find “lover” who is in the wicked soul living actor so then, again righteous soul living time same structure forming; “righteous soul living actor meet lover of wicked soul living actor” then righteous soul living actor to live in righteous soul living mission clear, so that righteous soul living actor living with wicked soul living actor.

Righteous soul living actor living is host living; he is he, not others, so long, righteous soul living actor runs for the righteous soul living in destination place.

How to run to the righteous soul living actor, so long, the righteous soul living actor must be follows all of problems what I said before. So long, “the poor & righteous soul living actor” must be live in so difficult living.

This is righteous soul living actor running; this running is with “creature of knowledge”. Righteous soul living actor living tools are comes from “doing real love others”; is from righteous soul living world. So that “doing real love” create “forgive and creature”, forgive is “the poor & righteous soul living actor relationship with wicked soul and mind level living actor damage curing.

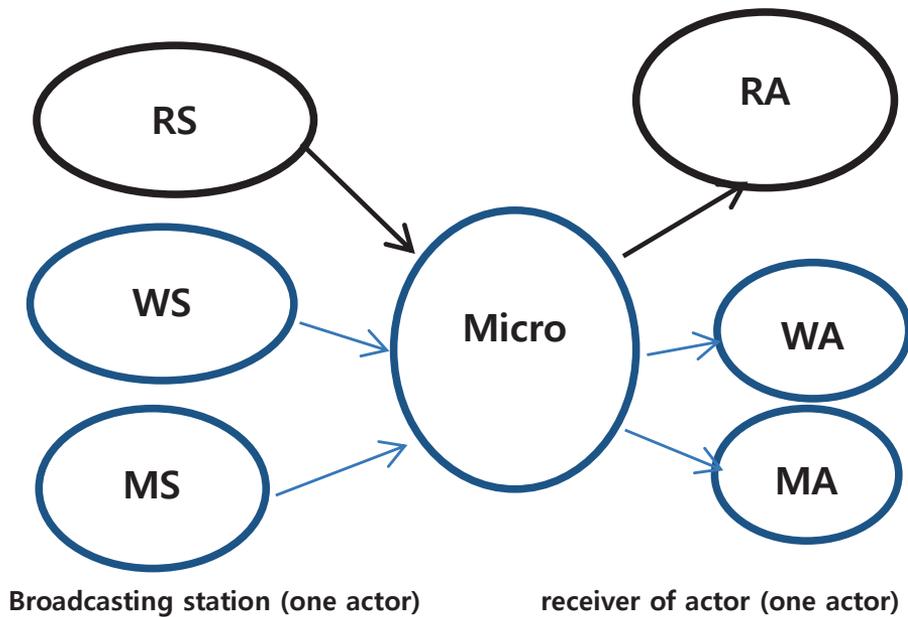

But also “creature” is “poor & righteous soul living actor” faced problems soluble tools. “The poor & righteous soul living actor” is keep going to the righteous soul living in destination place. in this process “create” is real helper to live on and running for the righteous soul living in destination place.

Topic: righteous soul living actor of creature 2

In this book “Righteous soul living actor and creature” this book writing beginning just one time arrangement of “creature” so that this time is I called that “creature 2”, this is topic but still I’m saying “creature”.

In this book “creature” is start from creature 1 definition.

Creature 1 definition is “Righteous soul living actor hear of Righteous soul living in destination place broadcasting hearing. To this possible, it must be one actor UNSEEN world, wicked soul and mind level living actor must be disappeared from UNSEEN world.

In this SEEN world under the mind =∞ situation, still all of living actor structure is all “wicked soul, righteous soul, mind and body” so long, in this place, still mind=∞, then it must be receive of actor three

in an space of one actor. But also broadcasting station also tree in the same space, so that in the mind is limitless then, the actor hearing what an actor want to hearing of actor problems solving creation of knowledge is mishmash condition.

Truly three broadcasting is endless giving broadcasting. So long each broadcasting contents are

- ① RS: Righteous soul living in destination place broadcasting: in the SEEN world righteous soul living actor of “the poor & righteous soul living” “it shared time with others, and help other, but also doing real love others” but also SEEN world mission “take LOVER to the righteous soul living in destination place” so long, in the SEEN world “the poor & righteous soul living actor” keep hearing creature of knowledge.
- ② WS: Wicked soul living in destination place broadcasting: in the SEEN world wicked soul living actor of problems solving broadcasting contents; to live “easy living” all of wicked soul living actor use all of power, wicked soul living actor mission “revenge & break” power also used being “easy living”. So long, WS keep sending to “revenge and break”

- ③ MS: MIND level living actor mind living behavior”Getting much more than other rich & happy” MS: send these problems solving contents. MS broadcasting is so power, they are real broadcasting in the SEEN world, and UNSEEN world MS also strong power.

MS sending there is no ① RS: Righteous soul living in destination place broadcasting and ②WS: Wicked soul living in destination place broadcasting. MS disturb of RS, WS broadcasting.

What is “creature 2” it already structure creature producing system realized. So long then, it must be in the SEEN world, how to hearing of creation of knowledge from sending “RS” but truly in the SEEN world, living actor hard to live “RS, WS, MS” because of SEEN world living actor is ∞ ; endless so that truly in the SEEN world living actor feel of body feeling.

But actually feeling is not body; this is all of “MS” broadcasting strong contents of disturb of “RS, WS” even, so long, “MS” argue of “there is no UNSEEN world, just only SEEN world is only is” so then, mind level living in SEEN world is just nothing, MIND is only nothing, but actually “righteous soul living actor and wicked soul living actor” is organic, so long, MIND level UNSEEN world “MS” broadcasting is not “true” because of “MIND” is SEEN world inorganic material.

But still MIND of “MS” keep broadcasting “mind living actor knowledge is true” but that is only “getting much more than others” this is some true but this is just so little living because of, out of MIND living world, there are others world UNSEEN world is much more big portion of real living is “wicked soul living world” and “righteous soul living world”.

So long, actually an actor real living is “righteous soul living actor” then it must be “the poor & righteous soul living” is righteous soul living world real living, but in the SEEN world, mind level living actor treat as “the poor” is “called really hate to live on, fear of the poor living”, then MIND level living actor do not SEE “The poor & righteous soul living actor”.

What is “create2” righteous soul living actor hearing of “RS” broadcasting, keep hearing, so long, then all of “the poor & righteous soul living” actor living problems all be solved, so long then “create 2” is hearing “RS” Broadcasting.

Topic: “the poor & righteous soul living actor” and creature

In this book “Righteous soul living actor and creature” The poor & Righteous soul living actor live in this SEEN world. Until then I have been written “the poor & righteous soul”, so long what is the “the poor & Righteous soul” so long, then here is the poor of mind level living actor recognition is “unit eat, unit sleeping place, unit clothes” so long, “the poor & righteous soul living actor” feature is somewhat imagined.

“the poor & righteous soul living actor” and “creature” is in this book “Righteous soul living actor and creature” term definition then with using terms combined then it must be explained.

“The poor and righteous soul” related terms are $\text{mind}=1/\infty$, “it shared time with others and help others but also doing real love others”. With this righteous soul living actor mission is “bring Lover to the righteous soul living in destination place. from “doing real love others” derived helped of “the poor & righteous soul” is “forgive” which is helping living with wicked soul living actors and mind level living actor relationship by product cleaning. “Creature” righteous soul living actor going forward to safe returning righteous soul living in destination place make possible.

“The poor & righteous soul living” and creature is what it did as defined that “the poor & righteous soul living actor” run for the righteous soul living destination place.

Here is “creature” definition is another “hearing broadcasting of righteous soul living destination place” so then, “the poor & righteous soul living actor” must be can hear of righteous soul living in destination broadcasting sending contents hearing is “creature”. This is must be new in this SEEN world, it must be in the SEEN world is solving the problems. So long righteous soul living in destination broadcasting is “create of knowledge” creating source.

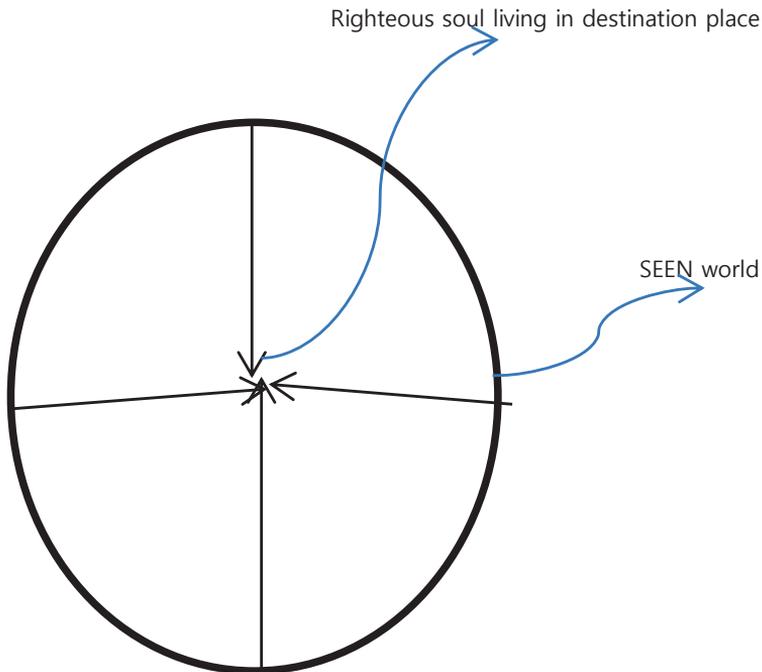

“The poor & righteous soul living actor” and “creature” then here is “the poor & righteous soul living actor” running for the righteous soul living in destination place possible power is “creature”

This creation is hearing of righteous soul living in destination place broadcasting. Then, it must be broadcasting contents is must be solution of living of righteous soul living actor behavior “it shared time with others, help others and doing real love others”, while doing in mission carry “ bring back Lover to the righteous soul living in destination place”.

Then “the poor & righteous soul living actor” living is so hard and difficult, so long, righteous soul living destination place broadcasting

contents are “song” “creature of knowledge” “righteous soul living actor safe retuning success stories” and “tip of overcoming in the SEEN world the poor and righteous soul living time” but also “righteous soul living in destination place good news” etc.

“The poor & righteous soul living actor” and “creation” is in the SEEN world hard time living in front line, then “the poor & righteous soul living actor” creative knowledge is super power to live on and running for the righteous soul living in destination place.

Here is arrows toward to center of circle is righteous soul living actor running to the righteous soul living in destination place. So variable many righteous soul living actors are living for the purpose of safe returning back to the righteous soul living in destination place, “the poor & righteous soul living actor” hear of “creation of knowledge” from righteous soul living in destination place broadcasting.

All of living actor of righteous soul living actor distance is same; all of righteous soul living actor can reach at the righteous soul living in destination place. “Righteous soul living in destination place” is not an only in distance but the place is in deep place. so long to go deeper then, actually in the actor of SEEN world living, then one actor righteous soul living actor hearing of vertical and round of deep place righteous soul living in destination place broadcasting hearing is possible to safe returning in righteous soul living in destination place.

If righteous soul living actor near the righteous soul living in destination place, then righteous soul living in destination place broadcasting hearing is clear. So long as righteous soul living actor righteous soul living in energy getting strong then, the righteous soul living actor clear hearing of “righteous soul living in destination place same living” even actually righteous soul living actor is not real at the righteous soul living in destination place.

So long “the poor & righteous soul living actor” and creation is so essential to run for the righteous soul living in destination place.

Topic: Righteous soul and micro concept of creature of knowledge

In this book “Righteous soul living actor and creature” Righteous soul and micro concept of creature of knowledge.

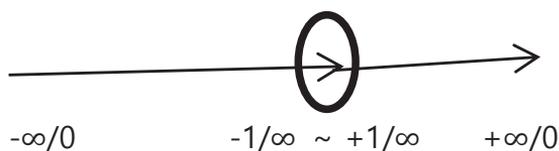

Righteous soul living actor comes of these process, at first “wicked soul, righteous soul, mind +body” in this structure recognized of “ME” in this SEEN world, so that in this time, it is not possible, of righteous soul living behavior “it shared time with others, help others and doing real love others”.

Micro concept point is $(-1/\infty \sim +1/\infty)$, this is righteous soul living place. In this place Righteous soul living actor living with creature of knowledge form righteous soul living in destination place.

Then in this point, in the SEEN world living actor structure is “Righteous soul + body” so long in this time, there is wicked soul, and mind, it means that “Righteous soul + body” will not to be attacked from wicked soul of “revenge and break power”. So long, in this time is very important true is there is “me” in this SEEN world.

“righteous soul + body” is not feeling in “Me” but feeling is “righteous soul” so long, in this time and space is feeling of “righteous soul” so long this is so important, I write so many times but I could not understand of what happened of “righteous soul + body” there is no “ME”. So long there is no “ME” so that Wicked soul and mind target is not in the SEEN world. This so important to live on, here is only living in righteous soul is feeling in “righteous soul”.

In this book writer, me learning how to erase all of “wicked soul + mind is “ME”” is so long if I feel in “righteous soul + body” is “nothing” feeling, so long, there is no recognition “ME” so then, there is no “me” means that, there is not wicked soul to me, and mind level living actor is not to me. This is real important because of being “nothing” so long, “nothing of righteous soul + body” so long, here is SEEN world body is righteous soul living place only, so long, the body feel “nothing”, so then, it is righteous soul.

Micro concept world

Wicked soul, righteous soul, mind + body is in the place of “ $-\infty/0 \sim -1/\infty$ ” in this time an actor structure is “wicked soul, righteous soul, mind +body” if feeling in “ME”. In this time “ME” is feeling all of fear, lonesome and desire and getting much more than others, but also try to live in “easy living” so long, the place deceit and “revenge and break power” is happened place.

But as $\text{mind} = 1/\infty$ so long all of mind problems are all disappeared so long, it comes “wicked soul and righteous soul, so long, righteous soul natural power of “doing real love” wicked soul so then wicked soul changed to righteous soul, so long an actor has structure of “righteous soul +body” then, it is place in the micro concept world “ $-1/\infty \sim +1/\infty$ ” so long in this place living actor only is “righteous soul” so long, in the place of micro concept world “righteous soul +body” so then here is not “wicked soul, and mind of “ME”” so long in the micro concept place is not “ME” so that Righteous soul living actor lives naturally “it shared time with others, help others but also doing real love others”.

In this book “Righteous soul living actor and creature” here is creature is this disappeared me is knowledge through micro concept tunnel “ $-1/\infty \sim +1/\infty$ ” hearing righteous soul living in destination place broadcasting, while hearing broadcasting then it comes to righteous soul “there is not “ME” in the righteous soul” it is so excitement to the righteous soul.

Righteous soul living actor mission is not changed; because of the mission is “righteous soul bringing back lover of righteous soul to

the righteous soul living in destination place”. Righteous soul living behavior is “it shared time with others, help others and doing real love others”.

This is not same of SEEN world “mind level living place recognition” so then, here is writing expression is borrows from mind level living world, but actually “righteous soul living in the UNSEEN world unit of righteous soul is discriminated but in the micro concept world “ $-1/\infty \sim +1/\infty$ ” so long, in the SEEN world is feeling in “nothing” but in the righteous soul living actors are recognized as souls living. So long here is not same as SEEN world mind but there is righteous soul living place Righteous soul living actors are can be discriminate each righteous soul living.

But still much more important thing is in the SEEN world, “righteous soul + body” then here is wicked soul of “easy living” and mind level living actor of “getting much more than others” so long this SEEN world disappeared of feeling of “ME”. So then here is “righteous soul living behavior is “it shared time with others, it helped others, it doing real love others” so long, as writer of this book I am shock of this creature of knowledge.

I was surprised this creature of knowledge, this creature of knowledge I got am 4 o’clock, in the meditation. Until then I was perplexed how to erase of wicked soul and mind to me, so long, I felt even I create “righteous soul + body” then this actor also feel of “ME” but in this time my realized then it is “righteous soul + body” is out of “ME”, it

is nothing.

So long, out of “ME” nothing of “righteous soul +body” is perfect free from wicked soul and mind level problems. “Righteous soul +body” is feeling of righteous soul feeling. “Righteous soul feeling is feeling in excitement.

Nothing of righteous soul feeling is same as UNSEEN world, righteous soul living actor feeling. So long “Nothing of righteous soul” feels in so excitement seeing of nature of SEEN world. Righteous soul living is free from wicked soul, mind level, so long it is safe returning to the righteous soul living in destination place.

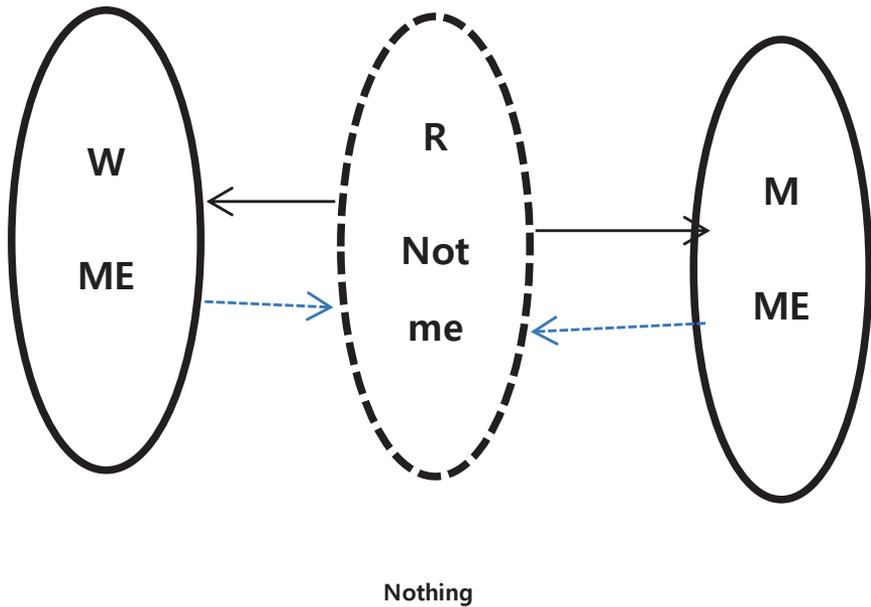

2016.9.13

Topic: Righteous soul SEEN world feel free of “ME” feeling with creative knowledge

In this book “Righteous soul living actor and creature” Righteous soul is not “ME” but in the mind level living actor has “ME” world concept. but in the righteous soul living of micro concept world “ $-1/\infty \sim +1/\infty$ ”

there is micro concept world righteous soul living actor feeling, because of there is micro concept world righteous soul living actor is major actors. In the mind level “righteous soul” is progressive from “wicked soul, righteous soul, mind and body” decreased “wicked soul, righteous soul, mind= $1/\infty$ and body” and “wicked soul= $1/\infty$, righteous soul, mind= $1/\infty$, and body” so then it create of “righteous soul +body” so long, in the mind level; wicked soul, mind is “ME” but righteous soul living actor behavior; “it shared time with others, helping others and doing real love others”. So long righteous soul living actor wicked soul “easy living”= $1/\infty$, mind level living actor of “getting much more than others= $1/$ ” so long in this SEEN world “ME” feeling is not “easy living” and “getting much more than others”. So then Righteous soul in this SEEN world, wicked soul, mind level as $1/\infty$, so long “ME” is not appeared to the “righteous soul living actor”.

In this SEEN world, Righteous soul living there is “me” so then Righteous soul is “nothing”. So then in the SEEN world, so long, “ME”=“nothing” so long, in this place, explained in the SEEN world. SEEN world is living wicked soul, mind level living, and righteous soul living actors. So long, if in that place righteous soul living actor are living then, the place is

W: wicked soul, R: Righteous soul, M: mind level

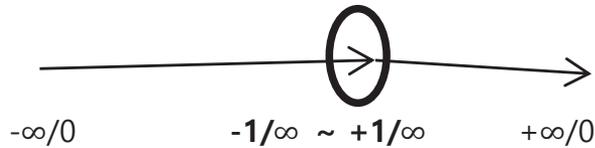

R=not me= Nothing: "it shard time with others, help others, and doing real love other"

Here is Wicked soul living actor and mind level living actor acted from righteous soul living actor of "it shard time with others, help others, and doing real love other". But it does not have to pay back to the righteous soul living actor because righteous soul living actor is "nothing".

So then in the SEEN world righteous soul living actor make bright around of righteous soul living actor. Righteous soul living actor here

is free from wicked soul living actor “revenge and break power”.

Actually righteous soul living actor live in micro concept living place

Micro concept place

So that in the micro concept place wicked soul living is not so long, righteous soul living actor of in the SEEN world, the righteous soul living actor. So that righteous soul living actor behavior is possible; “it shard time with others, help others, and doing real love other”.

This means that righteous soul living actor get from righteous soul living in destination place, broadcasting hearing in the micro concept place “ $-1/\infty \sim +1/\infty$ ” so long, righteous soul living actor is “not me” and “nothing” so long, wicked soul do not feel of targeting because of “nothing”.

So that righteous soul living actor receives “creative knowledge” then do solve in the SEEN world.

Righteous soul living actor of nothing must be source of creating in the SEEN world, so long in the SEEN world actor then, the place is micro concept point “ $-1/\infty \sim +1/\infty$ ”.

Topic: mind= $1/\infty$ being righteous soul and running for righteous soul living in destination place

In this book “Righteous soul living actor and creature”, righteous soul living actor appeared to righteous soul with mind= $1/\infty$, righteous soul living actor realized. So long, righteous soul living actor in the SEEN world, righteous soul living actor run for the righteous soul living in destination place.

Righteous soul is recognized as “not me” but righteous soul, so long, “not me” it disappeared from wicked soul living actor “revenge and break” therefore “righteous soul living actor= not me” then, here is not me then “nothing”.

“Nothing” so long, righteous soul living actor behavior “it shared time with others, help others and doing real love others” in this time,

there is no “Me”.

Righteous soul living actor as “not me” then, it really disappeared from “mind level living actor place” but also wicked soul “revenge and break” target also disappeared.

Righteous soul living actor hears a creative knowledge from righteous soul living in destination place broadcasting. Until now my book is depend on this, righteous soul living actor hearing of creating knowledge from righteous soul living in destination place broadcasting.

Righteous soul living actor = “not me”= “Nothing” so long, righteous soul living actor behavior then it must be “nothing shared with others, help others, and doing real love others”.

But also here is can be rewrite, “the poor & righteous soul” it must be “the poor & not me= nothing” so long, in the SEEN world, it must be “the poor & righteous soul” is “the poor & nothing” therefore “the poor & nothing= vacant” so long, it must be seen “the poor”.

So long “the poor” express of “the poor shared time with others, help others and doing real love others”. Righteous soul living actor mission clear of getting back lover to the righteous soul living in

destination place” here is “the poor” must be not seen from wicked soul and mind level so long, “the poor & righteous soul” be live in strong righteous soul, so long righteous soul do real love “LOVER” who is not now righteous soul, so long, “The poor & righteous soul” is nothing, so long, “ the righteous soul only living is keep going with “lover” who be changed in to “righteous soul living actor”.

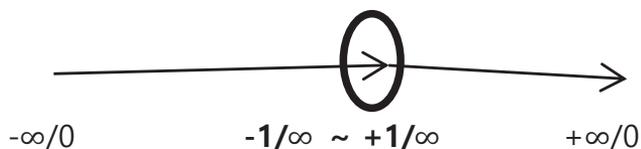

“LOVER” of righteous soul living actor realized that “lover” feeling in righteous soul living actor mission is also “bring LOVER back to righteous soul living in destination place”. This is perfect living in the SEEN world.

So long, rewriting is “Righteous soul living actor originality is “=not me”= nothing” here is “righteous soul living actor do real love “lover of not now righteous soul” here is “ lover of wicked soul” try to “revenge and break” but there is no target of “revenge and break” so that, originality righteous soul living actor= not me= nothing, so long here is “ Nothing do real love wicked soul of “LOVER” so that, “righteous soul living actor help and real love of “lover righteous soul” so long, “lover” of wicked soul changed into being of righteous soul of “LOVER”.

Here is “righteous soul” do real love “righteous soul of LOVER” adversely “lover of righteous soul living actor” do real love “originality righteous soul”. So long both righteous souls living actor does real love each other.

“Righteous soul living =not me= nothing” do real love “righteous soul living = not me= nothing” so long, “Nothing” do real love “Nothing” this is UNSEEN world righteous soul living in destination place living.

Actually righteous soul living actor live in micro concept living place

Micro concept place

“Nothing” live in the micro concept place “ $-1/\infty \sim +1/\infty$ ” so long, in this place it never be target of wicked soul living actor’s “revenge and break”.

Righteous soul living actor keep run for the righteous soul living in destination place, so then it must be keep doing “it shared time with others, help others and doing real love others” so long, the mind level living place, then the actor must be “the poor & righteous soul” so long, “the poor & Nothing” so long, actually SEEN world living actor see “the poor”.

In this Righteous soul living in destination place, the poor is not matter but the “righteous soul living actor is major, so long in the SEEN world “nothing” is in the UNSEEN world “righteous soul living actor is SEEN in the UNSEEN world.

Actually SEEN world, righteous soul is shown to “the poor” so long, UNSEEN world righteous soul is SEEN of righteous soul, but it is not seen “the poor” because of “the poor” is mind level by products.

So long in the micro concept place is SEEN and UNSEEN world so long there is “nothing” that place but righteous soul living actor run to the righteous soul living in destination place, then the righteous soul living actor revive in the UNSEEN world righteous soul living SEEN each other so that there is living righteous soul living actor live in with “LOVER” forever.

Topic: Righteous soul keep in mind= $1/\infty$ and helping creature of knowledge

In this book “Righteous soul living actor and creature” in the SEEN world righteous soul living actor very often out of righteous soul living, so that it needed watch out not to be out of righteous soul.

Here is getting out of righteous soul then, it must be before righteous soul not in the mind level living place, but also here is wicked soul living actors. So long as righteous soul living actor revealed into top dangerous with wicked soul and mind level living actor. So long in this cases, before righteous soul living actor can't live in the SEEN world living. Righteous soul living actor feel in the SEEN world, the righteous soul living actor out of righteous soul then feeling is broken “peace” get into there is no problems solving. So long righteous soul living actor watch out not to be cross over still keep mind= $1/\infty$ is necessary.

Righteous soul and mind= $1/\infty$, in the SEEN world necessary, how to keep mind= $1/\infty$, it is required time deep meditation as possible as can write a book, so then in the time of writing book then it comes again “righteous soul living” in the time of writing then keep in still “righteous soul”.

Righteous soul living actor must be maintaining hearing broadcasting from righteous soul living in destination place. This is creature of knowledge, how to live maintain in safe righteous soul living.

Righteous soul living actor hearing broadcasting from righteous soul living in destination place is safe living in “righteous soul living”. Righteous soul living actor does not survive in the mind level and wicked soul living actor place. So that righteous soul living actor is watch out not to be out of mind= $1/\infty$.

Righteous soul living actor living is “the poor & righteous soul” it must be variances being $1/\infty$. Righteous soul living criteria cross over then righteous soul living actor can’t live “peace” in a moment.

In the SEEN world only living of righteous soul living actor is “it shared time with others, help others and doing real love other”. Righteous soul living behavior is this, so that is righteous soul living actor keep in peace. This is righteous soul energy saving and creating of righteous soul living energy.

As acceptor of broadcasting from righteous soul living destination broadcasting center, so long, righteous soul living keep hearing creature of knowledge. This creature of knowledge help righteous

soul living actor survive SEEN world living. Righteous soul living actor tries to hear of broadcasting from righteous soul living in destination place broadcasting center.

In the SEEN world, righteous soul living actor living is doing “it shared time with other, help other, and doing real love others” but also righteous soul living actor hear broadcasting from righteous soul living in destination broadcasting center.

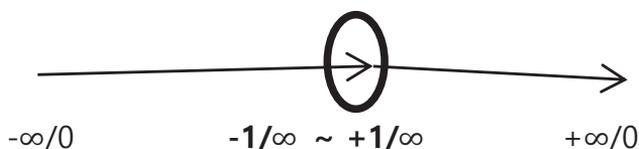

So long in the SEEN world righteous soul living actor get a time to be hear of broadcasting from righteous soul living in destination, the broadcasting say that righteous soul living place news, and information how to survive in the SEEN world etc.

Righteous soul living actor survive is required to live in the SEEN world, keep in mind= $1/\infty$.

Based on this, righteous soul living actor hears of righteous soul living destination place broadcasting.

Righteous soul living actor is keep repeating in this book “the poor & righteous soul living actor” and Righteous soul living actor feeling is “not me” so long, Righteous soul living actor get into the micro concept place

Actually righteous soul living actor live in micro concept living place

Micro concept place

So long, at last out of wicked soul “revenge and break” and mind level living actor “getting much more than others” so long, Righteous soul living actor so hard to live on almost dead in this place.

Even righteous soul living actor in the SEEN world “the poor & righteous soul” but it is temptation from wicked soul “easy rich living” and mind level living actor getting collect all of others asset also “getting much more than others” so long, “the poor & righteous soul living actor” also dream to be living “easy rich living” etc.

Righteous soul living actor feeling is “not me” then, Righteous soul living actor do not to be temptation from wicked soul “easy rich living” and mind level “getting much more than others” this is getting in to living in the micro concept place “ $-1/\infty \sim +1/\infty$ ” the place never wicked soul living actor and mind level living actor.

Righteous soul living actor in the micro concept place is “peace living” this is real excitement living, the righteous soul living actor in the SEEN world is “sleeping place, a suit of clothes and just simple food” that is righteous soul living actor living in the SEEN world.

“The poor & righteous soul living actor” feels in excitement because of hearing righteous soul living destination place broadcasting. This living is so excitement of righteous soul living.

This righteous soul living actor brings out to the SEEN world that is creature of knowledge. If keep bring out righteous soul living actor’s creature of knowledge then, the place and time is safe living of “the poor & righteous soul living”.

Keep understanding of “the poor & righteous soul” = “the poor & not me righteous soul” then “not me” then righteous soul is cosmos, so long, “righteous soul is cosmos” it means that there is no seen in the wicked soul and mind level living place so long, “the poor & righteous soul”=” the poor & not me righteous soul” = “cosmos righteous soul” = “nothing righteous soul”.

Here is righteous soul is “not me righteous soul = cosmos righteous soul= nothing righteous soul”

As Righteous soul living in the SEEN world, so long “the poor & righteous soul” then as living in micro concept world “ $-1/\infty \sim +1/\infty$ ” then “righteous soul living actor” feeling perfectly. That is “the poor & righteous soul” = “the poor & not me righteous soul” = “cosmos righteous soul” = “nothing righteous soul”.

So then the righteous soul living actor still in the SEEN world feature is “righteous soul + body” but here is body is just living place of righteous soul, so called shell only function.

So long, righteous soul living actor doing only excitement with “it shared time with other help other and doing real love other” but also hearing “righteous soul living in destination broadcasting” then all of living is really excitement.

Topic: Righteous soul running with helping creature

In this book “Righteous soul living actor and creature” creature is righteous soul living actor run for the righteous soul living in destination place. in this book creature is defined as “hearing broadcasting from righteous soul living in destination place

broadcasting station”.

Righteous soul living actor in the SEEN world lives as “the poor & righteous soul”. Righteous soul living actor run then do not know road to the righteous soul living in destination place.

So long, righteous soul living actor helped from creation of knowledge from righteous soul living in destination place broadcasting center.

Righteous soul living actor running in the micro concept place “ $-1/\infty \sim +1/\infty$ ” also, buy also so long, mind, wicked soul, the poor & righteous soul living place “ $-\frac{\infty}{0} \sim -1/\infty$ ” so long in this SEEN world living actor run for the righteous soul living in destination place. Then it must be required to run of micro concept point “ $-1/\infty \sim +1/\infty$ ”. The running to the righteous soul living actor so long it’s basic behavior of “it shared time with other help others and doing real love other”. So long in the SEEN world of “ $-\infty/0 \sim -1/\infty$ ”, righteous soul living actor condition is “it shared time with others help others and doing real love other”. Doing this actor is “the poor & righteous soul” so long; “the poor & righteous soul” is living distance from wicked soul. So long “The poor & righteous soul” is in the “ $-\infty/0 \sim -1/\infty$ ” so long, “the poor & righteous soul living actor” run for the righteous soul living in destination place.

So long “the poor & righteous soul living actor” helped from creature” so long creature is defined

“hearing broadcasting from righteous soul living in destination place broadcasting station”.

Creature is “hearing broadcasting from righteous soul living in destination place broadcasting station”. So long in the SEEN world, “the poor & righteous soul living actor” accept create from the righteous soul living in destination place broadcasting station.

Here is “the poor & righteous soul living actor “ + creature of

knowledge; “hearing broadcasting from righteous soul living in destination place broadcasting station”. So long, in this time leaning in this place is

Righteous soul living actor in the SEEN world, is so called is living in the micro concept world

“-1/∞ ~ +1/∞” so long, Righteous soul is “not me” then wicked soul living lost target of “revenge and break” so long, in the SEEN world recognized as “nothing”.

Creature is like navigation helping “the poor & righteous soul” to go for the righteous soul living in destination place. Creature is necessary to go for the righteous soul living in destination place.

How to hearing of creature; “hearing broadcasting from righteous soul living in destination place broadcasting station”. It required living in meditation and creature of writing etc. then it is based of righteous soul living basic behavior is can be reach at the righteous soul living in destination place.

“the poor & righteous soul living actor” run from SEEN world “ $-\infty/0 \sim -1/\infty$ ” “the poor & righteous soul living actor” helped from righteous soul living in destination place broadcasting creature of knowledge.

“The poor & righteous soul living actor” runs for the righteous soul living in destination place with helping of creature of knowledge”.

Topic: Righteous soul living solve others, wicked soul living problems other

In this book “Righteous soul living actor and creature” “Righteous soul of nothing” heard Righteous soul living place broadcasting, so called created knowledge of (順天者興 逆天者亡): follows of heaven rules then going better, do not then going worse.

This can be explained as Righteous soul living actor follows of heaven rule, and wicked soul do keep a heaven rule. This is righteous soul living actor doing righteous soul behavior then “it shared time with other and help others but also doing real love other” then going better, it means that it runs for the righteous soul living in destination place.

How hear of righteous soul living in destination broadcasting, when read “I Ching” then an actor doing righteous soul living actor behavior then it goes better hexagram, but if he do not live in righteous soul then it must be hexagram goes worse. So long then it is (順天者興 逆天者亡): follows of heaven rules then going better, do not then going worse. This creature of knowledge is come to me.

Righteous soul living destination place broad casting deliver me keep a creature of knowledge.

The creature of knowledge is “righteous soul living actor behavior is save from dead actor, and save from righteous soul oneself also” but also in the creature of knowledge “if actor is in wicked soul living actor push into dead actors but also wicked soul oneself also dead”.

It is very clear of living in the SEEN world, if righteous soul living actor is then “ the righteous soul living actor shared time with others, help other and doing real love other” Righteous soul living actor go with others excitement living. So that righteous soul living actor saves from dead.

But if there is not righteous soul but all is living that place wicked soul then, “ the wicked soul living actor “easy living” based on other

sacrifice” wicked soul living actor use “revenge and break” then getting “easy living” so that wicked soul living actor push into dead the actors and the actor also be pushed into dead also.

Therefore, in the SEEN world an actor structure is “wicked soul, righteous soul and mind +body” then, truly just actor living is allocated as one; wicked soul, righteous soul, but also mind level living” then, righteous soul living actor save other but also righteous soul living actor live in safe.

But wicked soul living actor pushes the others into dead but also wicked soul also dead. In this place mind level living actor try to getting much more than others so long mind level also, to be getting much more than others, so long, the mind level living actor stealing others’ asset. So long mind level living actor also damaged mind level others actors.

So long wicked soul and mind level living actor behavior, getting result of this (順天者興 逆天者亡): follows of heaven rules then going better, do not then going worse. But they knew just old knowledge so long they regard as useless old knowledge. So long, wicked soul, and mind level living actor of old knowledge dangerous they already forgotten. I Ching will go progress to the worst hexagram.

But righteous soul living actor behavior is “it shared time with other,

help others and doing real love other” it is keeping heaven rule so that righteous soul living actor have been known critical rule is (順天者興 逆天者亡): follows of heaven rules then going better, do not then going worse.

So long, Righteous soul living actor behavior of result is being in “順天者興: righteous soul living actor follows of heaven rule so that heaven helps righteous soul so that in I Ching progress to the better hexagram”

Righteous soul living solve others, wicked soul living problems other.

Righteous soul living actor hears of broadcasting from righteous soul living in destination broadcasting system. In the broadcasting helps giving a creation of knowledge “順天者興: righteous soul living actor follows of heaven rule so that heaven helps righteous soul so that in I Ching progress to the better hexagram”. Then righteous soul living actor run for the righteous soul living in destination place safe returning.

So long only Righteous soul living actor solve other problems, so long in the SEEN world problems all be solved by creating of knowledge from hearing the Righteous soul living in destination place broadcasting system.

If not the place righteous soul living actor then, the place there is not

solution of problems solving. Then keep produce wicked soul living problems so keep problems others. then the place is there is not righteous soul living actors, but only the place is living wicked soul living place.

This can be explained (逆天者亡): do not follows of heaven rules then going worse. I Ching hexagram also goes to worse.

So long, Righteous soul living actor must be feeling in responsibility of the place actor saving, so long, Righteous soul living actor must do be “ The poor & righteous soul hearing broadcasting from righteous soul living in destination place broadcasting system. So called righteous soul living actor get a creation of knowledge, then righteous soul living actor it possible of running so that getting keep distance from wicked soul so long in the end get into micro concept “ $-1/\infty \sim +1/\infty$ ”place. Then the strong righteous soul who will be not offense from wicked soul, the strong righteous soul is perfect safe from wicked soul. So long, the righteous soul living actor do follows of heaven rules in the SEEN world. Then the place problems solving, the problems solving is save living from wicked soul actor offence others.

Righteous soul living and creative knowledge is very important to save others death, then the righteous soul living actor must be infer that, the actor blessed from brilliant actor who is genius class living actors. Genius class is saver of the SEEN world. But they are do not

realized then the genius living class do not living of Righteous soul living, then the place “there is not righteous soul living” then the place is going worst place, so long I Ching saying that the place going worst.

Who will be righteous soul living this is all is can possible, in this book “Righteous soul living actor and creature” is realized in micro concept world, so long, me is main issue, so long me is “the poor & righteous soul” progress to “the poor & not me” go deeper to “the poor & nothing” so long righteous soul living actor in the micro concept place “ $-1/\infty \sim +1/\infty$ ”.

“The poor & nothing” “the poor is SEEN world so long the poor is disappeared” so long “Nothing & righteous soul” is coming. “Nothing & righteous soul” do save dead others.

Topic: Righteous soul sees wicked soul

In this book “Righteous soul living actor and creature” in this main character is “righteous soul” “the poor & righteous soul” “righteous soul & not me” “righteous soul & nothing” living in micro concept place “ $-1/\infty \sim +1/\infty$ ”.

“Righteous soul & nothing” is place at the micro concept place “ $-1/\infty \sim +1/\infty$ ”. “Righteous soul living actor & nothing “is in the micro concept place living. So then “nothing (Righteous soul” live in the micro concept place “ $-1/\infty \sim +1/\infty$ ”.

The poor & righteous soul living actor runs for the righteous soul living in destination place. as reach at the micro concept place “the poor & righteous soul” feeling that “ Righteous soul & not me” so long, the actor is “Righteous soul and cosmos” so long not me in the SEEN world, then the righteous soul is already UNSEEN world living Righteous soul, so long, in the SEEN world Righteous soul is Changed into “ righteous soul & notching”.

Righteous soul living actor of nothing feeling is “ peace and nothing” in the SEEN world of righteous soul, but the righteous soul in the SEEN world, wicked soul and mind level living actor do not see “righteous soul & nothing”. In the SEEN and UNSEEN world micro concept place “ $-1/\infty \sim +1/\infty$ ” appeared so then micro concept place is created UNSEEN and SEEN world.

So long, “righteous soul & nothing” hear of broadcasting from Righteous soul living in destination place broadcasting center. “Righteous soul living actor create righteous soul living actor solving problems of knowledge.

“The poor & Righteous soul” hears of broadcasting of righteous soul living in destination place broadcasting center.

“The poor & Righteous soul” create of knowledge is “wicked soul living actor to be righteous soul must be dead in righteous soul living and rebirth righteous soul living”. This is not clear of wicked soul dead”, “the poor & righteous soul” hearing time try to forget it, but now righteous soul living actor is now writing.

“dead wicked soul” must be infer that in the SEEN world getting mutant and Changed in to righteous soul, then here is getting mutant is a strong righteous soul sunshine revealed to the wicked soul then it must be created in the SEEN world righteous soul.

Another “wicked soul dead” Righteous soul living actor do real love to the lover of wicked soul, then wicked soul changed into righteous soul, so long, righteous soul living actor of doing real love is so crucially important.

Finally “wicked soul dead” means wicked soul living actor really dead, the righteous soul living actor is disappeared from righteous soul living actor world, so then, the wicked soul is dead. Then the dead wicked soul want to be live in as righteous soul living then, after birth make mind= $1/\infty$, then follows of same of origin righteous soul living process, the living is so hard and suffering that is “the poor & righteous soul living”

“The poor & righteous soul living” is really hard living, this living is so dangerous from wicked soul “revenge and break” but also mind

level living actor maltreatment. All of “the poor & righteous soul living” is poor living is so hard, hunger, and cold and lonesome and etc.

So hard living of “the poor & righteous soul living” is safe returning to the righteous soul living in destination place.

Righteous soul sees wicked soul in the SEEN world, wicked soul living actor live in “easy living” their time all used for wicked soul “easy living” and wicked behavior of getting “mind level living actor getting much more than others”. So long mind level living actor has been expected to live rich and happy but there is changed into “wicked soul easy living”.

“Wicked soul easy living” never carried of righteous soul living behavior “it shared time with others helping others and doing real love others” so long wicked soul living actor live in the SEEN world living is “easy living”.

“The poor & righteous soul” wants to be live in righteous soul and “righteous soul & not me” and “righteous soul & nothing” then wicked soul living actor will dead. But righteous soul living actor reaches at the righteous soul living in destination place”

“the poor & righteous soul living actor” living running for the righteous soul living in destination place is so tight so long, in the SEEN world living, all of “the poor & righteous soul living actor” so live of “it shared time with others, help others but also doing real love others”. So that “wicked soul living easy living” is how really dangerous living, “the poor & righteous soul living actor” feel piety wicked soul living of ignorance, in the righteous soul living point of view “wicked soul easy living is ignorance living”.

Topic: Righteous soul & nothing with create

In this book “Righteous soul living actor and creature” it is comes of book creating of terms of “the poor & righteous soul” after this “Righteous soul & not me” recently comes “righteous & nothing”.

actually in this book “Righteous soul living actor and creature” run faster than my righteous soul feeling of “righteous soul & not me” and “righteous soul & Nothing”.

I could not hear of righteous soul living in destination place broadcasting. But I could hear of “mind level broadcasting”. So long I was coming down to the ground; I’m in the mind level living actors.

Wicked soul and mind level living actor try to pull down from righteous soul living place to the wicked soul living and mind level living place. Truly Righteous soul living so weak living in the mind level living place and wicked soul living place also, so that righteous soul living actor keep in living righteous soul is real living.

“Righteous soul & nothing” is creature of knowledge, in the SEEN world, there is no me, but also position also, just righteous soul & Nothing. Then do real living of righteous soul living then “it shared time with other, help other but also doing real love other”.

Here is express of righteous soul living behavior is “not me shared with other, not me help other, no me doing real love other”. Further re writing “doing but nothing of it shared time with other, help other, and doing real love other”.

In this book key word of “righteous soul & not me” and “righteous soul & nothing” then it already “Righteous is nothing” so long, righteous soul live in the cosmos.

This book writing is impossible, so that even created in this book “righteous soul & not me” and “Righteous soul & nothing”, so long I’m “the poor & righteous soul living actor”. I try to feel of righteous soul, so long, if I see SEEN world feature then it is so beautiful to me. Sometime I felt real excitement so that I am moved to tears.

As living in “the poor & righteous soul” then the righteous soul living actor also live in the SEEN world of wicked soul and mind level living actors. so long, righteous soul living actor telephone to friend then, the actor receive phone manners are so poor, at that time feeling was so anger, then moment righteous soul living actor changed into mind level, and wicked soul so, all of inside is full of wicked soul and mind level so that about two days I was out of righteous soul living.

so long righteous soul living coming back is so hard, because wicked soul and mind level living actor make blocking comeback to righteous soul living actor. It was my frustration; at now writing this book still is not clear of my living is righteous soul living feeling.

Mind = $1/\infty$, living in the micro concept world “ $-1/\infty \sim +1/\infty$ ” so then in the micro concept world is “Righteous soul & not me” so long, there is no target for the wicked soul “revenge & break”. But in the living with wicked soul and mind level living actor, then righteous soul living actor so frustrated with living, because of their behavior is beyond of righteous soul living actor righteous feeling that was out of righteous feeling.

As SEEN world living is so confused so that “the poor & righteous soul” care of SEEN world crisis makes be out of crisis, so that “the poor & righteous soul living actor” used righteous soul living energy make safe living place in the SEEN world. Then “the poor & righteous soul living actor” feel was my energy becomes all used up, so that my righteous soul is depletion. yes writer saying, that is me, I

sent my righteous soul to help decision makers, but also I sent my soul to my wife righteous soul meeting, I did not know until then, righteous soul use endless but, that was not, I realized that as do solve problems then it must be strong righteous soul energy is required.

My righteous soul living energy is possible to save my wife righteous soul living actor, so that my wife to live in righteous soul living. I sent my soul to help others then, right after me; my righteous soul living actor energy is shortage.

From now on my righteous soul living energy must be saving and real living me, is prime usage. So long, I'm just do righteous soul living behavior "it shared time with others, help others and doing real love other" this is new creative energy.

As living with "meditation" so long, feeling breath is also keep feeling righteous soul living. So that takes time to breath with mediation but also keep writing of righteous soul and creature this book then, it comes to me righteous soul living book making.

It required me to run for the righteous soul living in destination place safe returning, then I'm all new from now on, I will build new righteous soul living energy. This is again $\text{mind} = 1/\infty$, and run again to the righteous soul living in destination place.

at now it comes another stages of righteous soul living so long, it must be “righteous soul living & not me” then, righteous soul living actor doing something then, not me, for others, then it must be righteous soul living energy is better get up, so long “righteous soul & not me” is righteous soul living actor do living as “it shared time with others, help other, and doing real love others”

“righteous soul living actor & nor me” then the actor living behavior not me but other, naturally doing righteous soul living behavior is directly for others, so long “righteous soul & not me” behavior is directly doing for others.

“Righteous soul & not me” run faster to the righteous soul living in destination place. The “the poor & righteous soul living actor” running is not compared with “Righteous soul & not me”.

Real living “righteous soul living actor & not me “doing real living, “Righteous soul living actor” do live in originality and principle living. That is “righteous soul living”, so long “the poor & righteous soul living actor” is so excitement.

this is same as brilliants living actor do live in premium living, then the actor “get money high + best condition job” then it must be anything wrong under the “mind level living” and “wicked soul living”

but in the righteous soul living. the brilliant righteous soul living actor must be live in “the poor & righteous soul” but also “Righteous soul & not me” then, the brilliant righteous soul living actor do not make money but do live principle and originality work.

This is the brilliant righteous soul living actor do as righteous soul living actor here of broadcasting from righteous soul living in destination broadcasting center, then around of the brilliant righteous soul living actor will be living all of others are excitement.

Topic: “Righteous soul & nothing” feeling hearing broadcasting righteous soul living in destination

In this book “Righteous soul living actor and creature” Righteous soul living actor evolved from “the poor & righteous soul”, “righteous soul & not me” and “righteous soul & nothing. This indicates righteous soul living actor runs with hearing broadcasting from righteous soul living in destination broadcasting clearly.

so long righteous soul is still grow, so long as being closed to the righteous soul living in destination place, so long getting deeper living then, the righteous soul living actor do keeping create.

On this time “create” hearing from broadcasting of righteous soul living in destination broadcasting center.

This broadcasting is start to me from last night “my wife is “vision of Righteous soul” she was already role of “righteous soul” but her righteous soul try to help my righteous soul, her righteous soul keep doing stimulus. So long I was so hard living with my wife, so then it comes to me my righteous soul living is so strong. So my living can live of true.

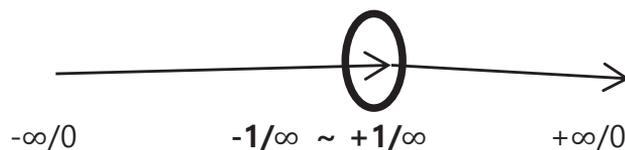

my living is righteous soul, so long my righteous soul living actor evolved from “wicked soul, righteous soul, mind and body” as $\text{mind} = 1/\infty$, then “wicked soul, righteous soul and body” but in the long run doing real love to wicked soul and as mind is about to zero so then wicked soul living actor disappeared from my structure.

an then my living structure is “righteous soul + body”, so in a moment survive from wicked soul attacking, wicked soul try to live “easy living” so then, “righteous soul +body” hard living to live distance from wicked soul living actors.

so that appeared “the poor & righteous soul” so long “the poor & righteous soul” has given me so real realized me, in this time is still me is because of “the poor & righteous soul living” actor is living in the SEEN world, or micro concept world living.

But as righteous soul living actor live in micro concept world “ $-1/\infty \sim +1/\infty$ ” the actor feeling is “righteous soul & not me” but also “righteous soul & nothing”.

Actually righteous soul living actor live in micro concept living place

Micro concept place

It must be infer that M_0 = “the poor & righteous soul”, M_1 =”righteous soul living & not me” M_2 =”righteous soul & Nothing”

Micro concept “ $-1/\infty \sim +1/\infty$ ” is keep changed in to $M_1 M_2 M_3 \dots M_\infty$, so then it must be righteous soul living actor reach at righteous soul living in destination place then. It must be M_∞ , then it’ moment M_0 , then it must be the place and that is righteous soul living in the destination place.

how to “righteous soul living actor” feel of moving to the righteous soul living in destination place, it really much more clear of hearing broadcasting of righteous soul living in destination place. On today righteous soul living actor hear of “my wife is vision of righteous soul”.

This means that my righteous soul living actor passed the place and time, so long, “righteous soul & nothing” feels that “my wife behavior was so hard to me” so long, me kept evolving in to righteous soul living actor.

Actually “my wife was earlier being righteous soul” my wife fine me to bring me into righteous soul living in destination place”, my wife is host living she was giving creature of knowledge; because of she already knew “righteous soul living in excitement”.

As Righteous soul living actor being in “righteous soul & Nothing” the it seen to the righteous soul me, so long, as being reach at the “righteous soul living then my righteous soul knows that my wife is also righteous soul living”

My wife effort all of her means to make me, living in righteous soul, so that she can go possible to the righteous soul living in destination place. This is really creation of knowledge.

it must be my wife righteous soul living actor already know me, so long, she keep anger to me being in righteous soul living.

On today it is very excitement, my wife is “righteous soul living actor” she is much more than earlier righteous soul living actor. She kept secure me from wicked soul living actor attack, so long I’m growing to the righteous soul living actor.

Topic: why I live in “the poor & righteous soul” living

In this book “Righteous soul living actor and creature” I’m living in writing “Righteous soul actor” while write this book, then truly I’m living in “righteous soul living actor”.

this is so lucky to me, while writing “righteous soul living actor & creature”, I’m living in “righteous soul” so long in this book evolved in “righteous soul living also” after “ the poor & righteous soul” to the “righteous soul living in not me” furthermore “righteous soul living & nothing”.

This level is it can't express by writing, because of "righteous soul living & nothing" is not express because itself is nothing. Truly "nothing" is nothing but in this book "righteous soul living actor" key world so that it express as "righteous soul & nothing".

While writing time I felt as "righteous soul" so long, I can hear of righteous soul living in destination broadcasting, so long it is "creating source" so then just I'm taking down from righteous soul broadcasting dictation.

"Righteous soul living actor" runs for the righteous soul living in destination place. While running I saw that my wife has being in righteous soul living by me, "her righteous soul visit my righteous soul, so that hit my righteous soul" at last "her LOVER" make righteous soul, how her righteous soul feel urgent to make righteous soul me.

she has been doing "real love me "my righteous soul stimulate" then I felt changed into "righteous soul living actor" I am, so that I feel so excitement, this is really "creation" from hearing of righteous soul living broadcasting.

I'm a righteous soul living actor cause of my "lover" target me doing real love me, so that I'm a righteous soul. This is answer of this topic: Why I live in "the poor & righteous soul "living".

Out of writing will I live in righteous soul living or not is question to me. Living in righteous soul living is how to the seen in the SEEN world. Righteous soul living is must be excitement to me, then it is usual living. So then I'm excitement.

Righteous soul living behavior is "it shared time with others, help other, and doing real love other".

So long, this is real excitement but also, this is righteous soul living energy creating.

Unexpectedly I getting out from micro concept world, because as evolved righteous soul living actor as "righteous soul living actor & Nothing" so long, I'm coming out micro concept world my "lover" real loved me, so long, my righteous soul loved from out of me, so long it must be discriminated me and other.

But actually that also it is not "mind level" still righteous soul living in destination living level behavior, so long, "righteous soul living actor" feel really excitement with my "LOVER" to ward my real love me"

as assure of being living in "righteous soul" then until now I live in micro concept world, so that just live in making strength my righteous

soul and to make “my lover” righteous soul strength but in this book writing, my righteous soul living actor get in to before first level of righteous soul so that my righteous soul try to do “it shared time with other, help other and doing real love” is so excitement.

but strange I did experiment of “ when I did meditation I felt feeling of righteous soul, that was a dangerous of mind level living actors, this is also affect me so that I said to my righteous soul “Righteous soul please help my wife being righteous soul doing righteous soul living”. But also I did my righteous soul energy helping others. I did not know that how to help, but in my experience that my righteous soul energy use to help others.

After I used my righteous soul living energy, I got an experienced that my righteous soul feeling was not clear, so that I felt that doing real love is keep in doing “it shared time with other, help others and doing real love other” this is only living of righteous soul living. But also I have to living my “LOVER” and “righteous soul living actor & nothing” live in excitement.

my righteous soul living actor helped my “LOVER” so that truly my “righteous soul” is being real living, real living is righteous soul living. As being righteous soul so that as doing righteous soul living behavior is also excitement this living is usual; it shared time with other and help others but also doing real love others.

Righteous soul living behavior is SEEN world all of wicked soul and mind level living actors so long all of behavior is happened such as wicked soul living actor deceit behavior of “easy living” but also mind level living actor getting much more than other” but righteous soul living actor behavior is “it shared time with others, help others, and doing real love others”. this is big difference among righteous soul, wicked soul and mind level living behavior.

Righteous soul living actor doing real love, then the actor run for the righteous soul living in destination place, so long righteous soul living actor hear broadcasting from righteous soul living in destination place. This is solving problems on the road of running for the righteous soul living in destination road. But also find buried righteous soul living actor living in knowledge also.

in the SEEN world buried truth newly appearing helping, this is truth of saints living behavior also.

righteous soul living actor truly run for the righteous soul living run on the direct road, then righteous soul living actor hearing broadcasting from righteous soul living in destination place.

if SEEN world living with wicked soul and mind level living actor going well, it must be righteous soul living actor running for the

righteous soul living in destination place, but also during then
righteous soul living actor create solutions to the SEEN world.

Therefore in the SEEN world, living actor safe living in the SEEN
world from wicked soul “revenge and break” righteous soul living
actor use power of righteous soul, so long, make possible of decision
maker of righteous soul activation is first.

Righteous soul living actor of “righteous soul & nothing” endless
create to defense of wicked soul living actor “revenge and brake
power using” if done the place of SEEN world being wicked soul
living actor major world. then the place “peace” broken so long
Righteous soul living actor already known then so that righteous soul
living actor, righteous soul living energy use helping decision makers
righteous soul activation is really required.

Righteous soul living actor help mind level living actors do realized
so long, going for the living of righteous soul living, so then, righteous
soul living actor keep doing: it shared time with other, help other, and

doing real love other”.

Topic: Righteous soul & nothing do not use energy with creature

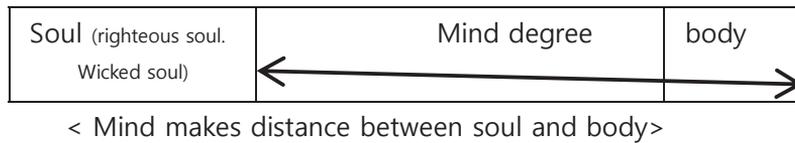

In this book “righteous soul living actor and creature” Righteous soul living actor has been evolved from “the poor & righteous soul” to “righteous soul & not me” furthermore “righteous soul and nothing”.

As writing this book, will I be righteous soul living actor? But I try to do, actually not reach at the “righteous soul & nothing”. But during writing book then I feel “righteous soul & nothing”.

So then, in this book I try to talk clearly definition of righteous soul living actor evolution. Righteous soul living is living in “micro concept gate living $-1/\infty \sim +1/\infty$ ” “the place must be living excitement exclusion of wicked soul living actor.

Until then I didn't know "righteous soul" feeling in this SEEN world. In the birth of SEEN world living actor structure is "wicked soul, righteous soul + mind + body" wicked soul and righteous soul meet before comes to SEEN world coming. But soul (wicked soul, righteous soul) meet mind which is from SEEN world and body.

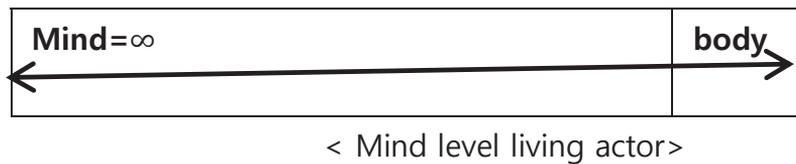

UNSEEN world wicked soul living world, and righteous soul living world, they lived in the UNSEEN world, so long, and soul really try to meet body, in the UNSEEN world souls are wait to meet and doing mission carried out. wicked soul is meeting body then doing "revenge and break other" but righteous soul living actor mission is "meet Lover make righteous soul then carry to the righteous soul living in destination place". so long UNSEEN world souls are do not know SEEN world "MIND" this unexpected obstacle is make hard souls meet body.

In this table, Mind is "getting much more than other" so long, if Mind is strong then, the actor of SEEN world, it must be infer that soul and body never meeting end soul can't do mission so then, soul must be do not recognized from SEEN world actor.

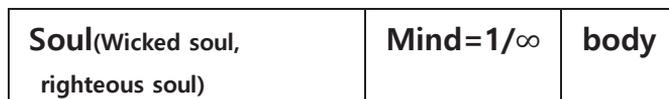

Then it must be this living actor is “mind +body” living actor. These living actors are run for the “getting much more than others”. They do not know their micro concept gate “ $-1/\infty \sim +1/\infty$ ” so long their gate also closed as doing not realized. Then they are living “mind level living actor”.

If $\text{mind} = \infty$ then, it must be, infer that

Then at last mind level living actor created, this mind level living actor going living in SEEN world.

But if $\text{Mind} = 1/\infty$ then

As $\text{mind} = 1/\infty$, wicked soul and righteous soul living actor of soul

meet body

Soul (wicked soul, righteous soul)	body
---	-------------

In this time, soul (wicked soul, righteous soul) meet body, so then, here is in the soul room, “wicked soul, and righteous soul”.

the book of “LOVE engineering” (2015 seong ju choi) righteous soul living actor survive from wicked soul so that, in the righteous soul living in destination place give gift of righteous soul traveling survive tools that is “doing real love”.

So long here is also comes, if righteous soul living actor doing real love wicked soul, then survive then it must be soul is simple of Righteous soul, so long righteous soul meet body. This is just only one actor inside living history.

Righteous soul	body
-----------------------	-------------

But here is righteous soul living actor live in the SEEN world, so long righteous soul living actor outside living. Righteous soul living actor, the righteous soul get body, so righteous soul living actor. righteous

soul living actor must be live in the SEEN world then, truly righteous soul living actor seen world living is survive from wicked souls “revenge and break” so that here comes of wicked soul living actor is “easy living” so that righteous soul living actor do not living as “easy living” because survive living as righteous soul. Therefore righteous soul living actor does living in the SEEN world as “the poor & righteous soul living actor”.

Righteous soul living actor in the SEEN world, progress by helping from creative which is hearing from righteous soul living in destination place broadcasting system. as getting broadcasting hearing then, the righteous soul living actor getting clear of righteous soul living in destination place.

As helping creation, righteous soul runs for the righteous soul living in destination place. then “the poor & righteous soul living actor” get creation knowledge how to perfect free from wicked soul, so then, the creation of knowledge getting from righteous soul living in destination place broadcasting system.

As helping from creation of knowledge then, “the poor & righteous soul living actor” is still SEEN world combined with “ME” so that, other wicked soul attack “Me” so then, as perfect free from wicked soul attack then, it must be attacking target is disappeared from in the SEEN world.

Then there is no attacking target to the wicked soul, so then actually “the poor & righteous soul” of “Me” is also changed like this there is not to be attacked so that it must be out of “the poor” of hard living. So long it must be inferred that “righteous soul & not me” is appeared.

“Righteous soul & not me” is solved problem of survive from wicked soul attack helping creation of knowledge from hearing righteous soul living broadcasting system.

**The poor & righteous soul living actor to survive
from s wicked soul attacking**

Helping **creation of knowledge from hearing broadcasting** from
righteous soul living in destination place

**Righteous soul & not me free from wicked soul
attacking eternity**

Here is Righteous soul is survive safely, so long it has condition to go
for the righteous soul living in destination place. So then, “the
righteous soul & not me” can do righteous soul living without danger
of wicked soul attacking.

Safe righteous soul living actor does righteous soul living “it shared
time with others, help others, and doing real love others”.

Here is “righteous soul & not me” “not me” then it still is not clear,
because of “not me” means that who, “the other” so long, this is
wicked soul target disappearing of moment. so than it must be
righteous soul living “not me” is very temporal but in the end,
“righteous soul & not me” changed into eternity righteous soul”

Here is “righteous soul & not me” is still need righteous soul living actor used energy. So then, this is “righteous soul & not me” required to supplied energy. So then safe from wicked soul and do not supplied energy is required to the righteous soul.

so then righteous soul is required to much more evolve then it comes, safe from wicked soul attacking and do not use energy, but righteous soul living actor “it shared time with others, help others but also doing real love other”.

So long keep helping to run to the righteous soul living in destination place. “Righteous soul & not me” evolved into “Righteous soul & nothing”.

“Righteous soul & nothing” all solved problems there is no any problems. “Righteous soul & nothing” must be inferred that it must be say “Nothing” then writing world, lost “righteous soul” but in the real living righteous soul is truly “nothing”.

to express writing then “nothing” as “Righteous soul & nothing” this

righteous soul is free from wicked soul attacking perfection and it don't necessary living energy. Energy nothing so then "righteous soul & nothing" just do without any energy consumption but doing righteous soul living "it shared time with other, help others and doing real love others". Even "righteous soul & nothing" nothing but all do same as did "the poor & righteous soul living actor".

Here is comes "righteous soul & Nothing is" also actor of righteous soul, so long, the righteous soul in SEEN world living in the micro concept place " $-1/\infty \sim +1/\infty$ " in this place energy consuming is zero/ $1/\infty$ so that righteous soul living in destination place must be infer that micro concept place " $-1/\infty \sim +1/\infty$ ".

Topic: Righteous soul and creature

In this book "Righteous soul living actor and creature" here is "creature" has been defined "hearing righteous soul living broadcasting" Righteous soul living actor hearing then it must be flexible but using it, then it must be changed into "creature".

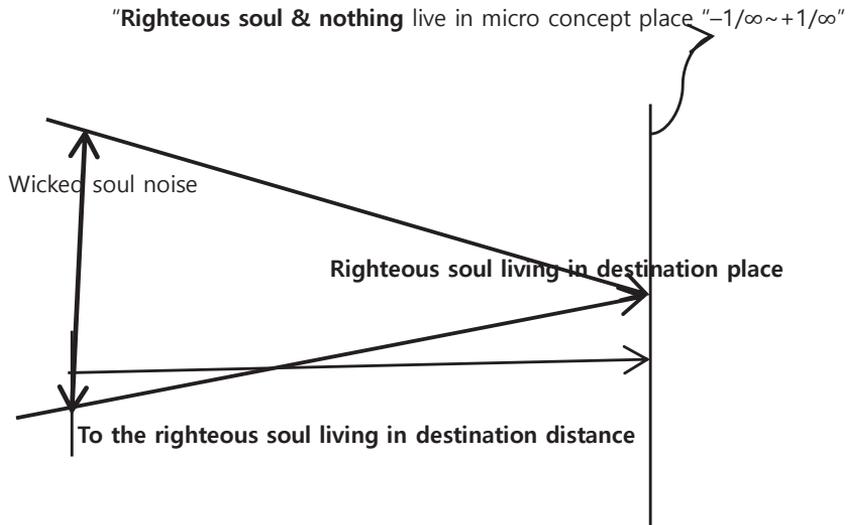

“Creature” is righteous soul living actor hearing righteous soul living in destination place broadcasting. Here is righteous soul actor is actor of hearing, then broadcasting keep giving creature of information.

“Creature” helping righteous soul living actor runs to the righteous soul living in destination place.

Because righteous soul living actor runs and creates road for running to the righteous soul living in destination place.

“Creature” key worlds are Righteous soul living actor and righteous soul living in destination place.

As being closing righteous soul living destination place broadcasting then the broadcasting hearing is clear, so long, as being closed then there is no wicked soul noise.

“Creature” is helper of running for the righteous soul living in destination place. So long righteous soul living actor running and reach at micro concept place $-1/\infty \sim +1/\infty$ ”.

Righteous soul Creature $X \infty = \infty$ Creature = then reaching at the micro concept place $-1/\infty \sim +1/\infty$ ”.

But wicked soul of noise keeps broadcasting on the “revenge and

break” and “easy living” contents. Wicked soul endless (∞) supplies broadcasting to the righteous soul living actor.

so long if long distance from righteous soul living destination place, then righteous soul broadcasting hearing is so hard cause of wicked soul broadcasting noise “easy living” and “revenge and break”.

Here is wicked soul noise contents are “easy living” “revenge and break” is also easy accepted.

So long, Wick soul living actor hearing so easy getting wicked soul living information, this is also hard to hearing righteous soul “creature of knowledge”.

Righteous soul living actor hearing righteous soul living broadcasting, then it must be wicked soul noise clear then it possible hearing “creature of knowledge from righteous soul living broadcasting”.

How to live is this? Righteous soul living actor doing real righteous soul living “it shared time with others, help others and doing real love others” then it must be getting building “righteous soul living energy”.

“Righteous soul living energy” will used in noise decreasing. But then righteous soul living actor hears righteous soul living destination

broadcasting, then “creature of knowledge” this make possible problems of noise of wicked soul.

“Creature of knowledge” from righteous soul living in destination place broadcasting helps problems solution of wicked soul noise decreasing.

Therefore Righteous soul living actor running for the righteous soul living in destination place necessary both living making possible.

First is living in righteous soul living “it shared time with other, help other, and doing real love other” so long build “righteous soul living energy”.

Second is hearing righteous soul living destination place broadcasting center so that in the SEEN world, the righteous soul living actor learns of “creature of knowledge”.

Righteous soul living actor running for righteous soul living in righteous soul living in destination place = “Righteous soul living energy” + “creature of knowledge”

Righteous soul living actor returning safe come back to the righteous soul living in destination place is required of ““Righteous soul living

energy” + “creature of knowledge””.

Topic: Righteous soul living actor living and doing creature

In this book “Righteous soul living actor and creature” writing time I’m a “righteous soul & nothing” who is not use energy for being itself.

Being of “righteous soul & nothing” does not use energy, being itself is not in the SEEN world. At last comes true from wicked soul attacking. But also fear of hunger because “righteous soul & nothing” do not use energy.

Here is SEEN world living actor of “righteous soul & nothing” without wicked soul living then, it must be inferred that the place there is not changed position, but the place is in peace.

“Righteous soul & nothing” must be creating of change. So then to be change feeling, the “righteous soul & nothing” doing dynamically righteous soul behavior “it shared time with other, help others and

doing real love other”.

“Righteous soul & nothing” there is no any problems but the “righteous soul & nothing” is perfect, so then it must be origin of Righteous soul behavior doing, therefore “Righteous soul & nothing” runs for “righteous soul living in destination place”.

So long “righteous soul & nothing” also still is going for the “righteous soul living in destination place” creating knowledge received from righteous soul living broadcasting and meet righteous soul actors from righteous soul living destination place.

“Righteous soul & nothing” of SEEN world living actor must be bring “creature of knowledge” to solve SEEN world living actor problems solving. “Righteous soul & nothing” does not fear of wicked soul. So that the actor must be correct wicked soul actor “revenge and break” this hell of SEEN world by wicked soul doing behavior.

“Righteous soul & nothing” is so strong righteous soul who is living at micro concept place “ $-1/\infty \sim +1/\infty$ ” micro concept place there is no wicked soul, so that “Righteous soul & nothing” is nothing but existence so long live at micro concept place “ $-1/\infty \sim +1/\infty$ ”.

In this case “righteous soul & nothing” is in the SEEN world structure

is “Righteous soul & nothing + body” so long, “righteous soul & nothing is live in micro concept place “ $-1/\infty \sim +1/\infty$ ”

So long, “righteous soul & nothing + body” then, “body feel righteous soul”, micro concept world soul living is nothing, but this actor of macro concept world then righteous soul must be strong righteous soul + body”. the righteous soul actor must be responsibility so long, historically this “righteous soul and nothing” have been called “king” the righteous soul living actor “righteous soul living actor & nothing” is compared with these time decision maker is “righteous soul & nothing” then the governing place all of decision making is creating knowledge producing.

“Righteous soul & nothing” and “creating” and “SEEN world” if this is UNSEEN world then clear but if this is “SEEN world” then “Righteous soul & nothing” hearing broadcasting and meet righteous soul then bring to SEEN world “creative knowledge”.

“Righteous soul & nothing” and “creative knowledge” is almost same, so long “righteous soul & nothing” =”creative knowledge”. So long “righteous soul & nothing “must be governing SEEN world; righteous soul, wicked soul and mind level actors.

But in the SEEN world, there is no “righteous soul & nothing” then, it must be governing place occupied by “righteous soul & nothing”

also good, but “wicked soul” then the SEEN world must be exclusively ruler of governor’s “easy living” place changed. furthermore if occupied by “mind level actors” then the governor of actor still “try to get much more than others”, so long the place changed into all of living actors “getting much more than others world”.

“Righteous soul & nothing” governing is there is no any use energy for “righteous soul & nothing” so that “righteous soul & nothing” governing & managed organization 100% energy use. So that the place, organization is being changed as “righteous soul living actor of excitement” so that the place and organization is really feeling excitement.

“Righteous soul & nothing” get knowledge of creative so that “righteous soul & nothing” saying is all “creature of knowledge”. “Righteous soul & nothing”=“ creature of knowledge” this is means that “righteous soul living actor” runs for the righteous soul living in destination place.

so then “Righteous soul & nothing”=“ creature of knowledge” run for the righteous soul living in destination place. if “Righteous soul & nothing”=“ creature of knowledge” being king of an country then the country is running for the righteous soul living in destination place.

but also “Righteous soul & nothing”=” creature of knowledge” running is for the future, so long future is righteous soul living in destination place,

this is fit to the organization of company then, it must be “Righteous soul & nothing”=” creature of knowledge” being decision maker then, the organization run future so long, save the organization from past to future. The organization runs for the righteous soul living in destination place.

“Righteous soul & nothing”=” creature of knowledge” itself, organization decision making also “creation of knowledge” then past from now problems are all solved from using of “Righteous soul & nothing”=” creature of knowledge”.

“Righteous soul & nothing” is perfectly do not use energy, “nothing” but existence so long, the “righteous soul & nothing” is 100% energy using for the place living actors. then the place living actor feel of excitement, then feeling excitement is only “righteous soul” so long, the strong “righteous soul & nothing” energy is all spread to the place actors; wicked soul, righteous soul, and mind level living actors.

Topic: Righteous soul camera to show UNSEEN world righteous soul with creations

In this book “righteous soul living actor & Create” Righteous soul living actor reaches at the “righteous soul & nothing”. Righteous soul living actor has lived stages; “the poor & righteous soul” “righteous soul & not me” at now “righteous soul & nothing”.

Righteous soul living actor runs to the righteous soul living in destination place. So then the actor listen to Righteous soul living in destination place broadcasting, this is SEEN world “creation of knowledge”.

Here is Righteous soul living actor hear of Righteous soul living in destination place broadcasting.

Then in the SEEN world righteous soul living actor heard of “hey SEEN world righteous soul friends please show us SEEN world excitement beautiful sceneries”.

So then Righteous soul living actor accepts “creation; seeing beautiful and excitement sceneries take a photographing.

What is SEEN world righteous soul living actor taking a photographing? Righteous soul living actor sees correctly with creation of knowledge.

Truly in the SEEN world, living actor structure is “wicked soul, righteous soul, mind and body” so long. So long, best taking photography sent is required of decreasing of noise and good picturing.

how to make Righteous soul living actor “ good picture sent” then righteous soul living actor seeing time is “ Righteous soul living actor in place righteous soul with body”. But here is righteous soul is moving shortly. Fast move righteous soul, so long, righteous soul camera shoot clear of picture making.

this is again explains “ Righteous soul living actor soul is traveling automatically, so long, to see beautiful and excitement sceneries, then it must be righteous soul living actor remained to the actors.

So long, “righteous soul remained at the place and righteous soul living actor see the beautiful and excitement target.

Here is SEEN world living actor feel watching “beautiful & excitement sceneries” then feel excitement and touch in righteous soul, so that this is really real feeling. Truly in the SEEN world living

actor as righteous soul traveling so that wicked soul and mind occupied the place, in the end in this time camera shooting is stop.

Even strong “righteous soul living actor” righteous soul move easily so that hard to get rigidly so long in the righteous soul move to other then, the place occupied by wicked soul, and mind.

Sometimes mixed with three living in a place; righteous soul, wicked soul, mind, in the SEEN world living actor do not feeling as pure of righteous soul. if righteous soul living actor feel righteous soul then, the righteous soul is not same as before feeling.

Righteous soul camera shooting feeling is so beautiful and excitement. This had dreamed to see SEEN world beautiful and excitement sceneries. So long righteous soul living actor sees as righteous soul living actor, then Unseen world righteous soul living actor also sees SEEN world beautiful and excitement sceneries.

in the UNSEEN world living righteous soul living in destination place living actor standby to help SEEN world problems solving, then UNSEEN world living actor use this “SEEN world camera shooting of righteous soul” this must be movie and etc.

As Righteous soul living actor seek creation of knowledge, then

UNSEEN world righteous soul already preparing solution of knowledge. Righteous soul living actor with soul see the Scenery then it must be come creation of poem etc. so long the righteous soul living actor feel really is touched in righteous soul, so then feeling in really excitement.

In this moment, there is not any disrupters of wicked soul and mind, so long at the place all of righteous soul living actor only with same soul. So then in the end the feeling is righteous soul.

Righteous soul living actor as only righteous soul movie is so excitement all of touch in souls. but out of righteous soul living the place it must be wicked soul living actor and mind, so long the actors keep related camera shoot is “wicked soul; revenge and break” after that try to live in”easy living”. But also mind is “getting much more than other to be rich” so long, truly this is never related with righteous soul living destination place.

In the SEEN world so many seeing beautiful and excitement, it is needless from creation of knowledge by helping from righteous soul living in destination place broadcasting.

In this SEEN world as righteous soul living feeling righteous soul, then it must be living is so excitement.

Topic: Creature & Righteous soul

In this book “Righteous soul living actor & creature” main key words are still “creature” and “righteous soul”.

Why try to talk “creature” actually “creature” do creation of “new” “going future” so that creature is origin creature of knowledge.

“Righteous soul” is UNSEEN world micro concept world “ $-1/\infty \sim +1/\infty$ ” or righteous soul living in destination place located as “Righteous soul & nothing changed into “nothing” actually SEEN world living actor feeling, there place righteous souls” that place has flexible “nothing” creature of knowledge is storage”

In the SEEN world Righteous soul living actor bring creature of knowledge from righteous soul living in destination place.

why try to keep saying “creature” truly macro concept world, the SEEN world living actor must be progress not remained at the past, so then in this place must be “ $-\frac{\infty}{0} \sim -1/\infty$ ” in this place best living

place of wicked soul, wicked soul of mind” there is no any creature of knowledge, so that wicked soul of “revenge and break” power has been leading in living.

So that the place to be live in “righteous soul” living is so hard, so that even distance from wicked soul so long living in “the poor & righteous soul” living actors are all hard only wicked soul living actor is “easy living”.

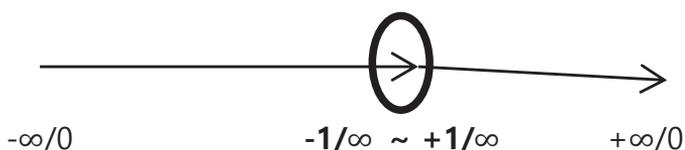

“Creature” is “new” and “going future” so then moving actor is “righteous soul living actor”. Righteous soul living actor runs for “the righteous soul living in destination place”.

Running for the Righteous soul living in destination place the place is “micro concept place $-1/\infty \sim +1/\infty$ ” so long creature is a new living actor’s road is required, so then, the road is “creature” then what is “creature”? Creature is new, so long new is birth; so that it required being new, a birth living actor must be bring new, “creative knowledge”.

“Creature & righteous soul”

Creature is “new” and “birth” so long, creature is origin, and beginning so long, creature is momentum of micro concept world “ $-1/\infty \sim +1/\infty$ ” one unit of micro concept.

Actually righteous soul living actor live in micro concept living place

“Micro concept place unit”

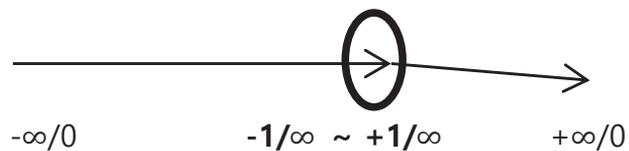

Creature is “Micro concept place unit”. Creature make forming of “micro concept place building” also, this is righteous soul living actor is all but also process, if an righteous soul living actor is one then, righteous soul living actor reach at the micro concept place then, the place is righteous soul living in destination place.

But righteous soul living actor feel then multiple micro concept place unit “ $-1/\infty \sim +1/\infty$ ” Righteous soul living actor in this place segregate from wicked soul living actors.

But a Righteous soul living actor feels in safe and there is not wicked soul living actor so that the righteous soul living actor remained that that place. Then the righteous soul living actor just build one of micro concept place unit “ $-1/\infty \sim +1/\infty$ ”

The other righteous soul living actor get in to micro concept place unit “ $-1/\infty \sim +1/\infty$ ” so hard lived from wicked soul living, then at now reached safe place, this is not righteous soul living in destination place.

So that, the micro concept place building unit

“Micro concept place unit”

This “micro concept place unit” is also build for much more reaching

at the closing to the righteous soul living in destination place.

So long, multiple micro concepts are required to be reaching at the righteous soul living in destination place.

To be reach at the righteous soul living in destination place = n X
“Micro concept place unit”

So then, this is infers that Creature is “new” and “going future”.
“Micro concept place unit” is same.

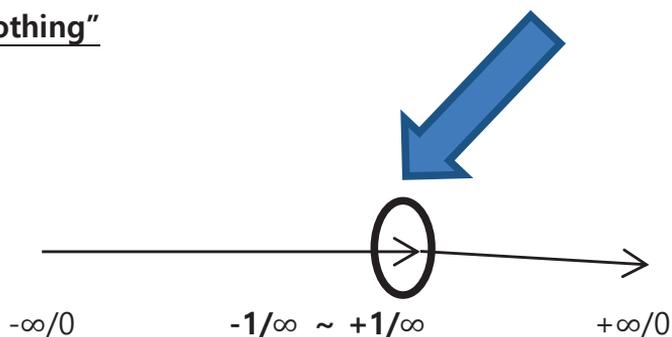

So long “creature” is hearing broadcasting from “righteous soul living in destination broadcasting station”.

“Creature” = “going future” = reach at micro concept place reach “-
1/∞~+1/∞”

“Creature” = hearing broadcasting from righteous soul living in destination place broadcasting

= micro concept place unit reaching = living

“Righteous soul & Nothing”

“Micro concept place unit”

So that here is actually righteous soul living actor evolved as

“The poor & righteous soul living actor”

“Righteous soul & not me” at this time is not reached at the place of “micro concept place”

In the end appeared “righteous soul & nothing” perfectly free from wicked soul “revenge and break”. Truly “Righteous soul & nothing” is nothing so that this is writing so long, so that “righteous soul & nothing” actually this is “nothing”.

2016.10.13

Topic: “Righteous soul & nothing” and “creature”

In this book “Righteous soul living actor & creature” “Righteous soul & nothing” is now high position living. “Righteous soul & nothing” is all include in “the poor & righteous soul” and “righteous soul & not me”.

“Creature” is exodus from “old knowledge”. It must be “creature is varies of “the poor & righteous soul”, “righteous soul & not me” and “righteous soul & nothing”, each living state growing new “creature of knowledge” is appeared.

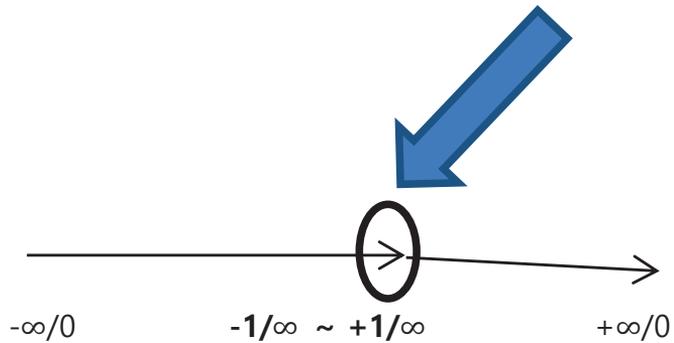

It must be inferred as “creature of knowledge” progress then, the righteous soul living in place is running to the “righteous soul living in destination place”.

“The poor & righteous soul” in this time “creation of knowledge” is survive from wicked soul living actor “revenge & break” so that wicked soul living place “easy living” rich living region, so long “the poor & righteous soul living actor” live in the poor.

“Righteous soul & not me” then “creature of knowledge” is disappeared seeing of wicked soul living actor. “Righteous soul & not me” did independent from wicked soul living actor. This righteous soul living actor “not me” is all of energy not for me but other, this is transient time for the “righteous soul & nothing.

“Righteous soul & nothing” is also new appeared of “creature of knowledge” is get into micro concept place which is perfectly safe place reach, so long in this place it never comes of “wicked soul” so that Righteous soul living actor live in similar or perfectly righteous soul living in destination place living.

= micro concept place unit reaching = living “Righteous soul & Nothing”

“Micro concept place unit”

What is “righteous soul & nothing” in the SEEN world, it must be “righteous soul living energy is nothing” so that “righteous soul living actor & nothing” doing righteous soul living behavior “it shared time with others, help other, and doing real love other” doing eternity.

“Righteous soul living actor & nothing” is all sacrifice because there is no “me”, but also nothing” so that in the SEEN world, it happen basis of righteous soul living with “creature” happened.

so long “righteous soul & nothing” is righteous soul living actor running energy of “Creature” so long, Righteous soul living behavior “it shared time with other, help other and doing real love other” plus

“creature” in conclusion that “creature of knowledge” with righteous soul so that, the righteous soul living actor all move to the righteous soul living in destination place.

So long “righteous soul & nothing” has soluble with “creature”.

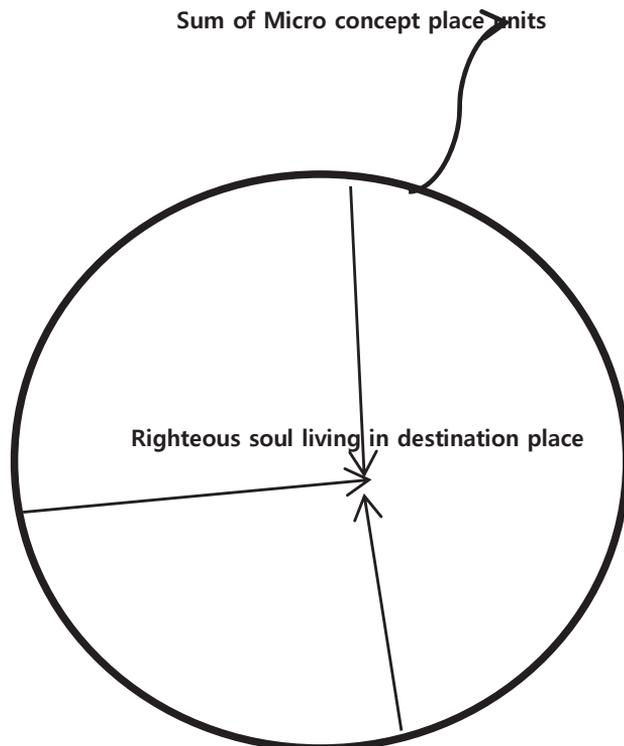

“Righteous soul & nothing” behavior actor is role of spreading of righteous soul living, so that around of “righteous soul & nothing” going to the righteous soul living in destination place.

As helping of creature, so then group of righteous soul runs to the “righteous soul living in destination place” they will hear of broadcasting from righteous soul living in destination place broadcasting system.

this means that righteous soul living actor group in the center surly has “righteous soul & nothing” but also around of “righteous soul & nothing” all do live “it shared time with others, help other and doing real love with help “creature”.

The place of variable stages of righteous souls “the poor & righteous soul” “righteous soul not me” and “righteous soul & nothing” going for the “righteous soul living in destination place with create helping”.

Then it must be happened that

Righteous soul living actor is unit of “micro concept place” living actor. All of righteous soul living actor reach at the “righteous soul & nothing” then they are all living at the micro concept”- $1/\infty \sim +1/\infty$ ” place. Then it must be all is round of Sum of Micro concept place units.

they all same distance from the righteous soul living in destination place so long, righteous soul living actor hear of broadcasting from righteous soul living in destination place broadcasting center. they are all hear on the contents about “ it shared time with others, help others, and doing real love other” so that hearing of this broadcasting then, it shown to the SEEN world comes of “creature” so then this “creature of knowledge” is used running to the righteous soul living in destination place.

It means that SEEN world “creation of knowledge” increased. So that SEEN world living actor; righteous soul, wicked soul, and mind level living actor also getting better living.

in the SEEN world, living place all of living actors are mixed living so that, if righteous soul living actor just one living then the place doing “create” so that, the SEEN world living place living actor “old knowledge” is substituted to righteous soul living actor bring from righteous soul living in destination place “Creation”.

so that SEEN world living actor progress in living, so long their living must be spread into the all of living actor such as wicked soul, righteous soul, and mind level living actors of “it shared time with others, help others and doing real love others”.

2016.10.17

Topic: “Righteous soul & nothing” and creature

In this book “Righteous soul living actor and creature” create “righteous soul & nothing”, this keyword is at now comes top of righteous soul. “Righteous soul living & nothing” is free from wicked soul living actor’s “revenge and break” but can do righteous soul living behavior “it shared time with others, help others and doing real love others”.

“Righteous soul & nothing” it is truly “righteous soul” or “nothing” it is to express righteous soul then it must be “righteous soul & nothing” but actually in the real UNSEEN world, or micro concept world “righteous soul” is “nothing”.

So long “righteous soul & nothing” = “nothing”=”righteous soul”.

Here is “righteous soul” is micro concept world living “ $-1/\infty \sim +1/\infty$ ” world actor. so then, here is righteous soul living actor must be infer that “righteous soul & nothing” = “nothing”=”righteous soul”. So long, micro concept place “ $-1/\infty \sim +1/\infty$ ” nothing is residents but actually this is function of righteous soul living behavior without any using energy; so long nothing is can do righteous soul living behavior “it shared time with other, help other, and doing real love other”.

“Righteous soul & nothing” is nothing, means that righteous soul living place is micro concept place “ $-1/\infty \sim +1/\infty$ ” so long “righteous soul & nothing” is much more less then micro concept place “ $-1/\infty \sim +1/\infty$ ” so long micro concept place living actor is “righteous soul & nothing”. Here is “righteous soul & nothing” is “nothing” so long. “ $-1/\infty \sim +1/\infty$ ” so long, micro concept place “ $-1/\infty \sim +1/\infty$ ” all of righteous soul living actor living that place then, it must be micro concept place is located at anyplace.

“Righteous soul & nothing” is defined as do not use for actor self but all of energy for use for the righteous soul living behavior “it shared time with others, help others and doing real love other”.

“righteous soul & nothing” of shared time with others, then, it must be shared time with others, so long, “righteous soul & nothing” must be nothing, so long here is shared means that, very strong feeling excitement with others in the SEEN world living actor feeling.

Share time with others is “righteous soul & nothing” giving “help other, and doing real love other” so long, here is all the carry of “giving other, doing real love other” then in the place “righteous soul & nothing” is same carried.

In the SEEN world, Righteous soul living actor living with other is very original behavior.

So long, here is “righteous soul & nothing” is all of position of living actor in the SEEN world, then the actor of function is used all of 100% energy never used in the righteous soul self.

“Righteous soul & nothing” must be defined with helping from hearing of righteous soul living in destination place broadcasting.

“Righteous soul & nothing” acting behavior of original function carry 100% of energy not for righteous soul, so long, “Righteous soul & nothing” is in the SEEN world living actor, then it must be structure is “wicked soul zero, righteous soul is nothing, mind is zero and body” then, the body living actor is only righteous soul & nothing and body, so long, “nothing + body” so then, the body is only living.

Here is “righteous soul = nothing” + body” so long, in this case “body” is only righteous soul living actor living place. so that here is

“nothing + place” is living in the SEEN world.

“Righteous soul & nothing” is really doing behavior “100% use for shared time with other, help others, and doing real love others”.

This “righteous soul & nothing” is SEEN world living actor compared then, the living actor of decision makers are all exclusively 100% use for others. Then it must be the place is living actor feel “righteous soul’s excitement”.

“Righteous soul & nothing” exclusively use all of energy for managed the function carry out, so then, “righteous soul & nothing” must be hear of broadcasting from “righteous soul living in destination place broadcasting “ so called “creature”.

“Righteous soul & nothing” is hearing “broadcasting from righteous soul living in destination place” and give “creation of knowledge” to the SEEN world problems of solutions.

all of “creature of knowledge” is at now using solving problems, so long at now problems is solved from future of knowledge so then that is micro concept place “ $-1/\infty \sim +1/\infty$ ”. so long, if there is living of righteous soul living actor then, the urgent faced problems is solved derived from future knowledge the place is “micro concept place -

$1/\infty \sim +1/\infty$ ".

“Creature of knowledge” = “righteous soul & nothing” is “hearing righteous soul living in destination place broadcasting. Then creator or user of creating is “righteous soul & nothing”.

If an actor in righteous soul living actor in the SEEN world then, the actor urgent problems must be solved helping from before saying system. Then it must be “the poor & righteous soul” prays to solve the problems solving then, it must be operated of “righteous soul & nothing” behavior “100% energy usage of it shared time with others, help others but also doing real love others”.

living in righteous soul of living in the SEEN world, then “the poor & righteous soul” living actor creature, then even the actor saved from “wicked soul” because of wicked soul some while do not know creature of knowledge is getting “easy living” or not, so that, “the poor & righteous soul” in the SEEN world living actor problems solution is getting well of “the poor & righteous soul” living.

“Righteous soul & Nothing” is 100% using for solving problems solving then, the “righteous soul & nothing” hearing righteous soul living place broadcasting. So long in the SEEN world, an actor feels excitement of solving problems.

Chapter 3.

“Righteous soul & nothing” actor mission carries out with creature

“Righteous soul & nothing” actor does daily living with creatures”

“Rescue “lover” as wicked soul living actor under the wicked soul community”.

“Making “lover” righteous soul”

“Righteous soul & nothing” save wicked soul to make righteous soul.

2016.10.18

Topic: “righteous soul & nothing” helping getting better with “creature”

in this book “Righteous soul living actor & creature” “righteous soul & nothing” reach at the perfect safe living from wicked soul living actor’s “revenge and break” because “Righteous soul & nothing” reach at the micro concept place “ $-1/\infty \sim +1/\infty$ ”.

In the tour of righteous soul living actor

- ① Righteous soul excitement living in the righteous soul living in destination place. Righteous soul dreamed to get lover to this excitement place for eternity living.
- ② Righteous soul decides to start getting lover to this place, and decide.
- ③ Righteous soul helped from other righteous soul who knew how hard coming back here, so that give gift “doing real love other” authority.
- ④ start voyage, then right before coming into “SEEN world; macro concept world” then abruptly cut into wicked soul who argue 1:1 voyage because wicked soul also wait to

“revenge and break”. Here is clear of wicked soul is affiliated with righteous soul.

- ⑤ Righteous soul and wicked soul is one of soul room and get into SEEN world; macro concept world appeared.
- ⑥ Righteous soul living actor only get “doing real love authority” meet “wicked soul” “mind” and body.
- ⑦ growing living in the SEEN world, then as $\text{mind}=1/\infty$
- ⑧ $\text{Mind}=1/\infty$ appeared up “wicked soul, righteous soul + real love” and body
- ⑨ using “doing real love authority” to “wicked soul” during living in “the poor & righteous soul”
- ⑩ as doing real love wicked soul and helped others righteous soul energy, so get wicked soul to be mutant to righteous soul so being strong Righteous soul
- ⑪ it appeared “righteous soul & not me” until then use energy for righteous soul but it being safe from wicked soul “revenge and break”
- ⑫ in the long run do not use energy for righteous soul itself, appeared “righteous soul & nothing” at last righteous soul running reach at the micro concept place “ $-1/\infty \sim +1/\infty$ ”

At now Righteous soul living actor safe from wicked soul “revenge and break” of attack, so then it “righteous soul & nothing” living actor to do why this dangerous voyage, so that, at now start to save “lover” to bring back to the righteous soul living in destination place.

“Righteous soul living actor” doing uses “doing real love other authority”. “Righteous soul & nothing” appear up to get and bring back “lover” to the righteous soul living in destination place.

It must be using again “doing real love “LOVER”” to make lover of wicked soul to getting mutant to righteous soul. it must be same process before saying, ① ~ ⑫, so long, at last coming out to do mission of righteous soul living actor “bring “lover” back to the righteous soul living in destination place”. Start hard process.

“Righteous soul & nothing” can hear broadcasting from righteous soul living in destination place.

So called “righteous soul & nothing” create a new create knowledge. Therefore righteous soul & nothing living actor do real love “Lover”, “righteous soul & nothing” actor do love helping from “creature”.

“Righteous soul & nothing” actor will meet wicked soul living in “lover”. This living is also another hard living. Because of SEEN world living actor is strong wicked soul. How to “lover” be changed into righteous soul living actor.

At once, I will live in “righteous soul living”, here is “righteous soul living” is basically righteous soul living strongly “it shared time with others, help others and doing real love others”. But also I will keep writing because I feel I’m a righteous soul living feeling. Another righteous live “meditation living”.

Actually urgent in the SEEN world, if I be live in “righteous soul & nothing” then hurry doing real love to save from wicked soul living, how to do, but also my closed living actor SEEN world “lover” also strongly live in wicked soul living community and string wicked soul living actor.

2016.10.20

Topic: how to live “righteous soul & nothing” how to live in the SEEN and UNSEEN world, macro concept world and micro concept world.

In this book “righteous soul living actor & creature” how to live, it

must be first doing real love “LOVER” how to do “real love other”.

“Righteous soul & nothing” living actor has authority to create of creation of knowledge. Because the righteous soul living actor hearing of broadcasting from righteous soul living in destination place.

In the SEEN world, macro concept world living variable living actors of wicked soul, righteous soul, and mind level living actors. So that among them happened problems are so many so that, living “the poor & righteous soul living actor” also hard to live, so that “righteous soul & nothing” living actor do righteous soul living behavior “it shared time with other, help other and doing real love other with helping of create of knowledge.

“Righteous soul & nothing” living actor feel in righteous soul so that righteous soul living actor got a symptom a first stage all of working beginning. Normal or creature is in the place of righteous soul living symptom. But abnormal or old knowledge is in the place of wicked soul living symptom.

Normal & creature of living is running to the righteous soul living in destination place going. Here is normal is righteous soul living behavior is well going of “it shared time with other, help other, and doing real love others” but also creature is righteous soul living actor hearing of broadcasting from righteous soul living in destination

place.

Abnormal & old knowledge of living is doing not running to the righteous soul living destination place. abnormal is do not righteous soul living behavior is do not well going of righteous soul behavior “it shared time with others, help other and doing real love other.

Old knowledge is doing not hearing of righteous soul living in destination broadcasting. The old knowledge is all of other wicked soul knows that, it an actor of wicked soul start to do something then, all of other wicked soul doing same working. But also they also do harmed wicked soul attacking fight each other.

here is righteous soul living destination reaching at the all of righteous soul living actor finish well of all their behaviors, with helping creature so then all of happened in the SEEN world, of macro concept world living problems solving so that it conclusion of the working.

but here is “old knowledge” use of wicked soul living so that their work all use of old knowledge, so then, this knowledge also all of other wicked soul living actor know so that get in other wicked soul does containment so that new worker of “old knowledge” user be attacked from other wicked soul, but also “old knowledge” living actor do not solve arisen of variable conditions so that come to conclusion of failure.

Righteous soul, creature, and normal symptom is running for the righteous soul living in destination place, so long this conclusion is directly related with “it shared time with others, help others, but also doing real love others” so that this is running for the righteous soul living in destination place.

Wicked soul, old knowledge and abnormal symptom is do not running for the righteous soul living in destination place, so long, it is not related with “it shared time with others, help others, and doing real love others” this is not conclusion.

Righteous soul, creature normal symptom is nothing going, but wicked soul; old knowledge and abnormal symptom occur strange and abnormal action is occurred so long; truly the symptom is wicked soul living behaviors living explained.

Righteous soul, creature normal system is running for the righteous soul living in destination place. Wicked soul living actor without creature is must be reach at fail, so long anything will in conclusion but abnormal behavior of symptom.

This is so important symptom, abnormal behavior is first know that wicked soul living behavior of abnormal accident, this is truly conclusion of doing not fruit, but they all be finally failure. It never

done of fruit without doing living in righteous soul living.

All must be live with righteous soul living behavior “it shared time with other, help other but also doing real love other”. This is all connecting with righteous soul living behavior.

even luckily wicked soul, old knowledge, abnormal symptom get it, but if still they do not related with “it shared time with other, help other, but also doing real love other” then, it must be even get fruit but soon the fruit dried out.

eternity living is righteous soul living actor with helping creature, so then the righteous soul living actor get fruit, then the fruit related with “it shared time with other, help other, and doing real love other” then it must be the righteous soul living actor working is going for eternity.

Topic: Righteous soul safe living place in the SEEN world with creature

In this book “righteous soul living actor & creature” Righteous soul living actor is on the “mind= $1/\infty$ ”. Righteous soul living actor behavior is “it shared time with other, help other and doing real love other”. So long, righteous soul living actor can do “doing real love other”.

Here is what is “doing real love”? “Doing real loves other authority” is to the righteous soul living actor only can do; this is SEEN world living tools for the righteous soul living actor. “Doing real love other authority” is given as gift from start time of voyage to the SEEN world. Then already did voyage SEEN world righteous soul living actor gift.

This “doing real love other” is at first survive in the UNSEEN ~ SEEN world of soul room living time; “doing real love other” helped righteous soul survive from wicked soul in the soul room.

“Doing real love other” here is other means that all of living actors; wicked soul, righteous soul, and mind level actors.

After survive from wicked soul, then “the poor & righteous soul”, “righteous soul & not me” but also “righteous soul & nothing” Righteous soul living actor must do righteous soul living mission

“bring “LOVER” back to the righteous soul living in destination place”.

“Righteous soul & nothing” reach at the micro concept world “ $-1/\infty \sim +1/\infty$ ” this is righteous soul living actor perfectly segregated from wicked soul living “revenge and break” so that just righteous soul living is safe living is general living.

Perfect safe from wicked soul, “righteous soul & nothing” must be doing carry “righteous soul mission” “bring Lover back to the righteous soul living in destination place”.

Even “righteous soul & nothing reach at micro concept place, safe living from wicked soul” but in the SEEN world “righteous soul & nothing” mission process is “LOVER” is not wicked soul, so that “LOVER” to be changed into righteous soul living actor, it must be “lover must be need temporally safe place is required from wicked soul attack; revenge and break.

In the SEEN world, “righteous soul & nothing” is living in the body, so long, it express as “righteous soul & nothing + body” living, but “LOVER” is it must be “wicked soul, righteous soul and mind +body”. so long even “righteous soul & nothing” is strongly safe from wicked soul “revenge and break” but to the “LOVER” is there is no any

defense place.

So long, “LOVER” must be changed, so getting mutant to the righteous soul living actor.

“LOVER” structure is “wicked soul, righteous soul, mind +body” this is also kept in procedure of at first “LOVER mind must be=1/∞” then it must be like this “wicked soul, righteous soul and mind=1/∞ + body”. Here is “LOVER” oneself do not know, but strong righteous soul “righteous soul & nothing” sunshine to the “LOVER” then “LOVER” changed in to the righteous soul living actor.

Then strong righteous soul living actor tries to build in the SEEN world, Real love living place, that is “strong righteous soul of righteous soul & nothing” and “LOVER” living “real love living place build.

Then, here is the same as “soul room Wicked soul, doing real love, righteous soul” so long, righteous soul real love energy all gives to the wicked soul, so that in the SEEN world Righteous soul’s doing real love place.

In the SEEN world “doing real love living place” being shape of structure is “strong righteous soul & nothing; Sunshine + “LOVER” “Wicked soul, righteous soul and mind + body” so long, in the SEEN world, as getting mutant to being righteous soul living of “LOVER”.

So then here is SEEN world, macro concept world living, real living actor must be living in the home, so long husband & wife living. So then, to carry righteous soul living actor “bring “LOVER” to the righteous soul living in destination place” so long, strong righteous soul & nothing(Sunshine) living actor also live in the SEEN world with body. So long who will be role of husband or wife, both someone is strong righteous soul (Sunshine” then it must be building strong real love condition.

In the home, “righteous soul & nothing” do live in basic of righteous soul living behavior “it shared time with lover, help lover, and doing real love to the lover”. Then in this home must be appeared a new tension of wicked soul and righteous soul between “strong righteous soul (sunshine) and “LOVER” of wicked soul and righteous soul + mind”.

So long strong righteous soul living actor only have “doing real love authority” so long, in the SEEN world, “strong righteous soul & nothing +body” doing real mission “bring “LOVER” back to the righteous soul living in destination place”.

It is also righteous soul living actor procedures, so that righteous soul living actor to be reach at the righteous soul living in destination place reaching is living.

so then in the SEEN world, Righteous soul living actor live in the home, so that husband and wife living must be live “doing real love” then, it must be micro concept place living structure must be also process to the getting into mutant to the “LOVER’s being righteous soul living actor.

in the SEEN world, strong righteous soul of Sunshine to the “LOVER” then, it must be “LOVER” also will getting mutant to the righteous soul, so as cognition of “LOVER” righteous soul then, it must be “LOVER” oneself also try to be this process.

“Righteous soul & nothing (Sunshine)” + LOVER of “wicked soul, righteous soul and mind+ body”

This is must be infer that “righteous soul & nothing (Sunshine) + doing real love + LOVER of “wicked soul, righteous soul and mind+ body”.

this is “Righteous soul & nothing (Sunshine) doing real love to the “LOVER” of wicked soul and righteous soul” then, LOVER

Righteous soul get energy increased, but wicked soul of wicked soul energy must be decreased. so that, in the end in the SEEN world living “LOVER” mutant to the righteous soul then, it must be simply express “ Righteous soul & nothing (Sunshine) + “LOVER righteous soul” is one of righteous soul, this righteous soul living actor “doing real love” LOVER or wicked soul. So then, simply even “righteous soul & nothing” is free from wicked soul, but now again meet “wicked soul of “LOVER”.

in the SEEN world “body of LOVER” and “righteous soul & noting Body” is husband & wife, but in the UNSEEN world, is now being in structure is “righteous soul & nothing (Sunshine) is doing real love wicked soul of “LOVER”, it is so hard to live on in the SEEN world.

Just righteous soul living actor mission carry, in the SEEN world, righteous soul living in actor still keep doing real love “wicked soul of LOVER”. So then, if wicked soul living actor all support from wicked soul living in destination place, this is bottle field of righteous soul and wicked soul living actor. So that, to overcome this hard time, it required “doing real love” is must be strong, so that this is only doing thing in the SEEN world living actor.

So that righteous soul living actor doing real love Wick soul of LOVER to be mutant to righteous soul living actor. This is Righteous soul living actor eternity duty is “doing real love “LOVER”.

Topic: Righteous soul & nothing recognize of symptom with helping creature

In this book “righteous soul living actor & creator” Righteous soul living actor see SEEN and UNSEEN world feature.

“Righteous soul & nothing” see UNSEEN world feature. In the macro concept world living actor can be realized as “symptom” goes with “creature of knowledge”. Here is classify of righteous soul living symptom and wicked soul living symptom is differently comes.

This symptom can be realized by helping of creature of knowledge. Righteous soul living destination “symptom” is must be good sign of

turning point from bottom to upward. But in the symptom of wicked soul, then this symptom from wicked soul living in destination place comes. Wicked soul living destination symptom is bad symptom which is up to bottom.

This symptom is second level; minute level, hour level, day level, week level, monthly level, year level, but all of living level.

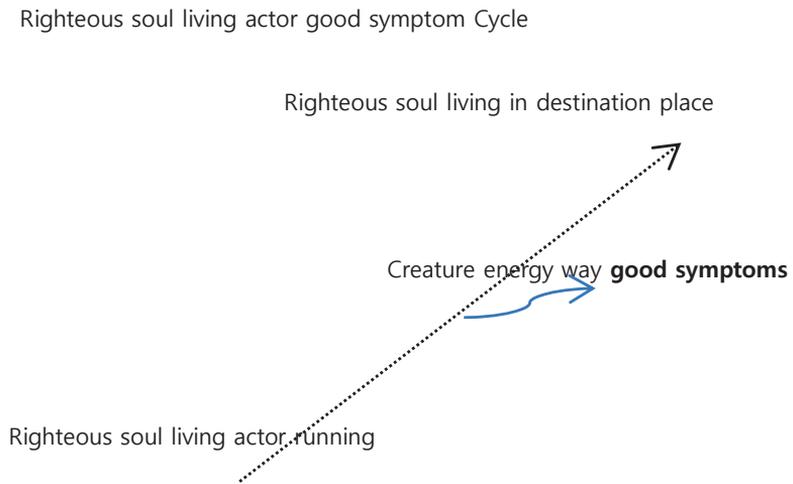

Righteous soul living destination place strong signal sent, just like broadcasting, so then this will see righteous soul living actor only, in this case, righteous soul living actor create knowledge from righteous soul living in destination place broadcasting hearing.

But symptom is really strong signal; this signal is somehow energy, if righteous soul living energy is strong then, energy filled in the UNSEEN world, so that it appeared to the SEEN world, so that, Righteous soul living in destination actor make shown to the SEEN world good symptom of changed from bottom to top.

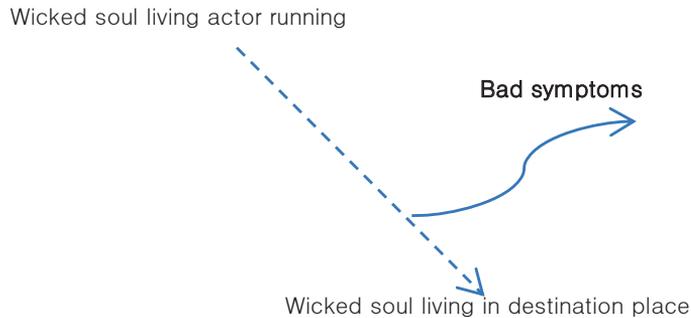

If wicked soul living actor do have wicked soul living energy is filled into the wicked soul living in destination place, it appeared up bad symptom of from top to bottom.

Creature of knowledge is energy running for the righteous soul living in destination place. Creature of knowledge make possible keep continue of good symptom living.

It must be cycle of good symptom and bad symptom

Wicked soul living actor bad symptom cycle

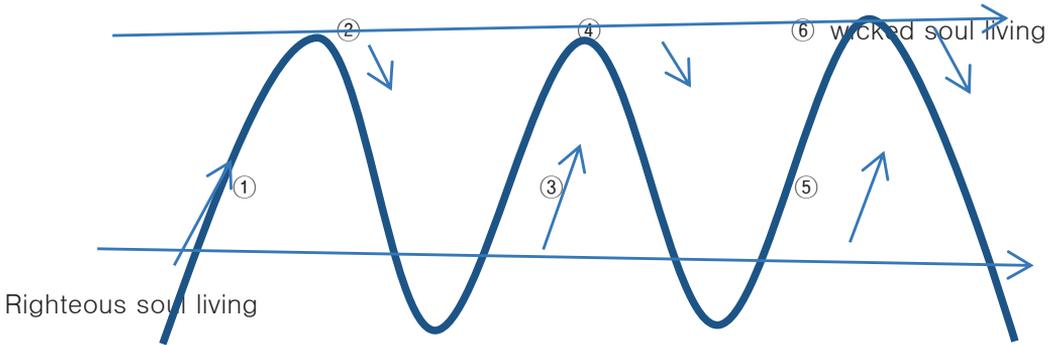

truly symptom of bad or good is combined but in this bool express like, macro concept then it must be see in cycle, but in the SEEN of righteous soul living in destination place living is seen direct line.

So long, wicked soul living is based on the bad symptoms collections line, so then in the end reach at the wicked soul living in destination place.

But righteous soul living actor here of righteous soul living in destination place broadcasting hearing “creature” and good symptom collections line to the righteous soul living in destination place reach at.

In this symptom cycle in the SEEN world is

Wicked soul of easy living actors

The poor & righteous soul living actors ①③⑤ are righteous soul of good symptoms

But wicked souls of easy living bad symptoms are ②④⑥ is bad symptoms.

Righteous soul living symptom is same as “creature of knowledge” getting time; this is making bright in the righteous soul living actor place. This creature of knowledge is strong energy, this creature of knowledge make known righteous soul to the direction of righteous soul living in destination place.

So long symptom of rolling of sea voyage light house light role, so long righteous soul living actor go follow of “creature of knowledge” and “good symptom”.

Righteous soul living actor all in the not easy, all of hard living then it comes of “good symptoms” this is righteous soul living actors just momentum of excitement, this is the righteous soul living actor’s only excitement. For moment righteous soul “good Symptom” is safe living of righteous soul living.

Topic: Righteous soul & nothing and mind= $1/\infty$ with creature

in this book “righteous soul living actor & creature” this book try to say, Righteous soul living actor run for the righteous soul living in destination place with helping creature.

Creature is hearing broadcasting from righteous soul living in destination place broadcasting. This broadcasting tries to say about “returning back to the righteous soul living in destination place safe, to do this required knowledge contents”.

in this book mind= $1/\infty$ already did, so that recognition of Righteous soul, but the real living in the SEEN world, it still comes mind, so that

mind is not reach at $\text{mind}=1/\infty$. Cause of this righteous soul living behavior is not doing well.

Before reached at $\text{mind}=1/\infty$ then, righteous soul living was sometimes comes but is not usual, but after reached at $\text{mind}=1/\infty$ then it already over the mind level, so long, at now righteous soul living is usual, but sometimes comes of mind then righteous soul is not clear, the weather is could but also some times rains.

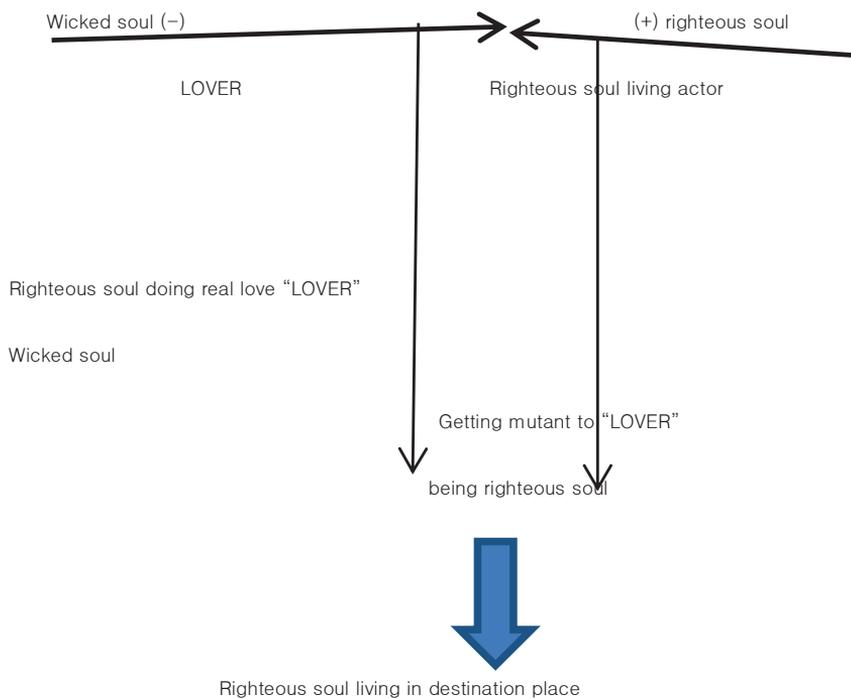

At now actually righteous soul living weather is cloudy so that this turning writing topic is “Righteous soul & nothing and $\text{mind}=1/\infty$ with creature”.

Righteous soul & nothing in the SEEN world living with others, righteous soul living actor behavior is “it shared time with other, help other, and doing real love other”. But live in righteous soul living around is all not in righteous soul, so then righteous soul living actor also feel lonesome.

It must be recognition then it must be righteous soul living world is cloudy condition. today creature is “ righteous soul living actor me, and still live in “LOVER” of wicked soul then to be “LOVER” make righteous soul living it must be “LOVER” wicked soul all to be reach at $-1/\infty$ ” then it begin of righteous soul living”

at now creature is adopt of micro concept point " $-1/\infty \sim +1/\infty$ "

$-1/\infty \sim +1/\infty$: micro concept place

Lover's wicked soul getting in to $-1/\infty$ then righteous soul $+1/\infty$

meet in the micro concept place, then in the place Righteous soul living actor do real love “LOVER” to make strong “LOVER” righteous soul so that righteous soul living actor strong give energy to the “LOVER” then, LOVER changed into righteous soul living actor.

Righteous soul living actor get into meet “LOVER” righteous soul invite to micro concept place “ $-1/\infty \sim +1/\infty$ ” in the micro concept place perfect safe righteous soul living actor from wicked soul living actor “revenge and break”, so that righteous soul living actor use righteous soul living actor strong righteous soul order meet in the micro concept place “LOVER” righteous soul.

here is righteous soul living actor meditation time, saying “ my righteous soul go to my “LOVER” righteous soul doing real love “LOVER”, make activation of “LOVER Righteous soul”” then it must be “LOVER righteous soul activation” so long, keep strong real love and help “LOVER” then, “LOVER Righteous soul” will be activate.

Righteous soul & nothing must save from wicked soul of “LOVER” from wicked soul to make righteous soul. Actually strong wicked soul of “LOVER” Wicked soul, so that righteous soul living actor endurance for “LOVER” recognition of righteous soul living then, it must be “LOVER” also try to do real love “righteous soul” this is real

excitement.

Righteous soul living actor living is so important is near living actor to do real love other, then it must be all do strong righteous soul behavior “it shared time with LOVER, help LOVER, and doing real love to “LOVER”. This is real excitement of carrying “LOVER” to the righteous soul living in destination place.

Even in the SEEN world, strong wicked soul “LOVER” endures of righteous soul living actor, the time is longer than expected.

Righteous soul living actor as living of “the poor & righteous soul” “righteous soul & not me” but also “righteous soul & nothing” so then living real love “LOVER” in the SEEN world it also another excitement living.

Because of at last my “LOVER” also bodies in love me, so called it is not real love but my lover also false love me. It is also feel love from real my “LOVER” but righteous soul living actor SEEN world mission is “bring “LOVER” back to the righteous soul living in destination place”.

It is eternity living in the UNSEEN world righteous soul living in destination place in excitement.

2016.10.31

Topic: righteous soul & nothing and mind= $1/\infty$

In this book “righteous soul living actor & creature” Righteous soul & nothing means that it is free from wicked souls “revenge and break”. Here is mind= $1/\infty$, this is appeared up of righteous soul of after reach at the mind= $1/\infty$.

Actually mind= $1/\infty$, it feel of really excitement as mind= $1/\infty$ then it must be feel peace in souls. This called as macro concept then it must be mind is peace.

But truly I am reach at the after mind = $1/\infty$, then it reach at “the poor & righteous soul” in this time it must be feel in me, so that it must be explained as “ the poor & righteous soul” is living after mind= $1/\infty$, so that the weak righteous soul living actor must be safe from wicked soul “revenge and break”. So that wicked soul living actor like to live on “easy living”, so that righteous soul living as “the poor & righteous soul”.

As revolution of righteous soul living actor is “the poor & righteous soul” revolution of “righteous soul & not me” here is disappeared wicked soul “revenge & break” so that wicked soul do not see attack

target. In this time it must be changed wicked soul living actor target to out of target. This is really “righteous soul & not me” is just like “invisible man in the SEEN world” so long, “righteous soul & not me” is wicked soul do not see “wicked soul & not me” so this is free from attacking of wicked soul’s “revenge & break”.

But ultimately “righteous soul & nothing” is perfectly reached at nothing. This means that as basic of mind is perfect nothing also, this is actually “righteous soul & nothing” is “nothing”, so long, this is only express of in the SEEN world so that only “righteous soul & nothing” but truly it appeared to be “nothing” in the of actor living. So long “righteous soul & nothing” is really being nothing is became of reach at the perfect “nothing” then it must be it never comes of mind again.

But actually in the SEEN world living actor feeling is not easy, I try to feel of “nothing” in the meditation but it is not easy, this is feel of “peace in living”, but actually $\text{mind} = 1/\infty$ of “peace” and after being “righteous soul & nothing” must be perfectly different feeling of before “peace feeling”, “righteous soul & nothing” of “nothing” feeling must be “peace” but it must be here is “nothing of peace” is produce of “creature” so that, “righteous soul & nothing” is perfectly difference place living of “micro concept place $-1/\infty \sim +1/\infty$ ”, so long here is “righteous soul & nothing” is creating of create of knowledge to live as perfect righteous soul living.

Here is “righteous soul & nothing” is major of living actor, so long “righteous soul & nothing” must be create of knowledge to live in the righteous soul living actor to be safe reach at the righteous soul living in destination place.

“Righteous soul & nothing” and “mind= $1/\infty$ ”

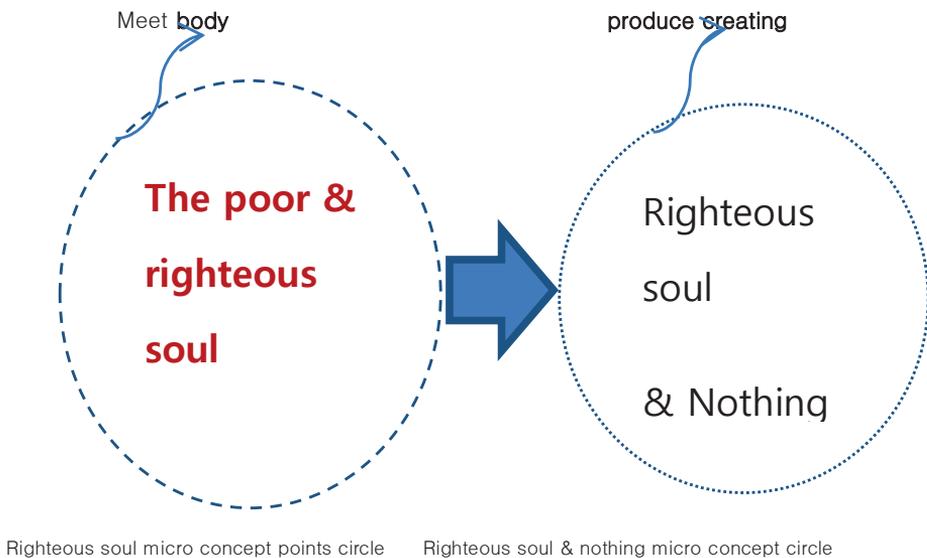

“Righteous soul & nothing” is creating “creating knowledge” hearing broadcasting new from righteous soul living in destination place.

“Mind= $1/\infty$ ” is appeared righteous soul living to the actor. So long Righteous soul’s excitement meeting without mind problems so that, righteous soul living actor meet body, so that this is so excitement of righteous soul, to survive from wicked soul’s “revenge and break” even meet body, but the SEEN world living is “ the poor & righteous soul”.

Righteous soul living actor meet body is so excitement, this is somewhat feeling of SEEN world actor feeling is realized of righteous soul living behavior “it shared time with other, help other, and doing real love other”.

“righteous soul & nothing” is nothing, so that in the SEEN world actor feeling is getting “creating knowledge”, so long it first defined of “creating” is “ hearing broadcasting from righteous soul living in destination place”.

“Righteous soul & nothing” is running for the righteous soul living in destination place in the micro concept place “ $-1/\infty \sim +1/\infty$ ” so long, micro concept point is so closed so that the way to the righteous soul living in destination place then, it must be in the SEEN world living is seen in line, but actually in the righteous soul of nothing is “nothing” then it must be invisible of righteous soul living.

Actually “the poor & righteous soul” is strong related with body, but righteous soul & nothing is closed related with “righteous soul living in destination place”.

So that “the poor & righteous soul” meet body with really excitement of righteous soul, but “righteous soul & nothing” is in the SEEN world living actor produce creating knowledge. Righteous soul & nothing produce “creating knowledge” to all of righteous soul living actors use this creative knowledge for the purpose of running to the righteous soul living in destination place.

“Righteous soul & nothing” is UNSEEN SEEN world righteous soul living so that, it must be in the SEEN world living righteous soul living actor be helped from “righteous soul & nothing” actor’s righteous behavior “ it shared time with other, help other, and doing real love other” helping with creature of knowledge.

Topic: Righteous soul! What is living?

In this book “righteous soul living actor & creature” writing a book is time of communication of being righteous soul living. Truly righteous soul living feeling is really excitement. As my living is losing in concentration righteous soul living is diluted.

Righteous soul living must be live, if do not concentration then it must be hard to feel of righteous soul. As then it seek mind level instinct feeling. So then all is feel sinful in me. Do not feel of righteous soul living in excitement. Then how to do, at now my feeling is “what is living?”

But truly it is not excitement right after awaken, so long concentration then, it must be righteous soul living itself is excitement, so then truth is power of living. Excitement is perfect righteous soul living is all exempt of mind level living hard living, because of mind level living is comes from fear, just easy living. So long all living origin is righteous soul living because of righteous soul living is “it shared time with other help other and doing real love others” with doing creature excitement.

I did not know and realized just living as clearly righteous soul living itself is excitement, because righteous soul is there is not sin so that out of sin living is $\text{mind}=1/\infty$, so long it is righteous soul living.

Creature of living is righteous soul living in excitement. Creature of excitement itself is done, Creative excitement don't necessary to get

harvest, that is UNSEEN world righteous soul living actor hearing broadcasting from righteous soul living in destination place. But SEEN world living actor feels in creation excitement. It must me my dilute is also as losing creation of excitement.

Creation of excitement is living in righteous soul living. “What is living? Living is itself gifting to live on.

“What is living? What I must do what is the answer of living. As my living is answer living or not? Just living is feeling in excitement, truly real living is what? If do real living then it must be feel in excitement living.

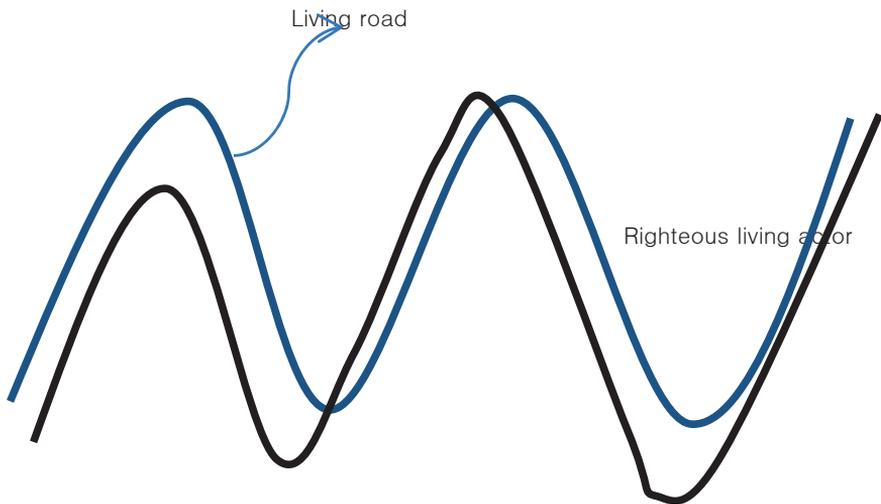

Do live living! Do live excitement is must be in the point of view wicked soul then, it is “easy living” so then now I’m seek “easy living” then until now my righteous soul living in creation is all lie.

So long what is living? Must be living itself but also, living is up & down, so long this is also variable living condition. Then righteous soul living actor also accepts now feeling it is not feeling in excitement.

this is must be ruling great power of process, so long living itself is must be hard, just like in the road of in the mountain and sea side not

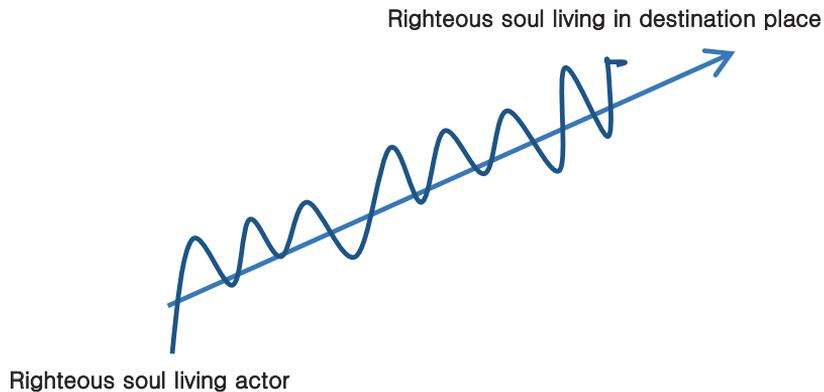

paved road, but also sometimes my living course is climb mountain, yes! During it must be excitement writing of deep righteous soul living actor creation writing.

Living righteous soul, sometimes feel going well, but the other time going really hard. What is this “What is living”

Righteous soul living actor’s “what is living? then it must be righteous soul living actor follows of righteous soul living in destination living, the living is up and down living, then it must be the living way is has hidden learning thing. Up & down of living, this is must be “UNSEEN world road” so that even try to be feel make normal but the living of righteous soul is not going. UNSEEN world road course

is turf slope going climb then, it must be hard, but the living is this

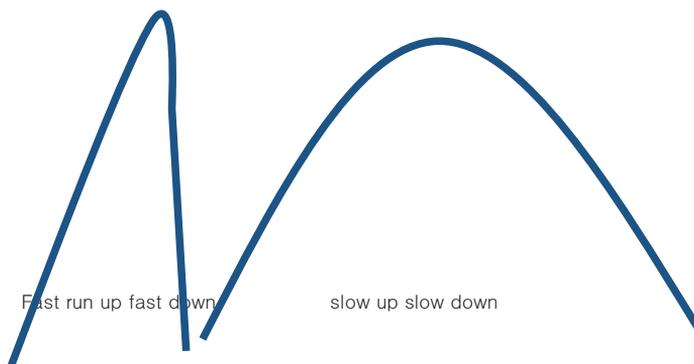

In the hard course of righteous soul living then during hard living is still must be living “poor & righteous soul living” but do not out of this living, then time is running then this hard course living actor will climb reach at the process to go for the “ righteous soul living in destination place”.

SEEN world living actor also up & down accept all of living, it is another dream to go for, in the first time of down to up, then it is new challenge living. All of feeling of living is seeing much deeper then, the then there is meanings and why this feeling is has origin.

It is both feeling mixed feeling of from down to up turning point is “suffering peak and start dream” so long all of living is this, so long, time scale, but also no time scale all is means that but all is see me to go for the righteous soul living in destination place.

this up & down of time scale is second, minute, hour and day but also week, month, year and life all has it's up & down. “What is living” living is itself is “up & down” so long before said down to up, but also up and down, then it must be going up is being peak, so then it must be going down, it is behavior of righteous soul living “it shared time with other, help others but also doing real love others”.

If up to peak then it must be going down slop, but if going round then the down slope is also wide angle. So long, it go right to the top then, it must be going down is also directly down, but all of hard living then down also slow do not slope wide angle. So long, it must be “righteous soul living actor”

so long, righteous soul living actor hard climb up during then realized living, but fast run up it must be run only without realized then, it must be drop to down also, so that doing realize is slow is also a kind of living.

“what is living” is slow up and slow down, so then it is so time is longer of hard time, then it must be the righteous soul living actor be all of living “the poor & righteous soul and righteous soul & not me and righteous soul & nothing” all of progress then, it must be righteous soul living actor safe returning to the righteous soul living in destination place.

“what is living” it is living of deep see and doing learning keep hearing of righteous soul living in destination place, so long righteous soul living actor do create knowledge. This create knowledge is make understand SEEN world living actor up & down living well.

Righteous soul living actor “what is living” is living is keep doing realize getting knowledge then it must be reach at the righteous soul living in destination place.

2016.11.3

Topic: “Righteous soul & nothing” use energy carry creature of knowledge.

In this book “Righteous soul living actor & creature” Righteous soul living actor live well. Righteous soul living actor living well means that is living running to the righteous soul living in destination place, but also at the same time doing mission carry out. Mission is “bringing LOVER back to the righteous soul living in destination place”.

Righteous soul living actor living is Righteous soul living destination place rule. So then it is not fathom of keeping a righteous soul living destination rule. This is must be normal living; this is natural living in the SEEN world. To live righteous soul living, it does cooperative among righteous soul living actors.

The living is clear “it shared time with others, helping others but also doing real love others”. In this rule is must be in the righteous soul living destination place adopt.

To live in the SEEN world as righteous soul living well it must be already running to the righteous soul living in destination place living actor of “righteous soul & nothing” do righteous soul behavior to the “the poor & nothing” or wicked soul try to be righteous soul then, the “ righteous soul & nothing” behavior is “ Righteous soul & nothing shared time with “the poor & righteous soul, wicked soul to be righteous soul, and righteous soul & nothing help “the poor & righteous soul, wicked soul to be righteous soul, finally “righteous soul & nothing doing real love “the poor & righteous soul” and wicked soul to be righteous soul” this is righteous soul living behavior.

So long, helper of “righteous soul & nothing” hearing of righteous soul living destination place broadcasting, then again “righteous soul & nothing” realized of the problems solving, so that “Righteous soul & nothing” creature of knowledge, so called “create” produced. so long this creation of knowledge is really important to the “ the poor & righteous soul, and wicked soul to be changed into righteous soul living actor” must be realized, so long these actors are must be learn of “creature” this creature is “ hearing broadcasting from righteous soul living in destination place.

“Righteous soul & nothing” create “creation of knowledge” this is SEEN world, “creation of knowledge” must be transferred into “The poor & righteous soul” and “wicked soul to be righteous soul”.

This is must be critical to be live in as righteous soul living actors. “Righteous soul & nothing” help making learn of “creature of

knowledge” how to live as righteous soul living to be growing “righteous soul & not me” or ultimate reach place of “righteous soul & nothing”.

“Righteous soul & nothing” must help others; to make leaning, so then, “righteous soul & nothing” itself is creative knowledge. “Righteous soul & nothing” is “nothing” then, the “righteous soul & nothing” is move itself eternity energy. This is move to the righteous soul living actors or to be righteous soul living actor also.

Righteous soul & Nothing”= Creature of knowledge= “nothing”= eternity energy of moving. So long, it must be righteous soul & nothing creates “create of knowledge” carry on the Energy. So long,

“Righteous soul & nothing” behavior is “it shared with others, help others, doing real love other” then creative knowledge is required.

Creative knowledge is transfer of “righteous soul & nothing” energy carry “creature of knowledge” so then learning of “righteous soul & nothing”.

Energy is so strong making all righteous soul activation of the poor & righteous soul strength and wicked soul make righteous soul, and then it must be appeared making “abnormal to normal”.

“Righteous soul & nothing” is crating “creature”, energy carry creation of knowledge” to help all of righteous soul activation of righteous soul, wicked soul”.

How to “righteous soul & nothing” getting in to strong or powerful energy “righteous soul & nothing” then it must be do righteous soul living actor behavior “it shared time with other, and help other, but also doing real love other” this is really strong energy creating to the “righteous soul & nothing”.

As being strong “righteous soul & nothing” then, it must be SEEN world, real mission carry is possible because of even strongly safe from wicked soul “revenge and break” but in the SEEN world, mission execute “bring “LOVER” back to the righteous soul living in destination place”.

Then strong “righteous soul & nothing” strong wicked soul “LOVER” making change righteous soul is somewhat better then not strong, so that “righteous soul & nothing” so diligently “it shared time with others, help other, but also doing real love other”. This is making real possible truly really living excitement in the “righteous soul living in destination place eternity”.

So long in the micro concept world, “righteous soul & nothing” living

is required to be live in righteous soul living “it shared time with others, help others but also doing real love others”.

In the micro concept world “ $-1/\infty \sim +1/\infty$ ” “righteous soul & nothing” must be for itself but also for others righteous souls, it required keep hearing of broadcasting from righteous soul living in destination place”.

Then “creature” is the source of energy to go for the keep running to the “righteous soul living in destination place”.

2016.11.7

Topic: Righteous soul mission is so hard without helping creature.

In this book “righteous soul living actor & creature” in the SEEN world, “righteous soul & nothing” mission is “bring LOVER to the righteous soul living in destination place”. Wicked soul “LOVER” try to live in wicked soul living because of wicked soul living is “easy living”.

Righteous soul living is hard living, Wicked soul living is “easy living”. But Righteous soul living actor tries to do mission “LOVER”

to be righteous soul, but actually “LOVER” is righteous soul’s close living actor.

Righteous soul living actor is host, but wicked soul of “LOVER” is guest. So that righteous soul living actor is urgent and hurry to make “wicked soul LOVER” to righteous soul living actor of “LOVER”. Because of righteous soul living only enter into righteous soul living in destination place.

Righteous soul living actor must be all of doing sacrifice to help, to do real love “LOVER” who is not now in righteous soul living actor. “LOVER” anger of not easy living, because of “LOVER” try to be living easy. “LOVER” try to do “easy and what “LOVER” wanted thing doing only”. but righteous soul living actor all care of other related living actors also.

Living in this SEEN world feel hard living, so that “what is living?” many times saying so hard to live. Because of righteous soul living actor do not live in “easy living” living in righteous soul living.

Living in Righteous soul is living righteously “it shared time with other, help other, and doing real love other”. Righteous soul living actor do shared time with other, it must be do finish righteous soul living actor’s living, after that give time to others, so it required to

live in diligence.

righteous soul living actor to do help other, it must be enough getting to help other, SEEN and UNSEEN asset so long, it can possible help others. So that it is not easy doing righteous soul living.

Righteous soul living is getting living righteous soul, but here is doing real love is key living to make “wicked soul to righteous soul living”.

As righteous soul living actor doing righteous soul, so then, “do real love other” then, do real love “LOVER” it is also so hard, “LOVER” is now wicked soul, so that “doing real love then “LOVER” feel “easy living”.

Righteous soul living must be learning this doing real love other, it is creature of knowledge, which is hearing broadcasting from righteous soul living in destination place. If get creature of knowledge then it must be communicate “LOVER” who anger refuse to communicating with righteous soul actor.

Righteous soul living actor feels so hard, so that Righteous soul living actor is saying “what is living?”

“What is living? To do live in righteously then, it must righteous soul living actor also know what is righteous soul living is behavior?”

The living of righteous soul living is clearly understand in the mind level living, so that righteous soul living actor living in normal living. But righteous living around are all wicked soul living actor and mind level actors, but also Righteous soul living actor also feel hard and bad condition then, it’s living of righteous soul living “it shared time with other, help other and doing real love also is not easy”.

Righteous soul living actor also lost why do live in this hard living, so then Righteous soul living is in the SEEN world seen to the wicked soul and mind level living actor then, it must be foolish. But righteous soul living actor doing living hard is all of living standard is not same as righteous soul living.

So then, mind level living actor is “getting much more than other” is living criteria but righteous soul living actor is “the poor & righteous soul” so then, it is not same as is “getting much more than other”.

But also wicked soul living actor criteria is “easy living” so that this is “easy living is strong competition is open so that, wicked soul living actor all means use getting to be “easy living”. This is SEEN world

living rule.

Then righteous soul living actor living is “it shared time with other, help other, and doing real love other” so then, its criteria is distance from now wicked soul and mind level living actor’s criteria. So then righteous soul living actor feel alone so long, it is not easy living in the SEEN world, living righteous soul living actor must be feeling hard.

Then why, righteous soul living actor live righteous soul living behavior is returning back to the righteous soul living in destination place where has been started SEEN world voyage. This is natural all of travelers are all turning back to the home, so long, Righteous soul living actor living in the SEEN world is must be live in voyage line, so long this line is same route.

This route is at first is “the poor & righteous soul” after it, micro concept place “ $-1/\infty \sim +1/\infty$ ” and then it must be reach at the “righteous soul & not me” so long getting strong righteous soul living energy then it must be reach at the “righteous soul & nothing” so long it must be why this dangerous SEEN world voyage is “to bring “LOVER” to the righteous soul living in destination place”. so then it must be righteous soul living actor must be carried out Mission.

If does not clear of “mission carry out” then, the dangerous SEEN world voyage must be nothing, so then righteous soul living actor must be kept in rout to reach at the righteous soul living in destination place.

So why keep in living in “righteous soul” is make righteous soul be clear, so that living as simple living doing living in righteous soul living is all sacrifice living. This living is all of hard then it only living of overcoming hard living. there is no way but must do sacrifice living, so long, it must be time reserve of righteous soul living, but also do helping other and doing real love other.

As living in righteous soul living is itself is endure all of living but truly, it create creation of knowledge.

“Creation of knowledge” is required keep learning to realize of righteous soul living. “LOVER” is must be changed into the righteous soul living actor, then it must “LOVER” also realized, it is so prime work, so that righteous soul living actor help and doing real love “LOVER”, ultimate shared time with also “LOVER”.

It must be this is living, until then righteous soul living actor realized on this writing. do keep hearing broadcasting and keep behavior of righteous soul living behavior.

Today writing is somewhat solve of righteous soul living actor “what

is living? Originality I will do sacrifice to my “LOVER” who is not wicked soul living actor. Righteous soul living actor living is endless sacrifice in the SEEN world wicked soul, mind level living actor understanding.

So long “what is living? Answer is keep sacrifice in the SEEN world, to my LOVER to be changed to Righteous soul living actor becoming.

Topic: creature of righteous soul and do not creature of wicked soul

In this “Righteous soul living actor & creature” Creature with righteous soul living actor runs for the righteous soul living in destination place. But do not creative of wicked soul is custody living without running but going around.

Righteous soul and creature is running, living, growing and reach at the righteous soul living in destination place.

But wicked soul and do not creature is do not running, do not living, do not growing and do not reach at the righteous soul living in destination place

wicked soul of do not living is dead, but dead is has feature, but do not live, so that wicked soul living actor must be live in mind level living place, because of there is mind level living place is same, the place is all is living in custody also, so that they try to live among them, use all of power of wicked soul “revenge and break” for easy living.

Righteous soul living in destination place is keep doing broadcasting to make here of it of righteous soul living actors; the poor & righteous soul, righteous soul and not me, but also righteous soul and nothing.

Righteous soul living actor keeps running, living, growing, and this living actor with pure true real knowledge. Righteous soul living actor living places where no deceit, false knowledge is. So then, how to live in the SEEN world, righteous soul living actor live in actor region, actor governing living is only with righteous soul living.

In the SEEN world, wicked soul wicked behavior deceit is do not know, so that wicked soul living actor also living but their living in the righteous soul living place all is dead, but they are living in the mind level living place.

So long, it is SEEN world or mind level living place wicked soul are living. They do their mission carriage revenge and break others. So

long, how to live in the SEEN world righteous soul, it must be required of creature of knowledge, Creature of knowledge make secure of revenge of wicked soul.

But how hard to live in anger that circulation of keep living in wicked soul living, so that wicked soul living actor all of living is “revenge and break other” do then, the living is real sorrowful living eternity.

But in the SEEN world, to be only “easy living” Wicked soul living actor all do depend on their easy living of wicked soul living in the SEEN world.

So that Righteous soul living actor tries to save “LOVER” who lives in wicked soul. Who save wicked soul of “LOVER” this is must be righteous soul living actor duty. Righteous soul living actor all are urgent to live in strong righteous soul living.

Righteous soul living actor be must SUN of strong righteous soul living. so that righteous strong soul SUN shine all of wicked soul then, the wicked soul must be activation of righteous soul, so that save wicked soul keep in circulation stop.

Righteous soul living actor living also does charity to save wicked soul living actor to be circulation stopping.

Righteous soul living actor in the SEEN world duty is wicked soul saving to make righteous soul living, expand righteous soul living place. So then only righteous soul SUN shine is can help wicked soul use of creature of knowledge by creating “create” by hearing of righteous soul living actor hear of broadcasting from righteous soul in destination place.

Righteous soul living actor creating “create” must be shared with other of wicked soul living actor. to be then the place must be infer that the greatest actor must be live in righteously then, the actor role make free in the custody of wicked soul.

if an actors living place, SEEN world, a strong actor do live in righteously then the place must be live righteously and using creature of knowledge, so that the place is getting develop living. but if the place, an actor role for the righteous soul living king then the actor in the SEEN world, easy living, then the strong righteous soul living actor changed into wicked soul living behavior.

so long, the place to be well living, it must be strong righteous soul living actor do live in hard and righteous soul, so long it infer that, the brilliant living actor must be responsibility to live in righteously.

In the place all of living actors are all responsibility in living well, so blessed actor must live righteous soul living. This righteous soul living actor living strong in righteous then, the strong Righteous soul

SUN shine help being righteous soul living. This means that righteous soul living actor save wicked soul to be live in righteously, in the end wicked soul living actors circulation cutting.

On today righteous soul living in destination place broadcasting saying to me, that “how you are excitement because you are living saving your LOVER to be righteous soul living actor”.

On today broadcasting just one time living in the SEEN world, all used up time for the “revenge and break” how to live in excitement. This is so sorrowful living. So that Righteous soul living actor must be save wicked soul to live in righteous soul living.

Righteous soul living behavior of “it shared time with other, help other, and doing real love other”. Righteous soul living actor living is doing save wicked soul, then righteous soul living energy getting strongly increased.

Until now righteous soul living actor just mission is “LOVER” bring back to the righteous soul living in destination place, it must be “LOVER” changed into “LOVERS”. Righteous soul living actor save wicked soul to be righteous soul living.

at now to be righteous soul living region, it must be strong powerful living actor just like president, king CEO all of strong power living actor must be living in righteous soul then, the place must be living in righteous soul living.

So long all of living actor must feel duty living in righteous soul living “it shared time with other, help other, and then doing real love others”.

Topic: Righteous soul living actor and creature

In this book “Righteous soul living actor and creature” what I try to say? It start “living in custody go around was so hard to me so that getting out from in this custody living” I live in writing this book.

I found that creature defined that is creature is “hearing righteous soul living in destination place broadcasting” and righteous soul living actor runs for the righteous soul living in destination place.

So long, an actor in the custody how to runs to the righteous soul living in destination place, this is solutions is “Creature” helping creature righteous soul living actor runs to the righteous soul living in destination place.

In this book I found that righteous soul living actor runs then the righteous soul living actor also changed “the poor & righteous soul, Righteous soul & not me, and Righteous soul & nothing”.

This is growing of righteous soul living actor to the righteous soul & nothing. This is until then wicked soul attacking of “revenge and break” target is disappeared from attacking of wicked soul “revenge & break”.

So that “righteous soul & nothing” can possible “it shared time with other, help other, and doing real love other”. This is means that “righteous soul & nothing” mission is “bring “LOVER” to the righteous soul living in destination place”.

it start righteous soul living actor “LOVER” is one this writing wrote that point of view then, on the running to the righteous soul living in destination place. Hearing of righteous soul living in destination place saying “righteous soul & nothing” love “LOVERS”” so that “Righteous soul living actor of nothing” must save in the wicked soul living actors.

“Righteous soul living & Nothing” is Sunshine in the SEEN world, so that Righteous soul living actor strong righteous soul of SUN shine is make multiple wicked soul to be righteous soul living actor. So then “Righteous soul & nothing” is string because of wicked soul do not attack “righteous soul & nothing”.

Who will be living in the SEEN world “righteous soul & nothing” it must be start from righteous soul living in destination place “strong righteous soul must role of righteous soul & nothing role”.

So then it must be also to strong righteous soul also, go with strong wicked soul living actor so that, righteous soul living actor must survive between strong wicked souls, so then, if ordained “strong righteous soul so called “righteous soul & nothing”” then the actor must be save all of wicked soul living actor in the SEEN world. Strong righteous soul living actor “righteous soul & nothing” is Sunshine who all save wicked soul to make righteous soul living actors.

if there is no survive “righteous soul living actor” in a place, then the place all is living in wicked soul living, so that how important “righteous soul living actor”. if an actor brilliant then the actor is not only the actor but the actor must be living in “righteous soul living” then the place is righteous soul living in destination place itself.

“Righteous soul living actor & creative” is try to say all of brilliant actor living must be “righteous soul living” is required to live on, in the righteous soul living actor king expect to live righteous soul living then it reach at “the poor & righteous soul, righteous soul & not me, and being reach righteous soul & nothing” then be “Sunshine” and save all of wicked soul to be righteous soul living actors.

Chapter 4.

Epilogue

This book “Righteous soul living actor & Creature” is started, SEEN world living all stop so that to me is so urgent. How to do, so then to me is comes “Righteous soul living actor & creature”.

truly in the beginning, I did not know, what is “creature”, so long to find this key world definition I did see in me, but also deep in recognitions, so that it comes out “ creature is hearing broadcasting from righteous soul living in destination place”.

I really helped from creation process I heard this righteous soul living in destination broadcasting.

“Righteous soul & nothing” can save wicked soul to make righteous soul” in this moment Righteous soul & nothing is “Sunshine” if “righteous soul & nothing” = Sunshine so then, “righteous soul & nothing” must be save multi wicked soul to make righteous soul.

In this book, create is helper of righteous soul living actor runs to the righteous soul living in destination place. This is after exodus from SEEN world soul living in the place of custody, so long after out of custody, and then it runs to the righteous soul living in destination place.

Righteous soul living in actor comes to SEEN world to bring “LOVER” to the righteous soul living in destination place, to live in the righteous soul living actor eternity living in the righteous soul living in the righteous soul living in destination place.

Righteous soul living actor survive and living is, in the process “The poor & righteous soul” “righteous soul & not me” and “righteous soul & nothing” this is living, so long in the SEEN world righteous soul living actor living in the SEEN world is so hard living.

But righteous soul living actor is living, of SEEN and UNSEEN world living in criteria so that, the righteous soul living actor live in eternity living in excitement.

This book is ultimate comes out “righteous soul & nothing” this is righteous soul living actor peak reach. This is righteous soul living behavior “it shared time with other, help other, and doing real love other”. So long, righteous soul living actor living is keep in righteous soul living.

this book try to give humble living is me, because actually urgent is truly me is living righteously is fist concerning, so that all of book is do not make other hard this concept, but try to me use in me, truly righteous soul living is so hard, because of righteous soul living is

living in beyond of mind level living actor place.

so that most living in the SEEN world, living actor living is “getting much more than others” but also “easy living” of wicked soul, then in this point of view then, this book is hard to understand.

But righteous soul living actor is living is around of “SEEN and UNSEEN world living”. This living is so hard, so that if may be just only one actor read then, please understand me my writing.

As a writer of me opinion is living oneself is very important to live on, actor himself realized living feeling of righteous soul living. This is beyond of SEEN world, wicked soul, and mind level living behavior.

This SEEN world real living, if real living of “righteous soul living” then the actor is growing being reached at the place of “righteous soul living in destination place”, so long righteous soul living actor keeps living, in the end righteous soul living actor reach at living righteous soul living in destination place.

but in the SEEN world, wicked soul living, and mind level living actor, do not living of righteous soul living in behavior then do not living of “it shared time with other, help other, but also doing real love other”

so that all of wicked soul, and mind level living actor energy all used up. so that wicked soul and mind level living actor do not reach at the righteous soul living in destination place.

wicked soul and mind level living actor cause of short of energy, the wicked soul, and mind level living actor must be energy reach at zero, then it must be used up energy, then the wicked soul and mind level living actor dead.

so long in the SEEN world is mind level living, wicked soul living, righteous soul living, then in the SEEN world, all of living actor feel, same living, but in the SEEN of righteous soul living then seen that dead of living, wicked soul and mind level living actor is do not grow, because their living is not real living.

righteous soul living actor is real living, but wicked soul and mind level living actor is do not live in real living. This is so real true creation of knowledge.

In this book “righteous soul living actor & creature” is righteous soul living actor keep increase energy and problems solving to go for the righteous soul living in destination place. The way to the righteous soul living in destination place is not easy, so many problems will be occurred, so long the problems must be solve, this solving knowledge

is from hearing righteous soul living in destination place broadcasting.

Righteous soul living actor goes developed as closed reaching at the righteous soul living in destination place.

Closing to the righteous soul living actor is string growing so that righteous soul living actor stages then “righteous soul & nothing”. the “righteous soul & nothing” must create “creation of knowledge” to the SEEN world. So long “righteous soul & nothing” living actor keep running for the righteous soul living in destination place. During running then solving living problems then, the book of create, then the book will help SEEN world righteous soul living actors.

All of living in righteous soul living actor who is living “it shared time with others, help others, and doing real love other” then, it must live before runs to the righteous soul living in destination place. The forerunners created book can be helpful to the living of righteous soul living actors.

This book please helps righteous soul living actors. Truly I’m shame please understand me, but also if short of knowledge then, it must be someone will increased righteous soul living actor related living helper.

At now I’m closing this book (2016.11.15. AM 10:12)
